## **Sexually Violent Predators: A Clinical**

**Science Handbook** William T. O'Donohue, Daniel S. Bromberg, 2019-07-03 This information rich volume expands current knowledge about sexually violent predators and critiques SVP laws with the goal of fostering improvements in clinical practice and public policy It offers a finely detailed evidence base on this problematic class of offenders including the complex interactions of biophysiological and environmental factors that contribute to criminal sexual behavior Chapters discuss a wide range of assessment issues and instruments central to SVP evaluation and the possibilities for developing interventions that address individual motivations and behaviors to reduce the risk of reoffending And throughout careful attention is paid to ongoing legal ethical and logical concerns regarding sexually violent offenders their treatment and confinement and their post confinement placement Among the topics covered Civil commitment of sex offenders The physiological basis of problematic sexual interests and behaviors Sexually violent predator evaluations problems and proposals Cultural considerations in the assessment of sexually violent predators Management of sex offenders in community settings Effective use of an expert in sexually violent predator commitment hearings Offering numerous issues for discussion and debate with considerable implications for clinical practice policy and the judicial system Sexually Violent Predators will interest and enlighten forensic psychologists and psychiatrists as well as social workers policy makers and legal professionals

**Privacy** Leslie P. Francis, John G. Francis, 2017-06-01 We live more and more of our lives online we rely on the internet as we work correspond with friends and loved ones and go through a multitude of mundane activities like paying bills streaming videos reading the news and listening to music Without thinking twice we operate with the understanding that the data that traces these activities will not be abused now or in the future There is an abstract idea of privacy that we invoke and concrete rules about our privacy that we can point to if we are pressed Nonetheless too often we are uneasily reminded that our privacy is not invulnerable the data tracks we leave through our health information the internet and social media financial and credit information personal relationships and public lives make us continuously prey to identity theft hacking and even government surveillance A great deal is at stake for individuals groups and societies if privacy is misunderstood misdirected or misused Popular understanding of privacy doesn't match the heat the concept generates With a host of cultural differences as to how privacy is understood globally and in different religions and with ceaseless technological advancements it is an increasingly complex topic In this clear and accessible book Leslie and John G Francis guide us to an understanding of what privacy can mean and why it is so important Drawing upon their extensive joint expertise in law philosophy political science regulatory policy and bioethics they parse the consequences of the forfeiture however great or small of one's privacy

## **Steuerverfassungsrecht und gesetzgeberischer Gestaltungsraum** Iris

Schomäcker, 2020-01-22 Das Bundesverfassungsgericht nimmt seit einiger Zeit vermehrt Einfluss auf die Gestaltung des

deutschen Steuerrechts Während viele diese Entwicklung als positiv erachten sind gerade in letzter Zeit auch zunehmend kritische Stimmen zu vernehmen Vor dem Hintergrund dieser Debatte über den Stand und die Zukunft des deutschen Steuerverfassungsrechts vergleicht Iris Schomacker den Einfluss des Verfassungsrechts auf den gesetzgeberischen Gestaltungsraum in Deutschland und den USA wo das Verfassungsrecht mit Blick auf das Steuerrecht deutlich zurückhaltender gehandhabt wird Um die Auswirkungen des Steuerverfassungsrechts auf den gesetzgeberischen Gestaltungsraum greifbar zu machen erstreckt sich die Analyse auch auf die Grundzüge des Einkommensteuerrechts beider Länder

**Death, Society and Human Experience (1-download)** Robert Kastenbaum, 2015-07-22 Providing an understanding of the relationship with death both as an individual and as a member of society This book is intended to contribute to your understanding of your relationship with death both as an individual and as a member of society Kastenbaum shows how individual and societal attitudes influence both how and when we die and how we live and deal with the knowledge of death and loss Robert Kastenbaum is a renowned scholar who developed one of the world's first death education courses and introduced the first text for this market This landmark text draws on contributions from the social and behavioral sciences as well as the humanities such as history religion philosophy literature and the arts to provide thorough coverage of understanding death and the dying process Learning Goals Upon completing this book readers should be able to Understand the relationship with death both as an individual and as a member of society See how social forces and events affect the length of our lives how we grieve and how we die Learn how dying people are perceived and treated in our society and what can be done to provide the best possible care Master an understanding of continuing developments and challenges to hospice palliative care Understand what is becoming of faith and doubt about an afterlife

**Indigenous People, Crime and Punishment** Thalia Anthony, 2013-07-24 Indigenous People Crime and Punishment examines criminal sentencing courts changing characterisations of Indigenous peoples identity culture and postcolonial status Focusing largely on Australian Indigenous peoples but drawing also on the Canadian experiences Thalia Anthony critically analyses how the judiciary have interpreted Indigenous difference Through an analysis of Indigenous sentencing remarks over a fifty year period in a number of jurisdictions the book demonstrates how judicial discretion is moulded to dominant white assumptions about Indigeneity More specifically Indigenous People Crime and Punishment shows how the increasing demonisation of Indigenous criminality and culture in sentencing has turned earlier gains in the legal recognition of Indigenous peoples on their head The recognition of Indigenous difference is thereby revealed as a pliable concept that is just as likely to remove concessions as it is to grant them Indigenous People Crime and Punishment suggests that Indigenous justice requires a two way recognition process where Indigenous people and legal systems are afforded greater control in sentencing dispute resolution and Indigenous healing

**Handbuch Soziale Praktiken und Digitale Alltagswelten** Heidrun Friese, Marcus Nolden, Gala Rebane, Miriam Schreiter, 2020-03-02 Mit der Entwicklung des Web 2.0 sind digitale Medien und Netzwerke zum Teil unseres

Alltags geworden Von Facebook und Twitter zu YouTube und Blogspot Soziale kulturelle religi se konomische und politische R ume entwickeln sich mittlerweile auch im weltumspannenden Netz erlauben die Verst ndigung ber die gegenw rtige Situation und lassen die einstige Unterscheidung zwischen online und offline Welten dem virtuellen und dem realen physischen Raum obsolet werden Diese digitalen R ume werden inzwischen nicht mehr als abgegrenzt betrachtet sondern vielmehr als Kontinuum sozialer Felder verstanden die von unterschiedlichen Praktiken und transnationaler Kommunikation gekennzeichnet sind

**McDonald's , For the Children?** Erica R. Meiners,2016-10-15 Childhood has never been available to all In her opening chapter of *For the Children* Erica R Meiners stakes the claim that childhood is a racial category often unavailable to communities of color According to Meiners this is glaringly evident in the U S criminal justice system where the differentiation between child and adult often equates to access to stark disparities And what is constructed as child protection often does not benefit many young people or their communities Placing the child at the heart of the targeted criminalization debate *For the Children* considers how perceptions of innocence the safe child and the future operate in service of the prison industrial complex The United States has the largest prison population in the world with incarceration and policing being key economic tools to maintain white supremacist ideologies Meiners examines the school to prison pipeline and the broader prison industrial complex in the United States arguing that unpacking child protection is vital to reducing the nation s reliance on its criminal justice system as well as building authentic modes of public safety Rethinking the meanings and beliefs attached to the child represent a significant and intimate thread of the work to dismantle facets of the U S carceral state Taking an interdisciplinary approach and building from a scholarly and activist platform *For the Children* engages fresh questions in the struggle to build sustainable and flourishing worlds without prisons

*Jack Katz* David Polizzi,2020-06-24 This book is a timely re introduction to the work and life of one of criminology s more respected theorists Jack Katz to the next generation of thinkers in this field For nearly 40 years his work has offered an alternative philosophical perspective to study crime and criminal behavior that is not defined by quantitative method or approach

*Forensic Psychology* Thomas Davis,2020-12-10 This fascinating and research led textbook gives students the facts and the tools they need to engage critically with the psychological dimension of the criminal justice system Accessibly written and packed with the latest psychological research *Forensic Psychology Fact and Fiction* is an engaging and wide ranging exploration of both foundational and contemporary issues The book prepares students to weigh up evidence and arguments and reach their own conclusions about the issues and questions that have led them to study forensic psychology *Forensic Psychology Fact and Fiction* gives students all they need to get to grips with debates about the link between mental fitness and criminal responsibility the purposes and effectiveness of punishment and the use of police force and others It places psychology at its heart combining research with legal perspectives to give the full picture Drawing on global research and examples students are given insights into what differs and what remains the same across jurisdictions and borders Real life

case studies illustrate forensic concepts allowing students to see how psychology is applied to criminal behaviour and the response of society to it This comprehensive introduction is ideal for undergraduate students taking a course in forensic psychology Balancing clarity and rigor the book takes the student on a journey from the fundamental concepts through to the application of psychology to forensic techniques

**Internet Dating** Chris Beasley, Mary Holmes, 2021-05-16 Internet Dating deals primarily with the experiences of UK and Australian daters examining their online accounts to see what kinds of narratives norms emotions and chemistry shape their dating Has the emergence and growth of internet dating changed the dating landscape for the better Most commentators popular and academic ask whether online dating is more efficient for individuals than offline dating We prefer a socio political perspective In particular the book illustrates the extent to which internet dating can advance gender and sexual equality Drawing on the voices of internet daters themselves we show that internet dating reveals how social change often arises in the unassuming everyday and familiar We also pay attention to often ignored older daters and include consideration of daters in Africa Scandinavia South America Asia and the Middle East Throughout we explore the pitfalls and pleasures of men and women daters navigating unconventional directions towards more equitable social relations

**Enterprise Knowledge Capital** Blandine Laperche, 2017-10-30 Thoroughly grounded in an extensive body of international research and analysis this book investigates the concepts surrounding a firm s knowledge capital These concepts play an integral part in the evolution of economic and managerial thinking particularly in relation to the themes of firm knowledge and innovation The author advocates a greater socialization of the production of knowledge capital that stands in contradiction to the strong appropriation strategies that are predominant today This book presents a historical analysis of the facts with a strong basis in the recent literature in economics and innovation management as well as in case studies of CAC 40 companies that have been conducted over the course of the past few years

**This Happened to Me** Kate Price, 2025-08-05 Price not only rises above the hurt and hate she uses her hard won insights to shine a light for others Jeannette Walls 1 New York Times bestselling author For readers of Educated The Glass Castle and Know My Name comes a powerful new memoir that is a remarkable testament of survival and resilience At once harrowing and exquisite haunting and inspiring Kate Price s story will leave readers with a profound assurance in the power to heal Kate Price grew up in a small mill town in central Pennsylvania with her sister and parents in northern Appalachia At the insistence of her mother and through her academic accomplishments Price escaped the unbroken cycles of poverty violence addiction mental illness and abuse that had plagued her family for generations She started a new life in Cambridge Massachusetts in pursuit of her master s and PhD But despite having left this dark world behind it still kept a firm grip on her Overcome with unexplainable grief and sadness and having sustained a series of hazy flashbacks accompanied by a chilling of her blood and uncomfortable feeling in her bones Price sought out Dr Bessel van der Kolk a trauma specialist to help heal her constant emotional pain through EMDR therapy He went on to write the bestselling book The Body Keeps the Score which features

Price's story as the two worked together to find out about her past. When Price, whose brain had been protecting her by shutting out these horrific memories, felt safe enough, she, along with van der Kolk as her guide, discovered what that darkness that lay within her was. Her father had abused and trafficked her as a child. Price grappled with what had been revealed. Did this really happen to her? How could a parent do this to a child? A dedicated researcher and academic, she knew she needed confirmation, proof that what she had remembered had happened. And so began a 10-year quest alongside a journalist to prove what Price knew to be her truth. With many trips back to the hometown she thought she had left forever, the two eventually found the hard-earned evidence Price had been searching for. In this exquisitely rendered transformative memoir, Price describes how she broke free of that which had defined her childhood and went on to create a purpose-driven life and family on her own terms. Eventually returning to the same Appalachian community to use her education and advocacy to help ensure children are given the attention, protection, and services that she never received. From victim to advocate, from fearful child to empowered adult, and from despair to triumph, *This Happened to Me* is a story of astonishing resilience and breathtaking determination.

**Governance Feminism** Janet Halley, Prabha Kotiswaran, Rachel Rebouché, Hila Shamir, 2019-03-26. An interdisciplinary multifaceted look at feminist engagements with governance across the global North and global South. *Governance Feminism: Notes from the Field* brings together nineteen chapters from leading feminist scholars and activists to critically describe and assess contemporary feminist engagements with state and state-like power. Gathering examples from North America, South America, Europe, Asia, and the Middle East, it complements and expands on the companion volume *Governance Feminism: An Introduction*. Its chapters argue that governance feminism (GF) is institutionally diverse and globally distributed, emerging from traditional sites of state power as well as from various forms of governance and operating at the grassroots level in the private sector, in civil society, and in international relations. The book begins by confronting the key role that crime and punishment play in GFeminist projects. Here, contributors explore the ideological and political conditions under which this branch of GF became so robust and rethink the carceral turn. Other chapters speak to another face of GFeminism: feminists finding in mundane and seemingly unspectacular bureaucratic tools leverage to bring about change in policy and governance practices. Several contributions highlight the political, strategic, and ethical challenges that feminists and LGBT activists must negotiate to play on the governmental field. The book concludes with a focus on feminist interventions in postcolonial legal and political orders, looking at new policy spaces opened up by conflict, postconflict, and occupation. Providing a clear cross-cutting critical lens through which to map developments in feminist governance around the world, *Governance Feminism: Notes from the Field* makes sense of the costs and benefits of current feminist realities to reimagine feminist futures. Contributors: Libby Adler, Northeastern U; Aziza Ahmed, Northeastern U; Elizabeth Bernstein, Barnard College; Amy J. Cohen, Ohio State U; Karen Engle, U of Texas at Austin; Jacob Gersen, Harvard U; Leigh Goodmark, U of Maryland; Aeyal Gross, Tel Aviv U; Aya Gruber, U of Colorado Boulder; Janet Halley, Harvard U; Rema
