Fifty Great Short Stories Milton Crane:

50 Great Short Stories Milton Crane, 1983-08 World's finest short stories collected and edited for this special edition. Included are Jackson's The Lottery, Poe's Masque of the Red Death, Thurber's Catbird Seat, and Wells' Man Who Could Work Miracles. **50 Great American Short Stories** Milton Crane, 1983 **50 (FIFTY) GREAT SHORT STORIES. ED.: MILTON CRANE.**, 1971 **Mansfield Park** Jane Austen, 2008-01-29 At the center of Jane Austen's *Mansfield Park* is Fanny Price, the classic poor cousin who has been brought to live with the rich Sir Thomas Bertram and his wife as an act of charity. Over time, Fanny comes to demonstrate forcibly those virtues Austen most admired: modesty, firm principles, and a loving heart. As Fanny watches her cousins Maria and Julia cast aside their scruples in dangerous flirtations and worse, and as she herself resolutely resists the advantages of marriage to the fascinating but morally unsteady Henry Crawford, her seeming austerity grows in appeal and makes clear why she was Austen's own favorite among her heroines. *Mansfield Park* encompasses not only Austen's great comedic gifts and her genius as a historian of the human animal, but her personal credo as well: her faith in a social order that combats chaos through civil grace, decency, and wit. With an introduction by Peter Conrad. *Less is More* Kimberly Campbell, 2007 *Less Is More* is full of powerful ideas for teaching with short, provocative text. This book broadens and extends our available teaching tools and materials and can help engage all students. It is a valuable resource for language arts teachers. Cris Tovani: Language arts teachers want all of their students to love literature and embrace the novels they assign. The classroom reality is that many students are not ready or motivated to immerse themselves in an entire novel. In order to reach and engage all students, teachers need to look beyond novels alone and embrace a richer variety of literature. In *Less Is More*, Kimberly Hill Campbell draws on research as well as her own classroom experiences to show how short texts engage a wide range of middle and high school students. She shares her discovery of the power of short texts to support her students' skills as readers, writers, and students of literature. Kimberly shows how short texts can be integrated into the curriculum without sacrificing required novels. Chapters examine different genres of short text, such as short stories, essays, memoir, and graphic novels. Each chapter provides reading, writing, and response strategies as well as a broad selection of short text resources that have proven effective with a wide range of students. **The Return of the Native** Thomas Hardy, 2008-08-26 This fine novel sets in opposition two of Thomas Hardy's most unforgettable creations: his heroine, the sensuous, free-spirited Eustacia Vye, and the solemn, majestic stretch of upland in Dorsetshire he called Egdon Heath. The famous opening reveals the haunting power of that dark, forbidding moor where proud Eustacia fervently awaits a clandestine meeting with her lover, Damon Wildeve. But Eustacia's dreams of escape are not to be realized: neither Wildeve nor the returning native Clym Yeobright can bring her salvation. Injured by forces beyond their control, Hardy's characters struggle vainly in the net of destiny. In the end, only the face of the lonely heath remains untouched by fate. In this masterpiece of tragic passion, a tale that perfectly epitomizes the author's own unique and

melancholy genius **The Living Church** ,1955 *The Literature Lover's Book of Lists* Judie L. H. Strouf,1999-09-15

Beyond the Five Paragraph Essay Kimberly Campbell,Kristi Latimer,2023-10-10 Love it or hate it the five paragraph essay is perhaps the most frequently taught form of writing in classrooms of yesterday and today But have you ever actually seen five paragraph essays outside of school walls Have you ever found it in business writing journalism nonfiction or any other genres that exist in the real world Kimberly Hill Campbell and Kristi Latimer reviewed the research on the effectiveness of the form as a teaching tool and discovered that the research does not support the five paragraph formula In fact research shows that the formula restricts creativity emphasizes structure rather than content does not improve standardized test scores inadequately prepares students for college writing and results in vapid writing In *Beyond the Five Paragraph Essay* Kimberly and Kristi show you how to reclaim the literary essay and create a program that encourages thoughtful writing in response to literature They provide numerous strategies that stimulate student thinking value unique insight and encourage lively personal writing including the following Close reading which is the basis for writing about literature Low stakes writing options that support students thinking as they read Collaboration in support of discussion debate and organizational structures that support writing as exploration A focus on students writing process as foundational to content development and structure The use of model texts to write in the form of the literature students are reading and analyzing The goal of reading and writing about literature is to push and challenge our students thinking We want students to know that their writing can convey something important a unique view to share defend prove delight discover and inspire If we want our students to be more engaged skilled writers we need to move beyond the five paragraph essay Ralph Waldo Emerson Ralph Waldo Emerson,2006-12-26 A new wide ranging selection of Ralph Waldo Emerson s most influential writings this edition captures the essence of American Transcendentalism and illustrates the breadth of one of America s greatest philosophers and poets The writings featured here show Emerson as a protester against social conformity a lover of nature an activist for the rights of women and slaves and a poet of great sensitivity As explored in this volume Emersonian thought is a unique blend of belief in individual freedom and in humility before the power of nature I become a transparent eyeball
