Ich bekenne Rob Halford, 2021-03-15 Rob Halford ist der legendäre Sänger von Judas Priest einer der erfolgreichsten Heavy Metal Bands aller Zeiten. Über 50 Millionen verkaufte Alben und unzählige Awards sprechen eine klare Sprache. Halfords Geschichte ist darüber hinaus außergewöhnlich. Er war der erste Sänger der sich in der Machowelt des Heavy Metal zu seiner Homosexualität bekannte. Jahrzehntlang hatte er seine Neigung geheim gehalten und war darüber depressiv und drogenabhängig geworden. Dies ist sein Bekenntnis.

My Favorite Records Daniel Braun, 2019-04-11 There are hundreds of records that I have loved over the course of my life Some of these records have faded into the depths of my subconscious Fortunately most of them have stayed with me year after year remaining fresh in my memory alive in my heart I compiled my first Favorites List in 1983 and it contained about 600 recordings Most of the records on the original list are still there today My current list consists of about 900 recordings And the list is still growing as I continue to be introduced to more music You may be familiar with Rolling Stone's 2004 cover story The 500 Greatest Songs of All Time This is certainly a comprehensive compendium on the subject so why should I bother writing this book Because I'm taking a different approach a personal approach There's a difference between the greatest songs as determined by professional music critics and someone's favorite records I'm not a music critic or a musicologist I'm just a guy who loves good music Nonetheless I believe my opinions have value because of the strong connection I have with each record The primary purpose of this book is to draw us together using our favorite music as the catalyst In the process of getting to know someone a commonly asked question is What kind of music do you like His or her answer usually reveals something about their personality Not only will you learn what my favorite records are you will learn about me why I like these songs and how I came to discover them I'm hoping to create conversations not only between you and I but between all American music lovers Thousands upon thousands of songs have been recorded over the past 60 years I've been an avid listener for most of my life but there are still a lot of hidden treasures out there I'd love to find I'm hoping you by sharing your favorites with me will help me to find them I'm also hoping that I will inspire you to listen to some of my favorites There is a treasure trove of great music out waiting to be enjoyed

Woodstock FAQ Thomas E. Harkins,2019-08-15 Thomas Edward Harkin s Woodstock FAQ All That s Left to Know About the Fabled Garden cuts through the lofty rhetoric and mythology surrounding the legendary festival Rather than waxing philosophical about whether or not the Woodstock Music Art Fair was the defining moment of the 1960s as so many have done before Harkins places the focus on the music solo artists and bands who performed Thirty two acts took to the stage in Bethel New York that weekend and the book gives the performers and the music their due consideration Who were they Where did they come from What songs did they play What happened to them afterward How did the festival impact their careers Those are the questions explored in these pages Further the book attempts to restore the chronological arc of the festival from concept to concert to its aftermath and enduring legacy Drawing on his experiences as a media scholar Harkins ponders how the album releases and Michael Wadleigh s Academy Award winning 1970 film Woodstock helped shape the narrative of the festival and in the bargain distort people s memories of the actual event
