Critiques of Contemporary Rhetoric Karlyn Kohrs Campbell, Thomas R. Burkholder, 1997 This book covers criticism of the persuasion that surrounds us in daily life speeches at political conventions editorials in newspapers essays in magazines of opinion debates in Congress state legislatures and political campaigns and all of the efforts by which protesters and reformers justify their views The authors focus attention on responding intelligently to this rhetoric They view rhetorical criticism not as a matter of being critical or of attacking rhetoric but rather as the process of analysis interpretation and evaluation of persuasive uses of language

Artificial Knowing Alison Adam, 2006-07-13 Artificial Knowing challenges the masculine slant in the Artificial Intelligence AI view of the world Alison Adam admirably fills the large gap in science and technology studies by showing us that gender bias is inscribed in AI based computer systems Her treatment of feminist epistemology focusing on the ideas of the knowing subject the nature of knowledge rationality and language are bound to make a significant and powerful contribution to AI studies Drawing from theories by Donna Haraway and Sherry Turkle and using tools of feminist epistemology Adam provides a sustained critique of AI which interestingly re enforces many of the traditional criticisms of the AI project Artificial Knowing is an essential read for those interested in gender studies science and technology studies and philosophical debates in AI

[Our Social World](#) Dr Jeanne H Ballantine, Keith A. Roberts, 2011-04-25 The Third Edition of Our Social World Introduction to Sociology is truly a coherent textbook that inspires students to develop their sociological imaginations to see the world and personal events from a new perspective and to confront sociological issues on a day to day basis Key Features Offers a strong global focus A global perspective is integrated into each chapter to encourage students to think of global society as a logical extension of their own micro world Illustrates the practical side of sociology Boxes highlight careers and volunteer opportunities for those with a background in sociology as well as policy issues that sociologists influence Encourages critical thinking Provides various research strategies and illustrates concrete examples of the method being used to help students develop a more sophisticated epistemology Presents The Social World Model in each chapter This visually compelling organizing framework opens each chapter and helps students understand the

interrelatedness of core concepts New to the Third Edition Thirty new boxed features including the innovative Engaging Sociology and Applied Sociologists at Work features Three substantially reorganised chapters 2 Examining the Social World 3 Society and Culture and 13 Politics and Economics 315 entirely new references and 120 new photos **Schools and Society** Jeanne H. Ballantine, Joan Z. Spade, 2011-04-04 Offering a wide array of theoretical perspectives and methods a broad range of resources and both classic and contemporary studies this fully updated Fourth Edition uses the open systems approach to provide readers with a framework for understanding and analyzing the book's disparate topics Edited by Jeanne H. Ballantine and Joan Z. Spade both of whom actively teach Sociology of Education courses this text includes dozens of readable articles that illustrate major concepts and theoretical perspectives in the field *Digital Femininities* Frankie Rogan, 2022-07-01 *Digital Femininities* The Gendered Construction of Cultural and Political Identities Online examines the role of new media technologies in the production of girls' cultural and political identities The book argues that the varied and complex spaces which make up our social media should be conceptualised as important terrains upon which neoliberal and postfeminist subjectivities can be both reproduced and subverted In doing so the book explores many key issues underpinning current debates around gender politics and digital media including gendered spatial politics visibility surveillance and regulation beauty politics and civic and political engagement and activism Over the last decade the position of girls and young women within the digital landscape of social media has been a topic of much debate On the one hand girls' social media practices are presented as a key site of concern wherein new digital technologies are said to have produced an intensification of individualised neoliberal and postfeminist identities Conversely others have championed access to social media for young people as a potentially useful political tool enabling previously marginalised political subjects such as girls to access and participate within new and exciting political cultures Locating itself at the intersection of these two approaches this book offers a fresh contribution to these debates Based upon the findings from focus groups with girls and young women aged between 12 and 18 in England the book offers an in-depth analysis of the digital cultures that emerged from the study This timely book will be essential reading for anyone interested in contemporary femininity and feminism and the role of digital media in the production of cultural, political and gendered identities Society in Focus William E. Thompson, Joseph V. Hickey, Mica L. Thompson, 2018-11-13 *Society in Focus* An Introduction to Sociology Ninth Edition emphasizes how society and social forces affect everything from globalization and international policies to day-to-day activities in our personal lives In this edition the authors go beyond the mere questioning of issues to take a closer look at the social world in which we live They provide an integrated approach that uses sociological thinking to help students analyze and understand key concepts To focus increased attention on sociological thinking and research methods they have chosen four key themes media and technology globalization cultural diversity and trends for the future Because sociology is about all of us and our daily lives it is an eminently practical and useful discipline for understanding our social world This Ninth Edition Includes specific

student outcomes for each chapter as well as assessment items linked to those outcomes new chapter opening vignettes that give real life examples illustrating important terms concepts and theories included in that chapter updated data statistics maps charts boxes and tables citing the latest research available examples of the powerful impact of media and technology on society especially the role social media play in helping to shape and define our daily social lives new photos and cartoons accompanied by critical thinking questions that reinforce and illustrate important sociological terms concepts and theories

Gendered Lives Geoffrey Wood, Inman, 1996 *Exiled God and Exiled Peoples* Andrea Fröchtling, 2002 *Exiled God and exiled peoples* sets out to explore the perceptions of God within a number of forcibly removed communities in South Africa and Jewish survivors of the Shoah with the latter being predominantly of German origin It considers rupture in individual and communal life stories as a determining factor in the perception of and the relationship with God and follows the path paved by survivors of apartheid and the Shoah by recalling their topography their stories about place displacement and terror and the encapsulated relationship with God in their respective exiles *Resources in Education*, 1996 [Play Among Books](#) Miro Roman, Alice_ch3n81, 2021-12-06 How does coding change the way we think about architecture This question opens up an important research perspective In this book Miro Roman and his AI Alice_ch3n81 develop a playful scenario in which they propose coding as the new literacy of information They convey knowledge in the form of a project model that links the fields of architecture and information through two interwoven narrative strands in an infinite flow of real books Focusing on the intersection of information technology and architectural formulation the authors create an evolving intellectual reflection on digital architecture and computer science *Gendered Lives* Julia Wood, Natalie Fixmer-Oraiz, 2025-01-24 Packed with the latest research and emerging issues from the field Wood Fixmer Oraiz's **GENDERED LIVES COMMUNICATION GENDER CULTURE** 14th Edition equips you with the knowledge and tools to think critically about gender and society Written by leading gender communication scholars the text offers an intersectional approach to understanding gender development identity and politics as it demonstrates the multiple and often interactive ways your views of gender are shaped within contemporary culture The 14th edition offers expansive coverage of LGBTQ issues queer and trans theory intersex activism recent feminist movements reproductive violence an integrated emphasis on social media and a strong focus on gender in the public sphere Its current coverage and conversational first person writing styles make it an engaging introduction to the field
