Female Amerindians in Early Modern Spanish Theater Gladys Robalino,2014-08-20 Female Amerindians in Early Modern Spanish Theater is a collection of essays that focuses on the female Amerindian characters in comedias based on the discovery exploration and conquest of America This book emerges as a response to the limited number of studies that focus on these characters and more importantly on the function of these characters as theatrical artifacts within conquest plays Conquest plays are about a handful their heroes are the European male conquerors yet the Amerindian has attracted attention from critics for the value as constructs of cultural discourse We see this character the theatrical Indian as a construct an instrument in many ways a spectacular artifact of the baroque *tramoya* which emerges from the conversion point of the Counterreformation ideology It has been our purpose here to advance the study of these characters by adding a gender perspective Therefore while sociological and cultural studies are still a fundamental part of the theoretical framework of this project we use feminism as a critical matrix in our inquiries Amerindian female characters stand apart from male Amerindians and Spanish women in dramas which we believe make them worthy of individual attention The articles in this collection delineate different representations of Amerindian women and as a whole this book contributes to a better understanding of the dramatic use of these characters

Writing for the Eyes in the Spanish Golden Age Frederick A. De Armas,2004 Although the very notion of writing for the eyes was not new to the Spanish Golden Age its ubiquitous presence during this period calls for rethinking of the traditional separation between the visual and the verbal in studies of Iberian culture This collection of essays seeks to open up this complex interdisciplinary field of study by including essays on many aspects of visual writing in sixteenth and seventeenth century Spain Jacket

**Women's Narrative and Film**

**in 20th Century Spain** Kathleen Glenn, 2017-09-25 *Women's Narrative and Film in 20th Century Spain* examines the development of the feminine cultural tradition in Spain and how this tradition reshaped and defined a Spanish national identity. Each chapter focuses on representation of autobiography, alienation and exile, marginality, race, eroticism, political activism and feminism within the ever-changing nationalisms in different regions of Spain. The book describes how concepts of gender and difference shaped the individual, collective and national identities of Spanish women and significantly modified the meaning and representation of female sexuality.

*The Psyche as Interaction: Electromagnetic Patterns of Conscious Energy* Manya J. Long, 2014-06-13 *The Psyche as Interaction* begins as a journey to explain one person's paranormal experiences. Manya Long looks closely at the fields of mathematics, physics, psychology, music, religion, neurophysiology and parapsychology. Along the way she finds many things connecting each of these fields together. Her intention when she began was merely to answer questions about her own unique experiences. However, she quickly realized what she was looking at had the potential to change the way we all view the world. This book explains her journey, findings and the conclusions she came to.
