Feng Shui for Wellness and Wealth James Adler, 2014-07-24 Feng Shui Made Easy Create Your Own Success There is a prevalent belief that Feng Shui is something that only rich people can practice; another belief that is promoted by many other experts. In fact, anybody can practice Feng Shui if they understand its basic principles. You don't need to buy any expensive cures or other special equipment to practice Feng Shui in your home. Here is a preview of what you'll learn from Feng Shui for Wellness and Wealth: The Simple Rules of Feng Shui that can be applied inexpensively and even if you live in a small apartment; Feng Shui Tricks for your office; stay focused and attract abundance; How to attract health and vital energy for you and your loved ones; How to use Feng Shui to bring overall Wellness; The most common mistakes that we make with Feng Shui; How to rearrange your bedroom to attract love and sexual vitality; How to create positive energy around you and let it work for you. Much, much more. Ever since I discovered Feng Shui, I have managed to actually use it to improve my life in many ways. For example, since I used the principles of Feng Shui to rearrange the environment of my home and office, I have felt lighter and more positive. This has allowed me to become more productive and earn more. And of course, I have more fun since my living environment has become more positive. It is well known and accepted in the East that the way a particular environment is set up can affect the way that people within it feel and even act. In the West, however, this belief is often dismissed as superstition. After all, how can interior decoration have an effect on people? But this belief has become increasingly validated by research. For example, it has become widely accepted that the primary color scheme of a room has an effect on the mood of people inside it. My dear Friend and Reader, I hope that my book will inspire you in certain way and that Feng Shui will help you achieve the balance you need. Tags: Wellness and Feng Shui
