

# FAREWELL SPEECH FOR TEACHERS

Good Afternoon, Honorable Principal, all respected teacher and my fellow students.

I feel much honored while giving this Farewell Speech.

Today we all have come here for the farewell to our respected teacher.

Those who are going to retire today after many years of active service. Today I realized how quickly the time runs-off.

I am happy to say that we got to learn a lot from our teacher, which is going to be of great use in the future, thank you for all their efforts and hard work.

Of course, I know how difficult it is to say goodbye to someone who cared less like our teacher and more like a father. All of us should express our gratitude for this heartbreaking work of the school.

He spent his 35 years educating the students. There is no doubt in my mind saying that he is a skilled, open-minded, generous, knowledgeable, humble, courageous, responsible, and highly respected teacher.

I remember that whenever we students were facing any challenge, he was always standing with us. Thank you for making education easy and enjoyable.

While in school, he was an outstanding teacher and committed to promoting excellence in education, whenever we students were in any trouble, you were always ready to help us.

Your extraordinary qualities have always inspired us. All the memories associated with you will always be in our heart.

I remember that due to his hard work we participated in many competitions, where we won medals and trophies for the school.

We are proud of all your achievements; you have always inspired us to think big. Thank you for teaching your subjects with enthusiasm.

If we students have ever intentionally or unknowingly hurt your feelings, then we want to apologize to you.

I pray that we students can use the knowledge and skills gained by you in building a good and healthy nation.
