objects located beneath the ground Today the most common tool used is a wire bent into the shape of an L leading to the term L rod dowsing Only a few of dowsing s many forms appear to have a clear physical basis such that some physical phenomenon in the environment causes a physiological response in the body Despite the many studies performed in the past none have resulted in a comprehensive testable explanation for how dowsing works This book reviews and critiques some of the common explanations for L rod field dowsing describes an investigation into various aspects of L rod dowsing and proposes a mechanism which explains the physical observations Building on the prior scientific studies it presents a theory based on well known scientific principles for the physical component of dowsing The Creative Pendulum Joan Rose Staffen,2022-06-01 Awaken your own innate creative potential by using pendulum work to clear energetic blocks The Creative Pendulum demonstrates how to use the pendulum to unlock your inner artist allowing you to discover or expand your creative potential Dowsing with a pendulum is a quick direct path to the sub and super conscious levels to higher forces and to the Muse herself Thirty pendulum creativity charts are offered that help clear center unblock and guide a person forward so that anyone may more easily enter the creative space to play and work Staffen offers practical information and tips so that anyone can learn to dowse but even experienced practitioners will find exciting new ways of using a pendulum The book includes Joan s own story of how the pendulum helped her transition from businesswoman to author and visual artist bringing the power of the pendulum to real life **Catalog of the Unexplained** Leanna Greenaway,Beleta Greenaway,2021-01-08 Explore 400 Topics with this Outstanding A to Z Reference Guide Delve into the mesmerizing depths of the esoteric with Catalog of the Unexplained a triumph of metaphysical and supernatural knowledge This guide provides fascinating information on more than 400 subjects from angels and herbalism to tarot and vampires Magical practitioners holistic healers ghost hunters and spiritual seekers alike will marvel at this book s impressive collection Authors Leanna and Beleta Greenaway share brief and in depth entries on Acupuncture Animal Totems Astral Projection Candle Magic Color Therapy Curses Dreams Dowsing ESP Exorcism Fairies Feng Shui Fortune Telling Hypnosis I Ching Karma Kundalini Lucid Dreaming Numerology Telepathy UFOs Witchcraft Yoga Catalog of the Unexplained invites you on an exhilarating journey of discovery that expands not just your knowledge but also your sense of wonder Plant Spirit Reiki Fay Johnstone,2020-09-22 Enrich your Reiki practice by connecting with the healing spirit of plants and the natural world Explores a new way of channeling Reiki energy for both personal healing and professional practice by intuitively connecting with plants and the natural world Provides simple exercises meditations and Reiki practices to help the reader intuitively work in partnership with plants as part of their Reiki practice Emphasizes healing exchange with plants and the self practice of Reiki in partnership with the spirit of plants to heal our essential nature Explains how to raise the vibration of your community and the world by connecting with green spaces nature beings and habitats under threat In this practical workbook Fay Johnstone demonstrates how energy healers and Reiki practitioners can partner with plant spirit allies and the

forces of nature for powerful healing for themselves others and our planet She explains how to include plants and nature in your Reiki practice both the spiritual etheric components of plants and the physical plants themselves She offers many practical exercises techniques and meditations as well as case studies and personal experiences to show how best to harness the power of plants on all levels along with other energy flows to support the healing process in much the same way that crystals are used as energetic healing aids She explains how plants connect with the Reiki principles and explores plant spirit allies chakra work and healing with the elements of nature She details how to enhance self healing and Reiki treatments for others through bringing the outside in creating a healing space use of plant preparations and other sacred forms of plant medicine Fay also explores how to support the healing of plants and nature itself through your Reiki healing practice She provides guidance on how to raise the vibration of your home and community how to impact nature positively with regard to climate change and how to send distance healing to the Earth nature beings and endangered habitats across the world She inspires you to reach out to the vital force that flows through the natural world and open your intuition to discover guidance and support from nature By deepening our conscious cooperation and partnership with nature and the plant kingdom in a sacred healing way we come to recognize that in healing ourselves we are also healing our Earth *Charismatic to the Core*

Nikki Owen,2015-09-10 Are you charismatic enough to be a successful leader You don t have to shout or show off to be charismatic Charisma is often seen as an intangible concept that unconsciously attracts a negative reaction in the world of business There is a stereotypical image that a charismatic leader is a confident extrovert with a big personality Even if charisma can be taught and many research papers indicate that you either have it or you don t the question is how important is charisma for leadership success Life puts layers onto individuals much like paint Year after year more layers are added until you no longer know how deeply buried the authentic you is It s time to start celebrating the real you In *Charismatic to the Core* Nikki Owen strips away the unwanted layers and takes you back to your authentic self It is a revelation a rebirth a realisation that life can be on your own terms Your leadership impact can be whatever you desire it to be When you are being true to who you really are at your core your charisma shines through **Plants That Speak, Souls That Sing** Fay

Johnstone,2018-06-12 Engage with the intelligence of nature to discover your unique role and deepen your spiritual path on Earth Presents practical ways to rekindle your connection with nature and open up to plant consciousness as a way to enrich your spiritual path Offers guidance on how to meet plant allies with wisdom teachings specific to you and your path Provides over 40 exercises including shamanic journeys as well as links to digital downloads for a shamanic drumming track and guided meditations As our lives become more absorbed in screen time rather than the great outdoors it feels essential to open up our senses again to the riches of nature reestablishing our connection with the heartbeat of the Earth In this book Fay Johnstone provides a road map for bridging the gap between plants and people allowing our sacred relationship with the Green Kingdom to be restored Fay shows how to confidently meet explore and build relationships with key plant allies to

enjoy a more balanced connection with yourself and your environment Sharing her passion for the plant world she provides a practical guide to rekindling your connection with nature opening up to plant consciousness as a way to enrich your path and weave the enchantment of nature back into your own life She includes more than 40 simple practical exercises and meditations to guide you on a heart centered journey of transformation and commune with the environment the seasons the cycles of the moon and the Earth Heart Addressing plants as conscious beings we meet their spirit while at the same time aligning with our own true nature and sense of purpose as a creature of this Earth The book also introduces the shamanic practice of plant spirit healing emphasizing that ceremony begins at home with our local plants rather than with the famous plant healers of the Amazon Guided meditations and shamanic journeys enable a deeper exploration and interaction with the spirit of plants for healing and support The author offers practical advice on how to initiate a conversation with plants and meet a plant ally with wisdom teachings specific to you and your path Whether you explore your back garden office plants or morning cup of tea Fay reveals how to introduce the magic of plants into your daily routine and appreciate the important role plants play Reaching out to interact with nature is a step forward not only on your personal journey to wholeness but also toward healing our Earth

Consciousness, Bioenergy and Healing Daniel J. Benor, 2004-10 People have the potential to heal themselves and each other Dr Daniel Benor a wholistic psychiatrist explains how mind body and body mind interactions promote health or cause illness Clear and concise explanations of a large body of research clinical examples and a variety of theory explain healing through complementary alternative medicine Dr Benor reviews research supporting claims that complementary alternative therapies and bioenergy therapies are potent and effective treatments

Healing Dr Anthony J Emmett, 2022-02-09 There are many aspects to healing healing the body healing the mind and the influence of your soul spirit We can achieve good health with modern medicine and nutrition surgery and public health measures but what you keep in your mind will be decisive for you can broadcast good health to all the living cells in your body Healing is multidimensional and involves our different levels of human body and eternal soul spirit resident in the unconscious levels of your mind Healing the world too has become vital and this involves our thoughts In studying healing we see who we are and what we are doing here in this life We see healing of body mind with many techniques medical surgical and healing of spirit through life The spiritual healing processes involve planes of spirit within our levels of mind conscious and unconscious In the unconscious mind we find our relationship to the Divine the power of the universe All That Is called God Belief is important The combination of medicine science and spiritual philosophy with mysteries held in trust by religions through time In our overpopulated world the planet needs healing both by enhancing its regeneration and by refreshing it s Spirit Enjoy the journey
