Emily St. Aubert suffered the loss of her mother early in life and formed a tight bond with her father amidst their grief. Yet when further tragedy strikes and her father also passes away, she is placed into the care of her aunt. Her new guardian shows Emily little affection, and her marriage to an Italian brigand results in the small family moving to an eerie, crumbling castle. As seemingly supernatural events haunt the young girl's life, she begins to unravel a long string of secrets and schemes. This volume is part of the Mothers of the Macabre series, celebrating the gothic horror masterpieces of pioneering women writers who played a pivotal role in shaping and advancing the genre. First published in 1794, *The Mysteries of Udolpho* is Radcliffe's most popular novel and is commonly referred to as the archetypal gothic novel. The captivating tale has influenced many well-known works and is prominently featured in Jane Austen's *Northanger Abbey* (1817). This volume is not to be missed by fans of horror classics. **Essential Novelists - Ann Radcliffe** Ann Radcliffe, August Nemo, 2020-05-08 Welcome to the Essential Novelists book series where we present to you the best works of remarkable authors. For this book, the literary critic August Nemo has chosen the two most important and meaningful novels of Ann Radcliffe, which are *The Castles of Athlin and Dunbayne* and *A Sicilian Romance*. Ann Radcliffe was one of the most representative of English Gothic novelists. She stands apart in her ability to infuse scenes of terror and suspense with an aura of romantic sensibility. There is little physical horror in Radcliffe's tales of terror, and elements that seem to be supernatural are usually found to have some rather disappointing natural explanation. Her characterization is usually weak, her historical insight is almost nonexistent, and her stories abound in anachronisms and impossibilities. But Radcliffe's admirers cared as little for realism or accuracy as she did. They reveled in

her romanticized views of nature her intimations of evil and her prolonged scenes of suspense Novels selected for this book
The Castles of Athlin and Dunbayne A Sicilian Romance This is one of many books in the series Essential Novelists If you liked this book look for the other titles in the series we are sure you will like some of the authors [Graceful Waters](#) Verda Foster, B. L. Miller, 2004-09 When tough instructor Joanna Carey meets angry and disillusioned Grace Waters neither is prepared for what comes next Grace meets her match in Carey the strong and disciplined woman who is determined to help Grace help herself **Gloria's Inn** Robin Alexander, 2004 After inheriting half of an inn on a secluded island in the Bahamas Hayden Tate and her unusual new business partner suddenly find themselves at the center of a murder investigation
