Ehrhardt,2015-01-30 The ugly duckling is a swan Thus ends the fairy tale of The Ugly Duckling by Hans Christian Andersen However until that beautiful day when it met its fellow swans the little bird had to go through some tough times And the ugly duckling is not the only protagonist that faced difficult moments before seeing a happy ending There are countless fairy tales such as Cinderella and Haensel and Gretel just to name a few Rags to riches plots have been used by leaders and societies at all times throughout history to recount their own stories Interestingly turn around stories have gained more and more scientific interest also in marketing entrepreneurship and most recently even as a leadership tool Apparently we seem to like protagonists which successfully make their way through troubled times But why Is it because they might inspire or encourage us and give us hope for a good ending Or is there anything else we can learn from the ugly duckling Cinderella and their fellow protagonists To that end the four short essays in the present book examine foundations features and actual applications of turn around stories in various areas The central aim of all of this is that turnaround stories may give entrepreneurs and leaders hope but also advice so that they after all kinds of challenges and crises in their own lives may eventually come to experience that the ugly duckling is a swan **PENGAMBILAN KEPUTUSAN dan KEPEMIMPINAN**
