Descriptosaurus Story Writing

Alison Wilcox,Adam Bushnell,2020-11-29 Descriptosaurus Story Writing provides a resource for younger pupils that will not only expand their descriptive vocabulary

but also provide them with models that demonstrate language in action in a genre that is popular and familiar to children aged 5-9. Providing the essential building blocks to create a narrative text alongside contextualised banks of vocabulary phrases and sentence types, this book is designed to provide young pupils with the opportunity to see how a text is constructed using words, phrases and sentences. This exciting new resource provides vocabulary for setting, character, show, not tell and sensory descriptions with clearly defined progression. Demonstrates how to use this vocabulary in different contexts using set sentence structures. Offers four model narratives written in different styles and level of difficulty. Presents modelled sentences with exercises so that pupils can expand their vocabulary. Enables young pupils to develop their understanding of how sentences are constructed and become more confident about using these skills in their own story writing. This is an ideal resource to dramatically improve children's knowledge and understanding of language, grammar and punctuation for all KS1 and KS2 primary English teachers, literacy coordinators and parents. This easily accessible guide will also be helpful for teachers to use in preparation for Spelling, Punctuation and Grammar (SPaG) alongside a creative writing task.

Descriptosaurus Alison Wilcox, 2016. Descriptosaurus Action Adventure builds on the vocabulary and descriptive phrases introduced in the original bestselling Descriptosaurus and within the context of adventure stories develops the structure and use of the words and phrases to promote colourful cinematic writing. This essential guide will enable children to take their writing to the next level, combine their descriptions of setting and character and show how the two interact. Children can then experiment with their own adventure stories armed with the skills, techniques and vocabulary necessary to describe their action scenes in a way that allows the reader to feel the characters' fear and excitement and visualise the action within the setting. This new system also provides a contextualised alternative to grammar textbooks and will assist children in acquiring understanding and applying the grammar they will need to improve their writing, both creative and technical.
