**Drugs as Weapons Against Us** John L. Potash, 2015-05-25 *Drugs as Weapons Against Us* meticulously details how a group of opium trafficking families came to form an American oligarchy and eventually achieved global dominance. This oligarchy helped fund the Nazi regime and then saved thousands of Nazis to work with the Central Intelligence Agency. CIA operations such as MK Ultra pushed LSD and other drugs on leftist leaders and left leaning populations at home and abroad. Evidence supports that this oligarchy further led the United States into its longest running wars in the ideal areas for opium crops while also massively funding wars in areas of coca plant abundance for cocaine production under the guise of a war on drugs that is actually the use of drugs as a war on us. *Drugs as Weapons Against Us* tells how scores of undercover U S Intelligence agents used drugs in the targeting of leftist leaders from SDS to the Black Panthers, Young Lords, Latin Kings and the Occupy Movement. It also tells how they particularly targeted leftist musicians including John Lennon, Jimi Hendrix, Kurt Cobain and Tupac Shakur to promote drugs while later murdering them when they started sobering up and taking on more leftist activism. The book further uncovers the evidence that Intelligence agents dosed Paul Robeson with LSD, gave Mick Jagger his first hit of acid, hooked Janis Joplin on amphetamines as well as manipulating Elvis Presley, Eminem, the Wu Tang Clan and others.

**Project Mind Control** Stephen Kinzer, 2023-11-19 *MK ULTRA* gab ihm die Macht über Leben und Tod anderer Menschen zu entscheiden. Grausame Menschenversuche in Geheimgegnissen, neue Foltermethoden, bewusstseinsverändernde Drogen in Fake Bordellen und nicht nachweisbare Gift Attentate alles im Auftrag der CIA und amerikanischer Präsidenten. Das ist nicht der Plot eines Hollywoodstreifens sondern Teil der Biografie des Chemikers Dr. Sidney Gottlieb, einer der tödlichsten Geheimwaffen der CIA bis in die 1970er Jahre. Als Leiter des streng geheimen MK ULTRA Projekts forschte er an Wegen das Bewusstsein von Menschen zu kontrollieren. In Geheimoperationen war Gottlieb außerdem federführend bei Attentatsversuchen der CIA auf missliebige Regierungschefs wie Fidel Castro, Tschu En Lai oder Patrice Lumumba. Der Journalist und Bestsellerautor Stephen Kinzer bringt Licht in dieses dunkle und nicht enden wollende Kapitel der amerikanischen Geschichte. Anhand neuer dokumentarischer Recherchen und Originalinterviews zeigt Kinzer wie skrupellos die US Regierung auch in Zusammenarbeit mit anderen Nationen Experimente an entbehrlichen Menschen durchführte um dem vermeintlich höheren Zweck der inneren Sicherheit zu dienen.

**Poisoner in Chief** Stephen Kinzer, 2019-09-10 The bestselling author of *All the Shah's Men* and *The Brothers* tells the astonishing story of the man who oversaw the CIA's secret drug and mind control experiments of the 1950s and 60s. The visionary chemist Sidney Gottlieb was the CIA's master magician and gentlehearted torturer, the agency's poisoner in chief. As head of the MK ULTRA mind control project, he directed brutal experiments at secret prisons on three continents. He made pills, powders and potions that could kill or maim without a trace, including some intended for Fidel Castro and other foreign leaders. He paid prostitutes to lure clients to CIA run bordellos where they were secretly dosed with mind altering drugs. His experiments spread LSD across the

United States making him a hidden godfather of the 1960s counterculture For years he was the chief supplier of spy tools used by CIA officers around the world Stephen Kinzer author of groundbreaking books about U S clandestine operations draws on new documentary research and original interviews to bring to life one of the most powerful unknown Americans of the twentieth century Gottlieb s reckless experiments on expendable human subjects destroyed many lives yet he considered himself deeply spiritual He lived in a remote cabin without running water meditated and rose before dawn to milk his goats During his twenty two years at the CIA Gottlieb worked in the deepest secrecy Only since his death has it become possible to piece together his astonishing career at the intersection of extreme science and covert action Poisoner in Chief reveals him as a clandestine conjurer on an epic scale [International Law and Weapons Review](#) Natalia Jevglevskaja,2021-12-16 The first comprehensive and systemic analysis of States weapons review obligation under international law underpinned by empirical research [Biblical Eschatology](#): Dr. Justin G. Prock,2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of

Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book      **Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions      **Prairie Power** Sarah Eppler Janda, 2018-01-25 Student radicals and hippies in Oklahoma Though most scholarship about 1960s era student activism and the counterculture focuses on the East and West Coasts Oklahoma s college campuses did see significant activism and dropping out In *Prairie Power* Sarah Eppler Janda fills a gap in the historical record by connecting the activism of Oklahoma students and the experience of hippies to a state and a national history from which they have been absent Janda shows that participants in both student activism and retreat from conformist society sought connections to Oklahoma s past while forging new paths for themselves She shows that Oklahoma students linked their activism with the grassroots socialist radicalism and World War I era anti draft protest of their grandparents generation citing Woody Guthrie Oscar Ameringer and the Wobblies as role models Many movement organizers in Oklahoma especially those in the University of Oklahoma s chapter of Students for a Democratic Society and the anti war movement fit into a larger midwestern and southwestern activist mentality of prairie power a blend of free speech advocacy countercultural expression and anarchist tendencies that set them apart from most East Coast student activists Janda also reveals the vehemence with which state officials sought to repress campus agitators and discusses Oklahomans who chose to retreat from the mainstream rather than fight to change it Like their student activist counterparts Oklahoma hippies sought inspiration from older precedents including the back to the land movement and the search for authenticity but also Christian evangelicalism and traditional gender roles Drawing on underground newspapers and declassified FBI documents as well as interviews the author conducted with former activists and government officials *Prairie Power* will appeal to those interested in Oklahoma s history and the counterculture and

**Magazines, and Rock Journalism** Allison Bumsted, 2024-10-15 Since the magazine s first issue in 1964 TeenSet s role in popular music journalism has been overlooked and underappreciated Teen fan magazines often written by women and assumed to be read only by young girls have been misconstrued by scholars and journalists to lack seriousness in their coverage of popular music TeenSet Teen Fan Magazines and Rock Journalism Don t Let the Name Fool You disputes the prevailing conception that teen fan magazines are insignificant and elevates the publications to their proper place in popular music history Analyzing TeenSet across its five year publication span Allison Bumsted shows that the magazine is an important artifact of 1960s American popular culture Through its critical commentary and iconic rock photography TeenSet engaged not only with musical genres and scenes but also broader social issues such as politics race and gender These

countercultural discourses have been widely overlooked due to a generalization of teen fan magazines which have wrongly presumed the magazine to be antithetical to rock music and as unimportant to broader American culture at the time Bumsted also examines the leadership of editor Judith Sims and female TeenSet staff writers such as Carol Gold By offering a counternarrative to leading male oriented narratives in music journalism she challenges current discourses that have marginalized women in popular music history Ultimately the book illustrates that TeenSet and teen fan magazines were meaningful not only to readers but also to the broader development of the popular music press and 1960s cultural commentary

Perni,2005-10 In the dark says since the attack on the World Trade Center the question that many Americans have asked is  
Why Why do they hate us as they do Is it as our leaders would have us believe because they hate our freedom To understand  
what others find objectionable in us we must take a long and brutally honest view of how we act versus what we like to say  
about ourselves The facts as this book demonstrates are incontrovertible Our history is an unbroken progression of atrocities  
betrayals of trust and abuses of the rule of law both to our global neighbors as well as our own citizens Since the arrival of  
the first settlers we have cheated and swindled committed the most sweeping genocide in history 100 000 000 members of  
the indigenous populations attacked civilian populations with nuclear weapons promoted conflicts at home and abroad  
supported brutal right wing regimes bullied those weaker than us and performed gruesome experiments on the most  
defenseless of our own citizens poor southern blacks retarded teens and pregnant women These sadly are the facts and are  
what others see when we say our proud slogans about peace and promoting democracy But who among us is actually  
responsible for this ignominious state of affairs As Perni argues all of these iniquities can be traced to three sources big  
business fundamentalist right wing Christians whom he characterizes as our own domestic Taliban and a corrupt government  
that serves the corporations while manipulating the easily swayed voters
