Dreyfuss, 2013-05-21 For readers of The Smartest Guys in the Room and When Genius Failed the definitive take on Brian Hunter John Arnold Amaranth Advisors and the largest hedge fund collapse in history At its peak hedge fund Amaranth Advisors LLC had more than 9 billion in assets A few weeks later it completely collapsed The disaster was largely triggered by one man thirty two year old hotshot trader Brian Hunter His high risk bets on natural gas prices bankrupted his firm and destroyed his career while John Arnold his rival at

competitor fund Centaurus emerged as the highest paid trader on Wall Street Meticulously researched and character driven Hedge Hogs is a riveting fly on the wall account of the largest hedge fund collapse in history a blistering tale of the recent past that explains our precarious present and may predict our future Using emails instant messages court testimony and exclusive interviews securities analyst turned investigative reporter Barbara T Dreyfuss charts the colliding paths of these two charismatic traders who dominated the speculative energy market We follow Brian Hunter the Canadian farm boy and elbows out high school basketball star as he achieves phenomenal early success only to see his ambition greed and hubris precipitate his downfall Set in relief is the journey of John Arnold whose mild manner sophisticated tastes and low profile belied his own ferocious competitive streak As the two clash hundreds of millions of dollars in pension and endowment money is imperiled with devastating public consequences Hedge Hogs takes you behind closed doors into the shadowy world of hedge funds the unregulated wild side of finance where over the top parties and lavish perks abound and billions of dollars of other people s money are in the hands of a tiny elite Dreyfuss traces the rise of this freewheeling industry while detailing the decades of bank hedge fund and commodity deregulation that turned Wall Street into a speculative casino A gripping saga peppered with fast money vivid characters and high drama Hedge Hogs is also an important and timely cautionary tale a vivisection of a financial system jeopardized by reckless practices watered down regulation and loopholes in government oversight just waiting for the next bust Praise for Hedge Hogs Regulators legislators and judges inclined to sympathize with the industry ought to rush out and buy a copy of Barbara Dreyfuss s Hedge Hogs a wonderfully instructive tale about Amaranth Advisors Dreyfuss a Wall Street analyst turned investigative journalist not only plowed through what turned out to be a treasure trove of official records and transcripts but supplemented it with plenty of her own reporting She manages to organize it all into a tight riveting and understandable yarn The Washington Post Clearly and entertainingly told a salutary example of how traders who believe they are super smart might be nothing more than lucky and how there is nothing so intoxicating as the ability to speculate with other people s money The Economist Dreyfuss does a great job of putting Amaranth s out of control trader into historical context explaining the blitz of deregulation that set the stage for someone like Hunter to do maximum damage Bloomberg The definitive take on the largest hedge fund collapse in history You will not be able to put it down Frank Partnoy author of F I A S C O and Infectious Greed Named One of the Top 10 Business Economics Books of the Season by Publishers Weekly **The Big Win** Stephen L. Weiss, 2012-05-01 A rousing and practical look at the extremely successful investments of top investors In his first book The Billion Dollar Mistake author Stephen L Weiss showcased the biggest blunders of some of the world s legendary investors which lost them billions of dollars on a single investment Incredibly the mistakes they made were the same mistakes made by everyday investors but for the magnitude of the loss Weiss s second book The Big Win Learning from the Legends to Become a More Successful Investor highlights financial successes explaining how the world s most successful investors make a fortune and how you can do the same As

with the missteps Weiss profiled in his first book the strategies used by these legendary investors are available to all regardless of size or sophistication Profiles legendary investors and highlights their investment strategies from finding the right investment to researching to making a move Probes each investor s personality and questions their investment thinking Identifies and describes each investor s big win and why it became their most successful investment The Big Win is a primer on successful investing the way it is really done by the people who do it for a living passionately and with extraordinary success The Billion Dollar Mistake told readers what not to do to get rich The Big Win shows readers how to do it right for the payoff of their lives The Army Lawyer ,1995 **Accelerating Performance** Colin Price,Sharon Toye,2016-12-14 Transform your organization into a dynamic catalyst for success Accelerating Performance is not just another warm and fuzzy change management book it s a practical comprehensive data driven action plan for picking up the pace and achieving more Co written by one of the authors of Beyond Performance this book draws on a combination of empirical research and decades of experience advising global companies to show you how to reduce time to value by building and changing momentum more quickly than your competitors The META framework short for Mobilize Execute and Transform with Agility offers advice for leading change at four levels strategy the organization teams and individuals In addition to step by step guidance toward assessment planning and implementation the book offers A diagnostic tool for leaders teams and organizations to assess their starting place and highlight the specific areas needed to improve the ability to accelerate performance A detailed look at the factors proven to create drag and drive at each of the four levels strategy organizations teams and individuals An exploration of the 39 differentiating actions that organizations can combine as dictated by their strategy and context into a winning recipe A closer look at the practices of 23 superaccelerators a global and perhaps unexpected mix of companies that have demonstrated a consistent ability to accelerate performance A single taste of success is all it takes to spark change but the hard work of following through requires constant vigilance and a plan Learn how to capture that drive bottle it and use it to sustain motivation inspiration and achievement Deliver at the highest level and then turn around and do even better next time Accelerating Performance gives leaders a step by step framework for taking action and transforming their organizations teams and even themselves starting today **Create Your Own ETF Hedge Fund** David Fry,2011-01-04 Many investors are intrigued by the profit potential of today s hedge funds but most feel like they re on the outside looking in due to the high investment requirements and complexity of these vehicles Create Your Own ETF Hedge Fund allows you to break down these barriers and effectively operate within this environment By focusing on the essential approaches of global macro long short and aggressive growth this book will help you create a fund that can take advantage of both bullish and bearish conditions across the globe *Handbook of Pipeline Engineering* ABCM - Brazilian Society of Mechanical Sciences and Engineering,José Luiz de França Freire,Marcelo Rosa Rennó Gomes,Marcelino Guedes Gomes,2024-07-25 This Handbook covers a large number of Pipeline Engineering topics ranging from the initial stages of designing constructing operating and

managing the integrity of a pipeline to several of their fluid transportation applications such as oil gas derivatives slurry hydrogen and CO2 Traditional onshore and offshore pipelines are covered as well as chapters on present and future interaction with modern society This Handbook serves as a first reference resource for new readers entering the field but also as a complement to those who are aware of the general principles encompassing areas of pipeline engineering This Handbook has been developed in close cooperation with ABCM the Brazilian Society of Mechanical Sciences and Engineering

The Hedge Fund Mirage Simon A. Lack, 2012-01-03 The dismal truth about hedge funds and how investors can get a greater share of the profits Shocking but true if all the money that s ever been invested in hedge funds had been in treasury bills the results would have been twice as good Although hedge fund managers have earned some great fortunes investors as a group have done quite poorly particularly in recent years Plagued by high fees complex legal structures poor disclosure and return chasing investors confront surprisingly meager results Drawing on an insider s view of industry growth during the 1990s a time when hedge fund investors did well in part because there were relatively few of them The Hedge Fund Mirage chronicles the early days of hedge fund investing before institutions got into the game and goes on to describe the seeding business a specialized area in which investors provide venture capital type funding to promising but undiscovered hedge funds Today s investors need to do better and this book highlights the many subtle and not so subtle ways that the returns and risks are biased in favor of the hedge fund manager and how investors and allocators can redress the imbalance The surprising frequency of fraud highlighted with several examples that the author was able to avoid through solid due diligence industry contacts and some luck Why new and emerging hedge fund managers are where generally better returns are to be found because most capital invested is steered towards apparently safer but less profitable large established funds rather than smaller managers that evoke the more profitable 1990s Hedge fund investors have had it hard in recent years but The Hedge Fund Mirage is here to change that by turning the tables on conventional wisdom and putting the hedge fund investor back on top

Five Winds Asset Management Introduction

In the digital age, access to information has become easier than ever before. The ability to download Five Winds Asset Management has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Five Winds Asset Management has opened up a world of possibilities. Downloading Five Winds Asset Management provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Five Winds Asset Management has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Five Winds Asset Management. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Five Winds Asset Management. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Five Winds Asset Management, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Five Winds Asset

Management has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
