For customer technical support, please visit <http://www.wileyplus.com/support>. WileyPLUS registration cards are only included with new products. Used and rental products may not include valid WileyPLUS registration cards. While there is growing interest in IFRS within the US, interest outside the US has exploded. Weygandt's fourth edition of Financial Accounting IFRS highlights the integration of more US GAAP rules, a desired feature as more foreign companies find the United States to be their largest market. The highly anticipated new edition retains each of the key features, e.g., TOC, writing style, pedagogy, robust EOC, on which users of Weygandt Financial have come to rely, while putting the focus on international companies, examples discussing financial accounting principles and procedures within the context of IFRS and providing EOC exercises and problems that present students with foreign currency examples instead of solely U.S. dollars. *Intermediate Accounting* Donald E. Kieso, Jerry J. Weygandt, Terry D. Warfield, 2010-10-04 Due to the emergence of IFRS as the required convention for reporting to stock exchanges in the European Union and other important markets, accountants must gain a strong understanding of these standards. Intermediate Accounting integrates this new information throughout the chapters so they'll learn how to apply the new global accounting standards. Global examples are presented to clearly show how the information is utilized in the field. The use of various currencies is also explored, which is critical for accountants to know in today's global business environment.
