Discovery Driven Growth A Breakthrough Process To Reduce Risk And Seize Opportunity:

Discovery-Driven Growth Rita Gunther McGrath, Ian C. Macmillan, 2009-03-16 You've been charged with growing your business. Incremental growth can no longer deliver the results you need. You need truly dynamic growth and you need to achieve it without risking a hugely expensive gamble. How can you encourage innovative new ventures and pursue ambitious growth while minimizing risk? In *Discovery Driven Growth*, authors McGrath and MacMillan show how companies can plan and pursue an aggressive growth agenda with confidence. By carefully framing their strategic growth opportunities, testing each project assumption against a series of checkpoints, and creating a culture that acts on evidence and learning instead of blind stumbling, companies can better control their costs, minimize surprises, and know when to disengage from questionable projects before it's too late. Providing tools that will help you select and better assess the potential of any strategic venture, from new product lines to entirely new businesses, the authors outline a comprehensive process that lets you identify, manage, and leverage your company's full portfolio of opportunities. By reducing up-front costs and eliminating unnecessary risks, you'll be able to avoid missteps and explore more options to create the breakthrough growth that your business requires.

Discovery-driven Growth Rita Gunther McGrath, Ian C. MacMillan, 2009 Based on extensive research and the authors' combined thirty years of experience, *Discovery Driven Growth* provides a breakthrough system for managing strategic growth. You will learn how to identify and prioritize your company's full portfolio of opportunities from new product lines to entirely new businesses. The authors then show how to best execute specific initiatives, test major project assumptions, and develop a culture that values disciplined experimentation and learning over meeting mindless and unrealistic goals. Tools for dealing with each challenge are backed by examples from companies from small firms to global giants that have successfully put these methods into practice.

Überlegene Geschäftsmodelle Andreas Schmidt, 2015-01-06 Mit Hilfe einer profunden Bestandsaufnahme und stichhaltigen Analyse zeigt Andreas Schmidt drei Kriterien zur Optimierung der Wettbewerbswirkung von Geschäftsmodellen auf Kontingenz zur Umwelt, Konsistenz seiner Bestandteile und eine Kohärenz. Implementierung über die Entscheidungsebenen hinweg. Ein Compliance Kompass sowie Beispiele für einfache und komplexe Geschäftsmodelle illustrieren die praktische Relevanz der Untersuchung. Hinweise zur Gestaltung, aber auch Implementierung und Steuerung von Geschäftsmodellen zeigen diverse Entwicklungspfade zu einer überlegenen Wertgenese und Wertabschöpfung in umkämpften Märkten. Dabei werden sowohl Innovationstreiber als auch Verteidigungsoptionen eruiert, um schließlich Möglichkeiten für ein ausgleichendes ambidexteres Management im Laufe des Geschäftsmodell-Lebenszyklus zu schaffen.

The Social Entrepreneur's Playbook, Expanded Edition Ian C. MacMillan,James D.

Thompson,2013-11-12 Wharton professor Ian C MacMillan and Dr James Thompson director of the Wharton Social Entrepreneurship Program provide a tough love approach that significantly increases the likelihood of a successful social enterprise launch in the face of the high uncertainty conditions typically encountered by social entrepreneurs **Leading for the Future** Joe Mutizwa,2017-05-12 Leading for the Future is a wakeup call for leaders to escape from rear view mirror driving and to get out of the comfort zones of the present so that they can shape the future of their organizations which is their greatest responsibility A compelling account of the essence of navigating change and transformation The End of Competitive Advantage Rita Gunther McGrath,2013-06-04 Argues that sustainable competitive advantage can no longer be the Holy Grail for companies due to a constantly changing environment and offers a new set of principles for winning in a volatile and uncertain marketplace **If You're in a Dogfight, Become a Cat!** Leonard Sherman,2017-01-10 Businesses often find themselves trapped in a competitive dogfight scratching and clawing for market share with products consumers view as largely undifferentiated Conventional wisdom suggests that dogfights are to be expected as marketplaces mature giving rise to the notion that there are bad industries where it is unlikely that any company can succeed But there are notable exceptions in which enlightened executives have changed the rules to grasp the holy grail of business long term profitable growth Rather than joining the dogfights raging within their industry companies such as Apple FedEx and Starbucks have chosen to become metaphorical cats continuously renewing their distinctive strategies to compete on their own terms In If You re in a Dogfight Become a Cat Leonard Sherman draws on four decades of experience in management consulting venture capital and teaching business strategy at Columbia Business School to share practical advice on two of the most vexing issues facing business executives why is it so hard to achieve long term profitable growth and what can companies do to break away from the pack Sherman takes the reader on a provocative journey through the building blocks of business strategy by challenging conventional wisdom on a number of questions that will redefine management best practices What should be the overarching purpose of your business Do you really know what your strategy is Is there such a thing as a bad industry Where do great ideas come from and how do I find them What makes products meaningfully different What makes and breaks great brands How and when should I disrupt my own company What are the imperatives to achieving long term profitable growth Filled with dozens of illustrative examples of inspiring successes and dispiriting falls from grace this book provides deep insights on how to become the cat in a dogfight whether you are a CEO mid level manager aspiring business school student or curious observer interested in achieving sustained profitable growth **Fast/Forward** Julian Birkinshaw,Jonas Ridderstråle,2023-05-25 A guide to the adhocracy form of business management and how it can foster a company s success The leading companies of the past twenty years have all harnessed the power of information to gain competitive advantage But as access to big data becomes ubiquitous it can no longer guarantee a leg up Fast Forward makes the case that we are entering a new era in which firms that understand the limits of 1s and 0s will take the lead Whereas the

industrial age saw the rise of bureaucracy and the information age has been described as a meritocracy we are witnessing the rise of adhocracy In uncertain rapidly changing times adhocratic organizations scan the horizon for winning opportunities Then instead of questing after more analysis they respond with agility by making smart intuitive decisions Combining decisive action with emotional conviction future facing firms seize the day Fast Forward paints the big picture of a new approach to strategy and provides the necessary playbook to make your company fit for the future Praise for Fast Forward Fast Forward makes a compelling case for spontaneity speed and a willingness to lead with intuition More importantly it speaks to the leadership qualities required to implement its suggestions providing practical ways to cultivate to those qualities Jeffrey Pfeffer Stanford University author of Power Why Some People Have It and Others Don't Birkinshaw and Ridderstrale are on the right track In an ever faster globalized world companies not only need a compelling strategy but also an adaptive and caring performance culture To unleash their full ingenuity we have to empower our colleagues to act like owners Joe Kaeser President and CEO Siemens AG Big data is oversold as the most important facet of competitive advantage Rather breakthrough leaps of faith are necessary to achieve extraordinary results Fast Forward is full of practical advice about how to capitalize on this simple idea in order to forge your corporate future Anita McGahan Rotman School of Management author of How Industries Evolve *From Reopen to Reinvent* Michael B. Horn, 2022-06-10 A practical blueprint to rebuilding an education system that is no longer working for its students In *From Reopen to Reinvent* distinguished education strategist Michael B Horn delivers a provocative and eye opening call to action for the overthrow of an education system that is not working well for any of its students Grounded in what educators should build in its place to address the challenges that stem from widespread unmet learning needs the book walks readers through the design of a better path forward Using time tested leadership and innovation frameworks like Jobs to Be Done Begin with the End tools of cooperation threat rigidity and discovery driven planning *From Reopen to Reinvent* offers a prescriptive and holistic approach to the purpose of schooling the importance of focusing on mastery for each student and the ideal use of technology It also provides readers with A set of processes and ideals that schools should implement to deal with the challenges they presently face A way to transform threats into opportunities using threat rigidity research A discussion of how the COVID 19 pandemic revealed that schools are not as flexible and equitable as we need them to be Perfect for K 12 educators and parents and school board members involved in the school community *From Reopen to Reinvent* is also an essential resource for professionals working in education related non profits and state education agencies Experts and Epistemic Monopolies Roger Koppl, Steven Horwitz, Laurent Dobuzinskis, 2012-10-15 Under what conditions of supply and demand are experts likely to give us good advice When is expert failure more likely Do entrepreneurs challenge existing expertise Are they experts themselves This title brings a heterogeneous collection of thinkers some Austrian and to engage the problem of experts **The Reciprocity Advantage** Bob Johansen, Karl Ronn, 2014-09-15 Bestselling author and renowned futurist Bob

Johansen combines with business innovation guru Karl Ronn to produce a visionary book on the biggest innovation opportunity in history giving away what you have to learn how to make money in new ways They call it the reciprocity advantage Dual Transformation Scott D. Anthony, Clark G. Gilbert, Mark W. Johnson, 2017-03-28 Game changing disruptions will likely unfold on your watch Be ready In Dual Transformation Scott Anthony Clark Gilbert and Mark Johnson propose a practical and sustainable approach to one of the greatest challenges facing leaders today transforming your business in the face of imminent disruption Dual Transformation shows you how your company can come out of a market shift stronger and more profitable because the threat of disruption is also the greatest opportunity a leadership team will ever face Disruptive change opens a window of opportunity to create massive new markets It is the moment when a market also ran can become a market leader It is the moment when business legacies are created That moment starts with the core dual transformation framework Transformation A Repositioning today s business to maximize its resilience such as how Adobe boldly shifted from selling packaged software to providing software as a service Transformation B Creating a new growth engine such as how Amazon became the world s largest provider of cloud computing services Capabilities link Fighting unfairly by taking advantage of difficult to replicate assets without succumbing to the sucking sound of the core Anthony Gilbert and Johnson also address the characteristics leaders must embrace courage clarity curiosity and conviction Without them dual transformation efforts can founder Building on lessons from diverse companies such as Adobe Manila Water and Netflix and a case study from Gilbert s firsthand experience transforming his own media and publishing company Dual Transformation will guide executives through the journey of creating the next version of themselves allowing them to own the future rather than be disrupted by it
