Building the High-Performance Finance Function de Waal, André, Bilstra, Eelco, Bootsman, Jacques, 2022-02-11. The finance function can be regarded as the spider in the organizational web as it has relations with every part of the organization and is also represented on the executive board. Therefore, it is of utmost importance that this function takes the lead by quickly transforming itself into a high performance finance function (HPFF) serving as a role model for other functions in the organization. Building the High Performance Finance Function describes the development of the high performance finance function HPFF framework and explores the experiences, lessons learned, and results achieved by finance functions that have transformed themselves into HPFFs or high performance finance functions using the HPFF framework. Covering a range of topics such as excellence in finance and high performance organizations, it is ideal for industry professionals, teachers, researchers, academicians, practitioners, and students.
