Megane Workshop:

A Shop in the High Street Grace Thompson, 2016-06-06 Family rivalries and bitter disputes set a once peaceful town alight in the fifth of Grace Thompson's well-loved Pendragon Island sagas. Edward Jenkins has long dreamt of opening a sports shop in the small Welsh town of Pendragon Island. So when Edward's parents pass away leaving the Montague Court Hotel to their two children, he glimpses the possibility of his ambitions being realised. His sister Margaret, however, has her own plans for their inheritance and the determination to see them through. Can Edward stand up to her for the very first time? Rhiannon and Charlie Bevan are keen to start a family, but her father Lewis is living with them and he still refuses to accept that their marriage will be a happy one. If only they could find a way to reunite him with her mother Dora, they could finally have the home they've dreamed of. Meanwhile, Megan, one of the scandalous Weston Girls, is pregnant but has refused to marry the father, freeloading Terrence Jenkins. As she begins to help Terrence's cousin Edward with the plans for his shop, all he can think of is their friendship growing into something more. But what could a girl like Megan ever see in him? As another year passes in this tiny coastal community, the happiness and heartaches of its inhabitants continue to prove as intriguing and captivating as ever. *The Pendragon Island Sagas: Corner of a Small Town*. The Weston Girls: Unlocking the Past. Maisie's Way. A Shop in the High Street. Sophie Street. The Little Shop on Silver Linings Street Emma Davies, 2019-10-16 Daisy Turner has worked at Buchanan's Family Jewellers since the day she finally escaped her troubled home. With a unique talent for matching the perfect piece of jewellery to any romantic milestone, she painstakingly polishes each stunning creation every morning and safely locks them away each night, longing for the day she'll have a love story to call her own. But everything changes one day in December when the owner announces she is retiring. She will leave the shop to whichever of her three sons creates the perfect piece of Christmas jewellery for Daisy. In danger of losing the job that once saved her, Daisy is catapulted out of her comfort zone as each of the brothers sweeps her off her feet to find out what her heart truly desires. Between ice skating, starlight shopping, and cosy candle-lit dinners, it's only handsome and guarded youngest brother Kit who really seems to be listening. Because Daisy has a secret. Every night when the shop closes, she lays out her tools in neat rows and creates sparkling designs of her own. As Christmas Day approaches, Daisy's growing feelings for Kit fill her with a confidence she never knew she had. But as the brothers present their elaborate gemstone masterpieces, she's in for the shock of her life. Was Kit using her to get ahead in the competition all along? Or has he truly worked out the one thing she has always longed for? They say all good things come in small packages, but the best things don't need wrapping at all. Snuggle up with this absolutely heart-warming Christmas read and find a warm spot by the fire. An unputdownable festive treat for lovers of Jenny Colgan, Lucy Diamond, and Debbie Johnson.
