Layers of Learning JoEllen McCarthy, 2023-10-10 What could happen if we viewed every read aloud as an invitation to learn more about literacy and ourselves In *Layers of Learning Using Read Alouds to Connect Literacy and*

Caring Conversations author JoEllen McCarthy explores read aloud strategies designed to enhance your reading and writing standards by capitalizing on the way literature can impact caring communities. Layers of Learning is structured around four key elements: Community, Agency, Respect, and Empowerment, or CARE. The book provides tools necessary to emphasize reading and writing connections, character education, and culturally responsive teaching, all while championing the power of read alouds. Inside you'll find over 200 picture book suggestions introducing the Heartprint Framework, which demonstrates how you can layer literacy with life lessons, 60 read aloud based connections that support caring classroom conversations, lesson planning and extensions, instructional opportunities for nurturing readers and writers during workshop time, small group gatherings, or individual conferring sessions, Literacy Snapshot photo essays with ideas on how to adopt or adapt. Continuing connections with additional resources and invitations for further learning. Layers of Learning pulls together the ideas that the books we share not only serve an academic purpose but also convey big affective messages. This can lead to richer and more meaningful classroom conversations.

[Paint Lab for Kids](#) Stephanie Corfee, 2015-10-15 Paint Lab for Kids is an inspiring collection of 52 fresh kid friendly projects for nurturing an artistic spirit and a love of art through working and playing with paint. Popular artist and author Stephanie Corfee offers an exciting resource of easy to follow instructions supported throughout with step by step full color photographs for projects that teach techniques, stimulate new ideas, explore color, combine materials in interesting ways, and encourage self expression. Each project sequence includes a complete materials list, finished sample, and the inspiring work of a noted artist. Have fun exploring painting techniques by making folded paper insect monoprints, your imagination with a marbled paper galaxy, painting color with pencil eraser, pointillism, mixed media art by embellishing a family photo mounted on canvas. This book is perfect for anyone who teaches or leads hands on art experiences: creative DIY inspired parents, families, friends, homeschoolers, scouting community, and youth group leaders. The popular Lab for Kids series features a growing list of books that share hands on activities and projects on a wide host of topics including art, astronomy, clay, geology, math, and even how to create your own circus, all authored by established experts in their fields. Each lab contains a complete materials list, clear step by step photographs of the process, as well as finished samples. The labs can be used as singular projects or as part of a yearlong curriculum of experiential learning. The activities are open ended, designed to be explored over and over, often with different results. Geared toward being taught or guided by adults, they are enriching for a range of ages and skill levels. Gain firsthand knowledge on your favorite topic with Lab for Kids.
