Essentials of Sociology George Ritzer, 2015-12-10 Join the conversation with one of sociology's best known thinkers Essentials of Sociology Second Edition adapted from George Ritzer's Introduction to Sociology Third Edition provides the same rock solid foundation in a shorter and more streamlined format Like the original Ritzer text Essentials of Sociology illuminates traditional sociological concepts and theories and focuses on some of the most compelling contemporary social phenomena globalization consumer culture the Internet and the McDonaldization of society As technology flattens the globe students are challenged to apply a sociological perspective to their world and to see how public sociologists are engaging with the critical issues of today

Modern Sociological Theory George Ritzer, Jeffrey Stepnisky, 2017-01-23 Now with SAGE Publishing and co authored by one of the foremost authorities on sociological theory the Eighth Edition of Modern Sociological Theory by George Ritzer and Jeffrey Stepnisky provides a comprehensive overview of the major theorists and theoretical schools from the Structural Functionalism of early 20th century through the cutting edge theories of the late 20th and early 21st centuries The integration of key theories with biographical sketches of theorists and the requisite historical and intellectual context helps students to better understand the original works of contemporary thinkers New to this Edition A new chapter focuses theories of race racism and colonialism as well as theories about indigenous peoples and theories from the Global South that

challenge the work of scholars from Europe and North America New material on colonialization classical women theorists and race as well as new timelines in history chapters The chapter on Symbolic Interactionism now discusses work on the sociology of emotions The concluding chapter now discusses affect theory and theories of presumption one of the newest developments in consumer theory The chapter on Contemporary Theories of Modernity includes new section on the work of Charles Taylor New perspectives on the work of Immanuel Wallerstein have been added to the chapter on Neo Marxian theories The opening historical sketch chapters now include a discussion of colonialism as one of the forces that shaped modern society new material on the historical significance of early women founders and a section on theories of race

Transformation of Love Elif Güvendi Yalçın,2022-11-03 Romances date back to the creation of stories Although the definition of the genre has changed in time from the Ancient Greeks to the Bildungsromans to the 19th century and today s courtship novels both scholarship and widely held attitudes towards romance has remained fixedly and prioritized only the universality unoriginality and continuity of romance fiction instead of its sociocultural effect of promoting positive ideals like female empowerment The portrayal of women in social roles has been in a state of constant change including their relationship with and relation to men This book explores only medieval historical romance fictions and their changes through the course of the time I examine three medieval romances content Walter Scott s Ivanhoe 1920 Kathleen Woodowiss The Wolf and the Dove 1974 and Amanda Quick s Mystique 1995 written in different time periods based on content analysis using Anthony Giddens s 1992 theories of intimacy In addition it will address romance novels views about sex gender and love roles

Global Political Economy Theodore H. Cohn,2015-08-07 Praised for its authoritative coverage Global Political Economy places the study of IPE in its broadest theoretical context This text not only helps students understand the fundamentals of how the global economy works but also encourages them to use theory to more fully grasp the connections between key issue areas like trade and development Written by a leading IPE scholar Global Political Economy equally emphasizes theory and practice to provide a framework for analyzing current events and long term developments in the global economy **Value Making in International Economic Law and Regulation** Donatella Alessandrini,2016-01-29 This book examines the contemporary production of economic value in today s financial economies Much of the regulatory response to the global financial crisis has been based on the assumption that curbing the speculative excesses of the financial sphere is a necessary and sufficient condition for restoring a healthy economic system endowed with real values as distinct from those produced by financial markets How though can the intrinsic value of goods and services produced in the sphere of the so called real economy be disentangled from the artificial value engineered within the financial sphere Examining current projects of international legal regulation this book questions the regulation of the financial sphere insofar as its excesses are juxtaposed to some notion of economic normality Given the problem of neatly distinguishing these domains and so more generally between economy and society and production and social reproduction it considers the limits of our current conceptualization

of value production and measurement with specific reference to arrangements in the areas of finance trade and labour Drawing on a range of innovative work in the social sciences and attentive to the spatial and temporal connections that make the global economy as well as the racial gender and class articulations of the social reproductive field within it it further asks what alternative arrangements might be able to affect and indeed alter the value making processes that underlie our current international regulatory framework

Decision-Making Vincent Icheku, BSc (Hons), PGCE, PGDi,2011 This book has been about ethics and ethical decision making As ethical reflection permeates every decision made in practice the book discussed the importance of developing moral reasoning ability which is crucial for handling ethical dilemma and making ethical decisions in nursing and social work practice The book encouraged the use of models as another form of ethical decision making paradigms The book used discussions based on case studies to illustrate how ethics inform practice and allow one to make decisions that are morally justifiable This book will enable our students to gain a step by step approach to the knowledge and application of Ethics to practice The book drew from the work of many scholars and designed a simple model to help students gain the knowledge of ethical analysis and decision making Vidal Johnson Senior Lecturer in Law and Ethics London South Bank University I was impressed by the way this author consistently addressed both social work and nursing ethical issues highlighting the importance of ethics and application in nursing and social work practice Michelle Evans Senior lecturer in Learning Disability Mental Health and Social Work London South Bank University Most other published books on nursing and social work ethics are often laden with theories and principles This book offers an excellent contribution to the understanding of the relationship between learning ethical theories and principles and their practice applications Jude C Ibe Principal lecturer in Dept of Family Care and Mental Health University of Greenwich London

The #MeToo Movement in Iran

Claudia Yaghoobi,2023-08-24 The Iranian MeToo movement was a crucial form of resistance with ordinary Iranian women sharing their experiences of sexual harassment and assault in the public sphere of digital media This is the first book of its kind providing a comprehensive analysis of the Iranian MeToo movement Based on archival empirical ethnographic literary and

cultural research the contributors discuss the abuse of women and society's responses to it Contextualizing the historical framework of Iranian MeToo activism within larger Iranian feminist movements as well as the historical background within the context of Middle East the contributors address how the privileged position of men who have been outed as rapists helps them to aggregate social political sexual and economic capital through various networks in order to delegitimize the narratives of survivors The volume also covers the intersections of various systems of oppression specifically highlighting marginalized voices The contributors highlight the power dynamics within digital feminist networks in Iran and its unique attributes due to political social and religious structures The volume ends with a chapter focusing on cultural productions specifically cinematic works through which some filmmakers have challenged normalizations of sexual harassment by offering alternative discourses which have arguably paved the way for the MeToo in Iran movement
