positivity organisation and determination At a time when GCSE teaching can feel like a conveyor belt of micromanaged lessons and last ditch interventions Steve and Martin acclaimed authors of *The A Level Mindset* suggest a different approach underpinned by their VESPA model of essential life skills vision effort systems practice and attitude These five non cognitive characteristics beat cognition hands down as predictors of academic success and in *The GCSE Mindset* Steve and Martin take this simple model as their starting point and present a user friendly month by month programme of activities resources and strategies that will help students break through barriers build resilience better manage their workload and ultimately release their potential both in the classroom and beyond The book s forty activities while categorised thematically under the VESPA umbrella have been sequenced chronologically by month in order to better chart the student s journey through the academic year and to help them navigate the psychological terrain ahead Each activity can be delivered one to one to a tutor group or to a whole cohort has been designed to take fifteen to twenty minutes to complete and has been written with a pupil audience in mind However to complement the tasks practical utility the authors also explore the underpinning research and theory including the pioneering work of Angela Duckworth Dr Steve Bull and Carol Dweck in more detail in the introduction to each section Informed by the authors collective thirty plus years of teaching and coaching this essential handbook for GCSE success also suggests key coaching questions and interventions for use with pupils and includes expert guidance on how schools can implement and audit the core components and outcomes of the VESPA approach in their own settings Additionally and indeed pertinently in the present educational environment where empirical data is valued so highly the book features a chapter dedicated to the measurement of mindset written by guest contributors Dr Neil Dagnall and Dr Andrew Denovan from Manchester Metropolitan University They present the twenty eight item VESPA questionnaire which they helped Steve and Martin to design and take the reader through the research process behind its origins before going on to describe how it can be used to identify areas for development and to measure the impact of interventions Suitable for teachers tutors and parents who want to boost 14 to 16 year olds academic outcomes and equip them with powerful tools and techniques in preparation for further education and employment

*The Mind Monster Solution* Hazel Gale, 2018-03-22 This paperback edition was formerly published in hardback under the title *Fight Life changing* One of the best books I ve ever read Dr Michelle Braude author of *The Food Effect* Diet Incredibly well researched practical and relatable Clearly written by a true professional expert as well as an expert by experience An excellent resource not only for those who want to address challenges and self limiting patterns such as self sabotage but also gain a comprehensive understanding of why they occur Highly recommend Shahroo Izadi author of best selling *The Kindness Method* Whenever elite fighter Hazel Gale entered the ring she felt fear Not just the rational fear of being knocked out But something deeper as well The fear that she didn t deserve success and that she would let everyone especially herself down While others saw a confident world champion athlete Hazel was plagued by anxiety self doubt and depression It was these things the monsters of her mind that she felt

were her most dangerous opponents and she waged a war. It was that hard fought internal battle that ultimately led her to burn out. Now a sought after London therapist Hazel has created a revolutionary system for overcoming fear, underperformance and self sabotage. In *The Mind Monster Solution* she uses personal anecdotes, practical exercises and innovative therapeutic tools to help you create a balanced life rich with meaning, confidence and positivity. Written with humility and humour, this book will help you emerge victorious from your own battles whatever they may be. *The Business Student's Guide to Sustainable Management* Petra Molthan-Hill, 2017-11-09

*The Business Student's Guide to Sustainable Management* has become a core textbook for business undergraduates. With a full introduction to sustainable management, the textbook covers all subject areas relevant to business students. This second edition features fully updated chapters on how to integrate the Sustainable Development Goals into accounting, marketing, HR and other subjects in management and business studies. Furthermore, this second edition offers brand new chapters on how to teach the Principles for Responsible Management Education (PRME) in any business discipline, how to explore new business models designed to support sustainable development and how to crowdsource for sustainable solutions. The book contains over 40 ready-made seminars, short workshops which enable teachers and students to integrate the Sustainable Development Goals (SDGs) into every discipline in business, including economics, operations, marketing, HR and financial reporting. Each chapter follows the same easy-to-use format. *The Business Student's Guide to Sustainable Management* provides a true treasure chest of materials to support staff wanting to integrate sustainability into their teaching and provides support to effectively embed sustainability in the curriculum. The chapters also offer a starting point in developing teaching units for Masters and MBA students. The material is not just useful to people in business schools but to those involved in wider scale curriculum change and those looking to make links between different disciplines, for example how to teach system thinking, corporate peace making and the crowdsourcing of sustainable solutions. Online Teaching Notes to accompany each chapter are available on request with the purchase of the book.

**Becoming a Growth Mindset School** Chris Hildrew, 2018-03-23

*Becoming a Growth Mindset School* explores the theories which underpin a growth mindset ethos and lays out how to embed them into the culture of a school. It offers step-by-step guidance for school leaders to help build an approach to teaching and learning that will encourage children to embrace challenge, persist in the face of setback and see effort as the path to mastery. The book isn't about quick fixes or miracle cures but an evidence-based transformation of the way we think and talk about teaching, leading and learning. Drawing upon his own extensive experience and underpinned by the groundbreaking scholarship of Carol Dweck, Angela Duckworth and others, Chris Hildrew navigates the difficulties, practicalities and opportunities presented by implementing a growth mindset, such as forming a growth mindset curriculum, launching a growth mindset with staff, marking, assessing and giving feedback with a growth mindset, growth mindset misconceptions and potential mistakes, family involvement with a growth mindset. Innovatively and accessibly written, this thoroughly researched guide shows how a growth

mindset ethos benefits the whole school community from its students and teachers to parents and governors Becoming A Growth Mindset School will be of invaluable use to all educational leaders and practitioners *Effektives Coaching* Arun Kohli, 2020-08-06 Durch Personal Coaching selbstbestimmt den eigenen Führungsstil entdecken Personal Coaching ist außerordentlich produktiv Durch ehrliche und ungefilterte Selbstreflexion unter Anleitung eines Coaches gewinnt der Klient Einsichten in sein Selbst und die Wirkung die er auf andere Menschen hat er versteht den Unterschied zwischen Selbstbild und dem Bild in der Öffentlichkeit Das Ergebnis ist eine Verbesserung seines Führungsstils der auf die Mitarbeiter eine positive Wirkung haben wird Allerdings bestimmen häufig Fehlannehmungen Unklarheiten und Verzerrungen das Bild des Personal Coachings Coaching ist weder Therapie noch professionelle Managementberatung Das würde den wahren Kern von Coaching nicht treffen Arun Kohli erfahrener Führungskraft Coach stellt in diesem dringend notwendigen Buch die Arbeit eines Coaches richtig Er beschreibt wann und warum Coaching funktioniert und welche Veränderung es herbeiführen kann Seminare und Toolkits allein können nicht die richtige Antwort für einen unkomplizierten Übergang eines jungen Managers vom mittleren zum leitenden Management sein Coaching das der tatsächlichen Arbeitspraxis nahekommt oder besser noch die momentane Arbeit wie ein Schatten begleitet wird immer mehr zu einer elementaren Notwendigkeit und eine angemessene Unterstützung für junge Manager im Übergang Dirk Brinkmann Coaching Klient Vice President Digital Experience Arvato Bertelsmann SE Aus dem Inhalt Leadership und Coaching Der Trugschluss nachhaltiger Veränderung Persönliche Businesserfahrung Effektives Coaching Wer braucht einen Coach Die Entwicklung von Beziehung Empathie und Achtsamkeit im Coaching Die Grundlage des Coachings **A Dictionary of Education** Susan Wallace, 2015-01-22 Education is of relevance to everyone but it involves a specialized vocabulary and terminology which may be opaque or unfamiliar to those new to the field This UK focused Dictionary of Education provides clear and concise definitions for over 1 100 terms from A to Z to anyone studying education or working in the field is likely to encounter Coverage includes all sectors of education pre school primary secondary further and higher education special needs adult and continuing education and work based learning It also includes major legislation key figures and organizations and national curriculum and assessment terminology This second edition covers all the contemporary reforms being introduced to revise the school examinations system and to reform the process of initial teacher training in England and Wales Coverage of the vocabulary of education has also been increased and longer and more detailed entries are included for terms relating to disability and inclusive practice such as autistic spectrum disorder attention deficit and dyslexia and to professional development such as mentor Entries regarding projects and initiatives that are now obsolete have been deleted The dictionary features entry level web links accessible and kept up to date via the Dictionary of Education companion website Detailed appendices include a timeline summary of landmark educational legislation since 1945 and a glossary of acronyms In addition there is a useful fully cross referenced section of comparative terms used in the US Canada Australia and South Africa This concise yet
