Rosalan Ali, Ismail Ahmad, Mohammed Hariri Bakri, 2023-07-06 This book *Islamic Wealth Planning Management The Practice of Personal Finance* focuses on personal financial management with applications of Shariah principles that suit both students and working people for entertaining applications. It begins with introducing wealth management explaining how wealth can be created, accumulated, mobilized, preserved, and purified. This book guides readers on investing their surplus income in the stock, bond, property, and commodity markets that comply with Shariah principles. It describes how important it is for readers to have personal financial planning in their retirement, estate, and inheritance. It will plan that could provide regular returns and avoid the risk of losing their pension or EPF money. It concludes how easy it is to have their set of personal finance in terms of personal assets, personal debts, and personal income as a practical way to control expenses and hence avoid becoming bankrupt at the young ages of 25-40 years.
