Modality And The English Modals Longman Linguistics Library:

Modality and the English Modals F.R. Palmer, 2014-02-04 A detailed account of the many uses and functions of these verbs The nature of modality and some controversial issues are also discussed

Modality and the English Modals F.R. Palmer, 2014-02-04 A detailed account of the many uses and functions of these verbs The nature of modality and some controversial issues are also discussed

The Pragmatics of Modals in Shakespeare Minako Nakayasu, 2009 Modals and related phenomena are without doubt one of the most complicated issues in the grammar of language This study provides a reappraisal of the modals in Shakespeare's language from the pragmatic viewpoint both micropragmatic and macropragmatic The material selected for analysis are modals SHALL SHOULD WILL WOULD and their contracted forms Micropragmatic aspects such as speech acts seem relatively easily accessible to historical researchers however this study moves further into the macropragmatic dimensions of language use than the earlier ones and covers politeness dialogue and discourse analysis

Time, Text and Modality Alfred Schopf, 2011-05-03 Die Buchreihe Linguistische Arbeiten hat mit der 500. Bänden zur linguistischen Theoriebildung der letzten Jahrzehnte in Deutschland und international wesentlich beigetragen Die Reihe wird auch weiterhin neue Impulse für die Forschung setzen und die zentrale Einsicht der Sprachwissenschaft präsentieren dass Fortschritt in der Erforschung der menschlichen Sprachen nur durch die enge Verbindung von empirischen und theoretischen Analysen sowohl diachron wie synchron möglich ist Daher laden wir hochwertige linguistische Arbeiten aus allen zentralen Teilgebieten der allgemeinen und einzelsprachlichen Linguistik ein die aktuelle Fragestellungen bearbeiten neue Daten diskutieren und die Theorieentwicklung vorantreiben

Modalverben und Modalität Carlo Milan, 2013-08-08 Das Anliegen der vorliegenden Untersuchung ist es auf der Grundlage der bisherigen Forschung sowie gestützt auf zwei umfangreiche Textkorpora der Gegenwartssprache ein kontrastiv taugliches Modell der Kategorie Modalität zu erarbeiten und es auf die Modalverben des Deutschen und des Italienischen anzuwenden und zwar speziell auf die Sätze mit müssen sollen bzw. dovere die bekanntlich aufgrund ihrer hohen Polysemie besondere Probleme im sekundären Spracherwerb aufwerfen Modalität wird als Ausdruck propositionaler Sprecher-Einstellungen definiert wobei sich die drei grundlegenden propositionalen Einstellungen des Sagens des Glaubens und des Wollens ermitteln lassen die den drei Modalitätsbereichen der Behauptung der Evaluation und der Volition zugrunde liegen Jede einzelne sprachliche Äußerung fällt demnach in einen dieser drei Bereiche Das wichtigste Element einer jeden propositionalen Einstellung ist deren modale Instanz also das was für die Art der modalen Prädikation des im abhängigen Infinitivteil ausgedrückten Sachverhalts verantwortlich ist Je nach der Qualität der jeweiligen modalen Instanz lassen sich innerhalb jedes dieser drei Modalitätsbereiche unterschiedliche Modalitätstypen unterscheiden der subjektiv objektiv epistemische der subjektiv objektiv bewertende der dispositionelle der pragmatische der deontische der dynamische der logisch analytische der berichtende der antizipierende der deliberierende und der eventive Modalitätstyp Die jeweilige funktional semantische

Leistung der einzelnen Modalverben wie auch die jedes weiteren Modaltsausdrucks resultiert schließlich aus der Realisierung einer jeweils spezifischen Klasse von Modalitätstypen

Bedeutung und Gebrauch der deutschen Modalverben Carolin Baumann, 2017-07-10 Die Studie entwirft ein modales Szenario als Modell zur Beschreibung einer einheitlichen lexikalischen Modalverbbedeutung und prft es anhand umfangreicher Korpusdaten Wollen m gen sollen d rfen m ssen und k nnen erscheinen darin als Ausdruck von Situationsbedingungen angeordnet in einem abstrakten Gegen ber aufeinander gerichteter d h intentionaler Instanzen Die charakteristische Lesartvielfalt deren lexemspezifische Ausformung sowie idiosynkratische Verwendungsweisen werden als systematischer Wechsel der Bezugsebene aufgrund lexikalisch angelegter Argumentforderungen einerseits und Interaktion mit strukturverwandten Zeichen andererseits erkl rbar Grammatikalisierter Bezug auf die aktuelle Kommunikationssituation entsteht wo sich die n tigen intentionalen Referenten nicht im Dargestellten finden Damit wechselt auch die Intentionalit tsform der Instanzen im modalen Szenario von Wunsch und Absicht der Dargestellten zu Erfahrung Urteil Face der Kommunizierenden Semantische Interaktion v a mit Tempus und Modus basiert auf verwandten Bedeutungsstrukturen Der Konjunktiv wird in einer neuen Beschreibung als Ausdruck von Alterit t gefasst das Pr teritum bezeichnet Distanz beides sind Merkmale einer szenischen Struktur

Untersuchungen zur mittellenglischen Verbalsyntax Guido Kppers, 1996 Syntactic Variation and Genre Heidrun Dorgeloh, Anja Wanner, 2010-12-20 This volume explores the interplay of syntactic variation and genre How do genres emerge and what is the role of syntax in constituting them Why do certain constructions appear in certain types of text The book takes the concept of genre as a reference point for the description and analysis of morpho syntactic variation and change It includes both overviews of theoretical approaches to the concept of genre and text type in linguistics and studies of specific syntactic phenomena in English German and selected Romance languages Contributions to the volume make use of insights from attempts for text classification and rhetorical views on genre and reach from quantitative corpus based methodology to qualitative text based analyses The types of texts investigated cover spoken highly interactive and written forms of communication including selected genres of computer mediated communication Corpus data come from both synchronic and diachronic linguistic corpora such as LOB Brown FLOB Frown ARCHER and ICE Jamaica This spectrum both in approaches and data is meant to provide a theoretical foundation as well as a realistic view of the inherent complexity of form function relationships in syntax At the same time genre is treated as a category relevant beyond discourse studies consisting of forms and conventions at all levels of linguistic analysis including syntax The book is therefore of interest to linguists and graduate students in the area of syntax discourse analysis and pragmatics as well as to sociolinguists and corpus linguists working on register variation

The English Verb F.R. Palmer, 2014-06-11 A long established and highly regarded account of all aspects of the English verb taking account of recent work on tense phase and aspect and of the author s own research Theoretical discussion is kept to a minimum but the arguments are always presented within a modern theoretical framework

The

progressive in 19th-century English Erik Smitherberg, 2016-08-29 The present volume is an empirical corpus based study of the progressive in 19th century English As the 1800s have been relatively neglected in previous research and as the study is based on a new cross genre corpus focusing on this period CONCE A Corpus of Nineteenth Century English the volume adds significantly to our knowledge of the historical development of the progressive The use of two separate measures enables an accurate account of the frequency development of the progressive which is also related to multi feature multi dimensional analyses Other topics covered include the complexity of progressive verb phrases and the distribution of the construction across linguistic parameters such as clause type Special attention is paid to progressives that express something beyond purely aspectual meaning The results show that the progressive became more fully integrated into English grammar over the 19th century but also that linguistic and extralinguistic parameters affected this integration process for instance the construction was more common in women s than in men s private letters Owing to the wide methodological scope of the study it is of interest to linguists specializing in corpus linguistics language variation and change verbal syntax the progressive or the linguistic expression of aspect either in synchrony or diachrony A Linguistic History of Italian Martin Maiden, 2014-06-11 A Linguistic History of Italian offers a clear and concise explanation of why modern Italian grammar has become the way it is It focuses on the effects of historical changes on the modern structure of Italian revealing patterns and structures which are not always apparent to those who are only familiar with modern Italian Although the book concentrates on the internal history of the language the emergence of Italian is considered against the wider background of the history of Italian dialects and other external factors such as cultural and social influences are also examined **English Linguistics** Collectif d'auteurs, 2001-04-07 **A History of English Negation** Gabriella Mazzon, 2016-09-17 Negation is one of the main functions in human communication A History of English Negation is the first book to analyse English negation over the whole of its documented history using a wide database and accessible terminology After an introductory chapter the book analyses evidence from the whole sample of Old English documents available and from several Middle English and Renaissance documents showing that the range of forms used at any single stage is wider and the pace of their change considerably faster than previously commonly assumed The book moves on to review current formalised accounts of the situation in Modern English tracing the changes in rules for expressing negation that have intervened since the earliest documented history of the language Since the standard is only one variety of a language it also surveys the means of negation used in some non standard and dialectal varieties of English The book concludes with a look at relatively recently born languages such as Pidgins and Creoles to investigate the degree of naturalness of the principles that rule the expression of English negation **Introduction to Bilingualism** Charlotte Hoffmann, 2014-09-25 An Introduction to Bilingualism provides a comprehensive review of the most important aspects of individual and societal bilingualism examining both theoretical and practical issues At the level of the individual it addresses such questions as What is involved in the study of

bilingual children What are the patterns of bilingual language acquisition In which ways do the language competence and the speech of bilinguals differ from those of monolinguals Topics that sometimes arouse controversy are explored such as the question of whether there is a relationship between bilingualism and a child's cognitive psychological and social development The book is also concerned with multilingualism that is bilingualism as a societal phenomenon It focuses on such issues as language choice in bilingual and multilingual communities national identity and the education of bilinguals The inclusion of several case studies of European linguistic minorities serves to exemplify the topics dealt with at the theoretical level and to illustrate the linguistic complexities found in contemporary Europe

History of Linguistics, Volume IV Anna Morpurgo Davies, Giulio C. Lepschy, 2016-04-15 The History of Linguistics to be published in five volumes aims to provide the reader with an authoritative and comprehensive account of the attitudes to language prevailing in different civilizations and in different periods by examining the very varied development of linguistic thought in the specific social cultural and religious contexts involved Issues discussed include the place of language in education variation and prestige and approaches to lexical and grammatical description The authors of the individual chapters are specialists who have analysed the primary sources and produced original syntheses by exploring the linguistic interests and assumptions of particular cultures in their own terms without seeking to reinterpret them as contributions towards the development of contemporary western conceptions of linguistic science In Volume IV Nineteenth Century Linguistics Anna Morpurgo Davies shows how linguistics came into its own as an independent discipline separated from philosophical and literary studies and enjoyed a unique intellectual and institutional success tied to the research ethos of the new universities until it became a model for other humanistic subjects which aimed at scientific status The linguistics of the nineteenth century abandons earlier theoretical discussions in favour of a more empirical and historical approach using new methods to compare languages and to investigate their history The great achievement of this period is the demonstration that languages such as Sanskrit Latin and English are related and derive from a parent language which is not attested but can be reconstructed This book discusses in detail the theories developed and the individual findings obtained In contrast with earlier historiographical trends it denies that the new approach originated entirely from German Romanticism and highlights a form of continuity with the eighteenth century while stressing that a deliberate break took place round the 1830s By the end of the century the results of comparative and historical linguistics had been generally accepted but it soon became clear that a historical approach could not by itself solve all questions that it raised At this point the new interest in description and theory which characterizes the twentieth century began to gain prominence

Generative and Non-Linear Phonology Jacques Durand, 2014-09-25 Generative phonology is a developing field of linguistics and is producing both rival interpretations and models This book provides a clear and accessible evaluation of the debate It provides a detailed overview of the main models revealing that they are often complementary rather than contradictory and how these can be interconnect and be used together to explore

the subject Frontiers of Phonology Jacques Durand, Francis Katamba, 2014-09-25 *Frontiers of Phonology* is a collection of essays that present a selective overview of trends in the linguistic analysis of sound structure. The essays are written by specialists from Europe, Canada, and the USA and discuss issues from three broad areas of phonology: the nature and representation of phonological features, the role and structure of the skeletal tier and syllable structure, and the competing claims of derivational and declarative approaches to phonology. The book provides a forum for lively discussion of important theoretical topics from various standpoints, including metrical and autosegmental phonology, dependency phonology, and declarative phonology. The contributors, who are protagonists of these different standpoints, compare notes and show the merits of their different approaches. The essays discussing derivational issues offer an excellent introduction to the area of constraints-based phonology, and by covering the phonology of many languages, the book provides an understanding of how human languages in general use sound.

Categorial Grammar and Word-Formation: The De-adjectival Abstract Noun in English Karl Reichl, 2017-11-07 No detailed description available for *Categorial Grammar and Word Formation: The De-adjectival Abstract Noun in English*.

The forms and functions of modal verbs in sections of the English tourism research articles Domínguez Morales, María Elena, 2023-03-15 The tourism research article (RA) has not been the focus of many studies. This volume offers a description of the genre in terms of section, besides an analysis of the most used language features in each section of the RA. Among these are the presence of modal verbs. Precisely the goal of this work is to describe their use, meaning, and functions in a corpus of the introduction and conclusion sections of the RA in tourist studies. The compilations included texts from leading journals in the area. The method of inquiry includes corpus linguistics tools to analyze texts as well as specific examples to show how these forms behave in the RAs. The analysis of context is also essential in order to identify the exact meanings of modal verbs, and for that reason, visual inspection of each sample is mandatory. The discussion of the evidence obtained is accounted for by studies in the domain of functional linguistics. The conclusions show that formal variation exists in the introduction and the conclusion sections. This also applies to their meanings. Dynamic modality is attested to be more recurrent in the introductions, and epistemic modality is preferred in the concluding sections. The functions performed by these modals are varied to feature interpersonal and textual cues in the elaboration of meaning in the RA. Esta obra no tiene formato impreso y su descarga es libre sin DRM.

Pidgin and Creole Languages Suzanne Romaine, 2017-09-08 This book defines and describes the linguistic features of these languages and considers the dynamic developments that bring them into being and lead to changes in their structure.

Uncover the mysteries within Crafted by is enigmatic creation, Embark on a Mystery with **Modality And The English Modals Longman Linguistics Library** . Modality And The English Modals Longman Linguistics Library Introduction

Modality And The English Modals Longman Linguistics Library Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Modality And The English Modals Longman Linguistics Library Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Modality And The English Modals Longman Linguistics Library : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Modality And The English Modals Longman Linguistics Library : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Modality And The English Modals Longman Linguistics Library Offers a diverse range of free eBooks across various genres. Modality And The English Modals Longman Linguistics Library Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Modality And The English Modals Longman Linguistics Library Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Modality And The English Modals Longman Linguistics Library, especially related to Modality And The English Modals Longman Linguistics Library, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Modality And The English Modals Longman Linguistics Library, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Modality And The English Modals Longman Linguistics Library books or magazines might include. Look for these in online stores or libraries. Remember that while Modality And The English Modals Longman Linguistics Library, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Modality And The English Modals Longman Linguistics Library eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Modality And The English Modals Longman Linguistics Library full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-

based access to a wide range of Modality And The English Modals Longman Linguistics Library eBooks, including some popular titles.

FAQs About Modality And The English Modals Longman Linguistics Library Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Modality And The English Modals Longman Linguistics Library is one of the best book in our library for free trial. We provide copy of Modality And The English Modals Longman Linguistics Library in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Modality And The English Modals Longman Linguistics Library. Where to download Modality And The English Modals Longman Linguistics Library online for free? Are you looking for Modality And The English Modals Longman Linguistics Library PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Modality And The English Modals Longman Linguistics Library. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Modality And The English Modals Longman Linguistics Library are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Modality And The English Modals Longman Linguistics Library. So depending on what exactly you are

searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Modality And The English Modals Longman Linguistics Library To get started finding Modality And The English Modals Longman Linguistics Library, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Modality And The English Modals Longman Linguistics Library So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Modality And The English Modals Longman Linguistics Library. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Modality And The English Modals Longman Linguistics Library, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Modality And The English Modals Longman Linguistics Library is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Modality And The English Modals Longman Linguistics Library is universally compatible with any devices to read.
