buy raw materials equipment and headdresses These funds also covered sundry items such as the epaulettes of the adjutant sous officiers lace for rank stripes service chevrons musicians and drummers lace plumes and pompoms such is the remarkable level of detail these records contain These invaluable sources provide bias free empirical data from which we can reconstruct the life story of a regiment its officers and above all its clothing In addition to the official records the author has constructed how the regiments were dressed from diaries letters and even cases of fraud As well as providing the recorded details this book shows in scores of beautiful illustrations exactly how each regiment appeared These images include period paintings as well as works specifically commissioned for this book plus unique photographs of existing items of uniform Now for the first time since the days of Napoleon we can say exactly what was worn by Napoleon s cavalry **Catalog of**
