Harrington O'brien,2017-02-17 Excerpt from 50 Best American Short Stories 1915 1939 And there was another thing about  
the story which struck me as rather queer Perhaps it is a relic of my seafaring days but I have always been a conscientious  
reader of the weather reports and I could remember no weather in the past week sufficient to shake a man out of a top  
especially a man by the name of B j Orn sen a thoroughgoing seafaring name I was destined to hear more of this in the  
evening from the ancient boatman who rowed me out on the upper river He had been to sea in his day He knew enough to  
wonder about this thing even to indulge in a little superstitious awe about it About the Publisher Forgotten Books publishes
