generations Their chapters challenge us to think about the intergenerational dynamics of our churches the crucial partnership between church and parents and what it means to involve young people meaningfully in the life of the church The intriguing topics explored by this group of authors and the diverse contexts from which they write promise to broaden and enrich our thinking about caring for children youth and young adults as a vital responsibility shared by the entire congregation

for Jesus **Living Dangerously** Shawn D. Anderson, 2010-02-01 Too often Christ followers are content to live inside the church walls with other Christians Jesus calls us to shatter our comfort zones and dangerously share the love we have found in him with people whose lives are characterized by brokenness self sufficiency emotional poverty and rejection Discipleship is the process of intentionally and thoughtfully introducing the grace of Jesus to these people so that their hearts will bulge with love their souls will brim with life and their faces will brighten with light as they come to intimately know him How is this accomplished In these pages unbelievers who became disciples of Christ reveal what factors influenced them to follow Jesus The research revealed that discipling is an intentional process that is most effective when our lives reflect the character of Jesus The author explains discipleship as a relational process that can be understood and effectively accomplished by virtually any follower of Jesus **Magnificent Surrender** Roger Helland, 2012-01-25 God s kingdom is our true home but we ve picked up a habit of resisting it And when finally we do fall in most of us find we ve survived so long outside his kingdom that we ve lost all instinct for thriving in it That s where Roger Helland meets us Roger has thought long and studied hard on these matters He has pondered deeply what it means to be fully alive in Christ and for Christ and he s tested his insights in classrooms in churches with denominations but mostly in his own life In Magnificent Surrender he s distilled what he s learned into a field guide for kingdom living But Roger draws from an even deeper source His book derives its force and depth from Paul s letter to the Colossians Indeed Magnificent Surrender is an extended pastoral reflection on and application of that letter Colossians in four brief chapters presents the glory of Jesus Christ and the glory of a life wholly submitted to him It is a manifesto of the rich life Magnificent Surrender heralds that brilliantly It s a wise loving and sometimes stern invitation to read Colossians again with fresh eyes and fierce resolve It s also a challenge to take to heart its promise and its exhortation that we can and must live in through with and for Christ who is all and in all supreme and sufficient Mark Buchanan from the Foreword **The Disciple-Making Pastor** Bill Hull, 2007-10-01 Christ commanded the church to make disciples to produce people who love and obey God bear fruit and live with joy The crisis at the heart of the church is that we often pay lip service to making disciples but we seldom put much effort behind doing it For the pastor who is ready to put words into action The Disciple Making Pastor offers the inspiration and practical know how to do so Bill Hull shows pastors the obstacles they will face what disciples really look like the pastor s role in producing them and the practices that lead to positive change He also offers a six step coaching process to help new disciples grow in commitment and obedience and practical ideas to integrate disciple making into the fabric of the church **Fulfilling the Great Commission** Nathan A. Finn, Keith S.
