Trump is president everything changes Trump s White House quickly becomes a power struggle mostly between Bannon Trump s campaign manager and Kushner Trump s son in law The question is not who will control Trump because he is uncontrollable but rather who can get the last word in Thus in some ways this book is more about Bannon and Kushner than about Trump As expected having a White House with two competing parties without a leader to make final decisions resulted in a President who appeared bipolar Kushner started out by hiring a team of other Jews to help him In retaliation Bannon started to arrange for leaks about Kushner and Ivanka and they returned the favor In time it was clear that Bannon was losing the war To placate everyone Trump agreed not to fire Bannon However Trump also promoted Kushner and Ivanka at the same time By the first 100 days into the Presidency there were three separate PR teams in the White House One for Trump one for Bannon and one for Kushner and Ivanka Thus when Trump fired Comey and Muller took over as the head of the Russia investigation the White House could not get itself organized to mount a solid defense Eventually the war came to a head Trump overheard Bannon screaming at Hope Hicks one of the people who was helping Kushner and Ivanka manage Trump Trump himself was completely confused The situation was reversing It was Kushner and Ivanka who had pushed for Comey to be fired and that was turning into a hot mess Their solution hire Scaramucci as the Director of Communications also backfired Bannon was doing well At least he was doing well until Trump hired Kelly to be his new Chief of Staff Determined to settle the quarrel that was tearing the White House apart Bannon had to go For more information click on BUY BUTTON
