*Interaction and Identity* Harmut B. Mokros, 2018-01-16 Scholarly interest in issues of self identity has exploded across disciplines within the humanities and social sciences in recent years Common to these concerns are the assumptions that self identity is not an a priori not given or fixed but created in the process of communication This also assumes that social institutions and values are produced and reproduced by individuals in interaction To capture the essential characteristics of a person requires analysis of how the social and psychological intersect in moments of communication Interaction and Identity contributes theoretically and empirically to contemporary scholarly interest in issues of identity Chapters and contributors to this stand alone volume include Part Whole Discovery Stages of Inquiry by Thomas Scheff Communication by Gregory Bateson Internal Muzak An Examination of Intrapersonal Relationships by Linda Lederman The Constitution of Identity as Gendered in Psychoanalytic Therapy Ideology and Interaction by Margaret Carr and The Reconstruction and Negotiation of Cultural Identities in the Age of Globalization by Getinet Belay The multiple disciplines of social research with contemporary interest in identity are ably reflected in Interaction and Identity The authors are drawn from eight disciplines anthropology communication information science linguistics philosophy psychoanalysis psychology and sociology This book will be invaluable to scholars in all these areas above all in communication research as such Organisation, Interaction and Practice Nick Llewellyn, Jon Hindmarsh, 2010-02-11 Ethnomethodology has an elusive relationship with organisation studies The ethnomethodological work of Harold Garfinkel and the allied conversation analytic work of Harvey Sacks is often cited and yet empirical contributions informed by ethnomethodology and conversation analysis remain rare Organisation studies clearly has a lot to say about work but this is normally related to some broader set of social economic and political issues Rarely if ever does this research involve an analysis of the mundane and practical details of what actual work consists of This book acts as an evidence based corrective by showing how research based on ethnomethodology and conversation analysis can contribute to key issues and debates in organisation studies Drawing on audio video recordings from a diverse range of work settings a team of leading scholars present a series of empirical studies that illustrate the importance of paying attention to the real time achievement of organisational processes and practices BIM for Facility Managers IFMA, 2013-04-03 A practical look at extending the value of Building Information Modeling BIM into facility management from the world s largest international association for professional facility managers Building owners and facility managers are discovering that Building Information Modeling BIM models of buildings are deep reservoirs of information that can provide valuable spatial and mechanical details on every aspect of a property When used appropriately this data can improve performance and save time effort and money in running and maintaining the building during its life cycle It can also provide information for future modifications For instance a BIM could reveal everything from the manufacturer of a light fixture to its energy usage to maintenance instructions BIM for Facility Managers explains how BIM can be linked to facility management

FM systems to achieve very significant life cycle advantages It presents guidelines for using BIM in FM that have been developed by public and private owners such as the GSA There is an extensive discussion of the legal and contractual issues involved in BIM FM integration It describes how COBie can be used to name capture and communicate FM related data to downstream systems There is also extensive discussion of commercial software tools that can be used to facilitate this integration This book features six in depth case studies that illustrate how BIM has been successfully integrated with facility management in real life projects at Texas A M Health Science Center USC School of Cinematic Arts MathWork s new campus Xavier University State of Wisconsin Facilities University of Chicago Library renovation BIM for Facility Managers is an indispensable resource for facility managers building owners and developers alike **Research Awards Index** ,

**Research Grants Index** National Institutes of Health (U.S.). Division of Research Grants,1969 Transnational Policy Innovation Fabrizio De Francesco,2024-10-31 This book analyses the role of the OECD in diffusing policy innovations Through the study of regulatory impact analysis RIA it shows how transnational networks affect national policy process De Francesco s analytical framework encompasses the institutional features as well as internal and international determinants of a policy innovation such as RIA Drawing on original data sets three empirical analyses assess to what extent government decisions to adopt implement and evaluate RIA were driven by the OECD Transnational Policy Innovation argues that concepts of policy innovation diffusion provide a useful framework for understanding the dynamics of transnational governance It shows that the OECD has been successful in framing and diffusing a template of evidence based decision making However downplaying RIA as an instrument of political control has limited the influence of the OECD s peer review and comparative indicators on the administrative and institutional setting *Resources in Education* ,1980-07
