write another US history textbook Well that intelligent human is the right question This work breaks from the traditional memorization of who what when where and focuses on why and how The former is popular in schools due to its efficiency in quantification for testing You re either right or wrong about remembering facts But it s so boring that most students turn off their brains once they set foot in the class and that habit continues well into old age if not recognized and corrected Why and how are more subjective therefore harder to grade But with their asking people become re centered in our collective story where they belong Only then can proper context be understood and criticism and perspective be applied We believe this approach to be the missing link in our education and understanding of current issues norms and discussion points Hopefully after reading this work each reader s critical thinking will activate around all history permanently That will certainly aid humanity s evolution and communication Wait does that mean this book can be categorized as self help Argue away

Rogue Spooks Dick Morris,Eileen McGann,2025-08-22 This is the story of an attempted coup d tat by rogue intelligence agents The goal to overthrow the presidency of Donald Trump and subvert the will of the electorate Donald Trump s first 100 days in office were roiled by allegations of treasonous contacts between his campaign team and the Kremlin to rig the election These outrageous charges first surfaced in the notorious Trump Dossier an unverified document of suspect provenance full of wild and salacious accusations This dossier filled with little more than gossip rumor and innuendo was compiled by Christopher Steele a former British intelligence operative who teamed up with the FBI and anti Trump partisans Hillary Clinton supporters paid for Steele s work When no news media would publish the unverified dossier the ex spook enlisted the help of a former UK ambassador to Russia who arranged in turn for a former U S assistant secretary of state to get the document to Senator John McCain in the hope that he would then bring it to FBI Director James Comey s attention McCain did just that Comey himself played a critical role in the dossier ultimately going public giving a confidential summary to President Obama and congressional leaders It was immediately leaked by rogue spooks in order to demean destabilize and destroy Donald Trump s nascent presidency The dossier and this mythical intelligence are the basis for the phony claims about a Russia Trump collusion to steal the election No proof was found No substantiation uncovered Even Comey told Trump he was not under investigation for the Russian meddling charges But that didn t end the leaks or the allegations Working in concert with liberal news outlets these rogue spooks have formed a new Intel Media complex that threatens our democracy Rogue Spooks will reveal how it works Readers of Rogue Spooks from bestselling authors Dick Morris and Eileen McGann will be shocked to learn the truth about the false accusations against President Trump in the flawed dossier They ll be interested to know how leaks to the media fueled the phony scandal and how intelligence agencies tried to use the newly appointed special prosecutor to oust President Trump 13 1/2 Reasons Why NOT To Be A Liberal Judd Dunning,2020-11-10 THE DEFINITIVE GUIDE TO WINNING AN ARGUMENT WITH A LIBERAL Antifa leftists may still burn this book but more than a few center left individuals will read 13 1 2 Reasons Why NOT to Be a Liberal and develop a new

Swiftboating America Hans Mahncke, 2024-10-15 The true and complete story behind the Russiagate hoax revealed for the first time How was a Clinton campaign dirty trick turned into an all out effort by factions within the federal government to drive out a sitting president The astonishing story is told from the perspective of a motley crew of Twitter users who against all odds exposed the intricate layers of a political scandal that shook the nation Swiftboating America delves into how these citizen journalists identified the Steele dossier's primary source Igor Danchenko and how they revealed that Danchenko did not have access to the information in the dossier It also explores how the FBI concealed Danchenko from the public eye for four years The book reveals shocking new details about how the FBI's Crossfire Hurricane investigation of the Trump campaign actually began and how Robert Mueller's special counsel office attempted to cover up the FBI's misdeeds Among many other revelations the book presents the previously untold story of how the Clinton campaign fabricated a false data trail that supposedly linked Trump to the Kremlin Meticulously researched and footnoted Swiftboating America is the most comprehensive account of how a combination of the Clinton campaign a former British intelligence officer the FBI the CIA the president the vice president and the media plotted to undermine a presidential candidate and later the president himself Their actions were the greatest act of domestic political sabotage of all time

What's Wrong With Trump? Michael N. Marcus, 2018-06-28 In 2016 like many millions of Americans I had voted for Hillary Clinton to become our 45th president And like many millions of Americans I assumed that there was no way that Donald Trump could beat her In 2008 Trump wrote I know Hillary and I think she d make a great president During the 2016 presidential campaign he said She has to go to jail If it were not for our peculiar and archaic Electoral College plus last minute interference from FBI Director James Comey just when Clinton s favorable poll ratings were moving up and sabotage by Russia Clinton would have become president Trump frequently boasted about his landslide victory In truth his electoral win was no landslide at all In the popular vote Clinton won by about 2 9 million votes a margin of 2 1% That s higher than the victories won by JFK George W Bush Nixon and other recent American presidents Jerome Kowalski an attorney who has known Trump for more than 30 years said Michael N Marcus s powerful book is nothing short of a detailed bill of particulars of the evil Trump presents and why his reign of terror must be stopped

but the facts on the ground tell a very different story While politicians on both sides of the aisle scramble to stifle all investigations into election fraud and the mainstream media pumps out nothing to see here stories investigative reporter Christina Bobb reveals the ugly truth the 2020 election was riddled with lying cheating stealing and vote dumping which disenfranchised millions of Americans and probably swayed the outcome of the election As usual the cover up was even worse than the crime as politicians media and activists launched an all out assault on facts and evidence doing everything in their power to bury the truth and slander anyone who dared ask the inconvenient questions Stealing Your Vote tells the story of corruption within the Democratic Party but also reveals the cowardice throughout the Republican Party as fat and happy politicians from both parties desperately worked to protect the status quo Bobb also tells the story of a handful of brave patriots who tried and continue trying to find out just what happened in 2020 As we look forward to 2024 we face an unprecedented crisis millions of Americans have now lost faith in the integrity of our elections The country has become ever more polarized pitting those who believe the election was stolen versus those who are determined to cancel both the investigations and the doubters But election integrity should not be a partisan issue Fair and honest elections are the bedrock of our republic while tainted elections are the hallmark of tyranny If we fail to regain election integrity and the trust of the American people all of us Democrat and Republican liberal and conservative are doomed to a dark future Christina Bobb s Stealing Your Vote is the first and only investigative report into what truly happened in the 2020 elections and the cover up that followed and what we must do now as our next presidential election approaches
