When History Is Personal Mimi Schwartz, 2018-03-01 When History Is Personal contains the stories of twenty five

moments in Mimi Schwartz's life each heightened by its connection to historical political and social issues. These essays look both inward and outward so that these individualized tales tell a larger story of assimilation, the women's movement, racism, anti-Semitism, end of life issues, ethics in writing, digital and corporate challenges, and courtroom justice. A shrewd and discerning storyteller, Schwartz captures history from her vantage as a child of German Jewish immigrants, a wife of over fifty years, a breast cancer survivor, a working mother, a traveler, a tennis player, a daughter, and a widow. In adding her personal story to the larger narrative of history, culture, and politics, Schwartz invites readers to consider her personal take alongside official histories and offers readers fresh assessments of our collective past.

This ground-breaking collection will provide practical advice about how to implement an ethical and spiritual curriculum while avoiding religious dogmatism.

Teaching Literacy for Love and Wisdom Jeffrey D. Wilhelm, Bruce Novak, 2015-04-17 This book lays out a new vision for the teaching of English, building on themes central to Wilhelm's influential *You Gotta BE The Book*. With portraits of teachers and students as well as practical strategies and advice, they provide a roadmap to educational transformation far beyond the field of English. From publisher description: *A Flower in the Desert* David Lang, 2012-08-31 At seventeen, following the directions of the philosopher and mystic Douglas Harding, David Lang pointed his finger at his own face and discovered he didn't have one. Instead, he found himself staring at nothing. But it was a very special nothing, a nothing filled with everything. Taking this revelation as his starting point, Lang shows how the vision of nothingness, the Desert, turned his life upside down. In image-rich language, he draws the reader into the Alice in Wonderland world of the given. You will see buildings and trees that move, a man who expands and shrinks like a balloon, and a room built around a black hole. You will witness scenes of joy, wonder, confusion, and despair. And you will find the Flower, that mysterious and profound destination which adds everything and nothing to the vision of the Desert. In the appendix, Lang gives explicit directions so that you can experience the book's key insights yourself.

Afropessimism Frank B. Wilderson III, 2020-04-07 Wilderson's thinking teaches us to believe in the miraculous even as we decry the brutalities out of which miracles emerge. Fred Moten. Praised as a trenchant, funny, and unsparing work of memoir and philosophy, Aaron Robertson. Literary Hub. Frank B. Wilderson's *Afropessimism* arrived at a moment when protests against police brutality once again swept the nation. Presenting an argument we can no longer ignore, Wilderson insists that we must view Blackness through the lens of perpetual slavery. Radical in conception, remarkably poignant, and with soaring flights of memoir, *Afropessimism* reverberates with wisdom and
