should be proud to hear you have made a believer out of a sceptic Rajeev Marney UK Now in response to huge reader demand this latest addition to my magical Course in Manifesting series turns to the subject of money In Becoming Rich you ll not only learn the precise details of how you can use Magic to transform your entire financial world and start bringing money flowing to you You ll also have the chance of winning a sizeable donation to your chosen favourite charity but I ll get to this in a moment So why Magic Only a few years ago I lived in a tiny flat working twelve hours a day in a factory for minimum wage Today I live in a beautiful home by the sea often earning more in one month than I used to in an entire year In this book you will discover the steps that enabled me to turn my financial life around in this amazing life changing way The change in my financial circumstances was so dramatic it makes more sense to describe it as involving Magic than anything else And when money starts to come tumbling your way in a manner that goes far beyond mere coincidence and luck you will no longer doubt that Magic exists Yet my finances were actually the last thing I mastered magically I felt cursed blocked financially stuck for ages But having got things right once or twice I went on to discover that even after a lifetime of poverty money turned out to be the very easiest thing of all to manifest using Magic And I went on to bring an unbelievable amount of money into my life If you re jaded by the whole New Age Law of Attraction idea or have become bored by its failure to deliver this book is for you Because this is a practical book offering concrete techniques and instructions for bringing wonderful things into your life You re looking at this book because you need money and it s now time to bring that money into your life The plan is to build your knowledge slowly gradually building on what has gone before moving on to more complex techniques only once the basics are mastered So many people fail with Magic and the Law of Attraction because they rush headlong into using techniques trying to create enormous manifestations trying to manifest huge sums of money off the bat but making very simple yet crucial mistakes When they are disappointed they imagine they have been duped The sceptics are right This is just a load of nonsense Then they give up declaring it just doesn t work But I m telling you it does work And you can make it work This book will show you how My intention is make sure that Becoming Rich will allow you to become a true creator of your own financial life reawakening and rekindling your belief and interest in The Law of Attraction Reality Creation Cosmic Ordering or whatever you wish to call it I prefer simply to call it Magic But there s a bit more magic to come Why Because this time I m giving a huge slice of the book s profits back to you Or at least to those you care about For every copy sold I will put 1 into a fund to be awarded to the favourite chosen charity of one lucky reader on 21st December 2015 The more copies sold the bigger the donation will be Full details for entering the draw can be found inside the book Read Becoming Rich and you ll believe in Magic too

The Magic of Manifesting Money Ryuu Shinohara,2020-08-29 **The Magic of Manifesting Money** Maria Sunni,2020-10-28 Are you tired of scraping by paycheck to paycheck Do you want to have more money to do the things you want Have you tried endless other solutions but nothing seems to work for more than a few weeks If you answered yes to any of these questions then you are going to want to continue reading You see learning how to

attract money into your life doesn't have to be difficult. In fact, it is something that everybody is doing all of the time. But that is also where the problem lies. The law of attraction can help you to get what you want in your life and it doesn't require a bunch of expensive equipment. All you need is your mind and your dreams to make it work for you. In fact, you have been using it your entire life, albeit not efficiently. The universe is constantly working to bring people the things they ask for, but the trick is you have to make sure you are asking properly. The universe doesn't read between the lines, so it sends you the things you send out, assuming that is what you want. But since we all know the law of attraction exists, we don't have to go blindly through life getting whatever it sends us. We can make sure that we align ourselves with the things that we want in our life. That's what this book is here to teach you. Here's just a tiny fraction of what you'll discover: What science is behind attracting money and other things into your life. The most common ways that people will end up keeping money from reaching them. How to receive the money that you need without having to get another job. How to accept the path you are on is going to bring you to what you want in life. The best way to appreciate money so that you keep attracting more of it. The power of visualization and gratitude when it comes to manifesting money. How to change your mindset so that you attract more money into your life. The power of the subconscious mind and how it affects your life and much, much more. Take a second to imagine how you'll feel once you fully understand how to use the law of attraction to your benefit and how your family and friends will react when you are living the life of your dreams. So even if you're barely scraping by each month, you can be living a much better life with the law of attraction. The law of attraction or manifesting whatever you want to call it isn't some mystical thing that only some people are able to use. It is there for everybody, no matter who you are or where you live. While it does take a bit of effort on your part, it isn't that hard to learn what works and what doesn't. It will also take time, but all good things do. If you are serious about changing your life for the better, then this is the book for you. You don't want to think back a few years down the road wishing you had bought this book. Don't wait any longer. Scroll up and click buy now. **Money**
