From Cruyff's Total Football to the epic rivalry between Guardiola and Mourinho, a gripping chronicle of the rise and fall of Barcelona's dominance in world soccer. Barcelona's style of play, pressing and possessing, is the single biggest influence on modern soccer. In *The Barcelona Inheritance*, Jonathan Wilson reveals how and why this came to pass, offering a deep analysis of the evolution of soccer tactics and style. In the late 1990s, Johan Cruyff's Dream Team was disintegrating and the revolutionary manager had departed, but his style gave birth to a new generation of thinkers including Pep Guardiola and Jose Mourinho. Today, their teams are first and second in the Premier League, marking the latest installment in a rivalry that can be traced back twenty-five years. *The Barcelona Inheritance* is a book about the tactics, the personalities, the friendships, and in one case, an apocalyptic falling out that continues to shape the game today. **Soccer Goalkeeper Training** Tony Englund, John Pascarella, 2017-07-01. In *Soccer Goalkeeper Training*, the authors explain and show through detailed photos and coaching points the physical and technical skills required for novice goalkeepers to improve their current level with easy to follow progressions. Another topic is how to make decisions in tactical situations on the soccer field, for example, using

communication as a tool for organizing the field player of one's team. The authors also delve into the more advanced and scientific areas of periodization and mental preparation used by the most accomplished goalkeepers in Major League Soccer and the US National Team to achieve ultimate success at the highest levels of the game. Hereby some psychological aspects covered by the book are the relationship between goalkeepers and their coaches and giving feedback. Also, readers will find a training guide which is divided into exercises by various themes. Whether you are an aspiring young goalkeeper or a more advanced collegiate player regardless of the level of goalkeeper you currently coach, Soccer Goalkeeper Training will have something to help bring out the best in you and your most important player.
