Stanley, 2008-12-30 Hip Hop literature also known as urban fiction or street lit is a type of writing evocative of the harsh realities of life in the inner city Beginning with seminal works by such writers as Donald Goines and Iceberg Slim and culminating in contemporary fiction autobiography and poetry Hip Hop literature is exerting the same kind of influence as Hip Hop music fashion and culture Through more than 180 alphabetically arranged entries this encyclopedia surveys the world of Hip Hop literature and places it in its social and cultural contexts Entries cite works for further reading and a bibliography concludes the volume Coverage includes authors genres and works as well as on the musical artists fashion designers directors and other figures who make up the context of Hip Hop literature Entries cite works for further reading and the encyclopedia concludes with a selected general bibliography Students in literature classes will value this guide to an increasingly popular body of literature while students in social studies classes will welcome its illumination of American cultural diversity **Pimps Up, Ho's Down** T. Denean Denean Sharpley-Whiting, 2007-03-01 Untangles the intricately knotted issues around hip hop culture and its treatment of young black women Pimps Up Ho s Down pulls at the threads of the intricately knotted issues surrounding young black women and hip hop culture What unravels for Tracy D Sharpley Whiting is a new and problematic politics of gender In this fascinating and forceful book Sharpley Whiting a feminist writer who is a member of the hip hop generation interrogates the complexities of young black women s engagement with a culture that is masculinist misogynistic and frequently mystifying Beyond their portrayal in rap lyrics the display of black women in music videos television film fashion and on the Internet is indispensable to the mass media engineered appeal of hip hop culture the author argues And the commercial trafficking in the images and behaviors associated with hip hop has made them appear normal acceptable and

entertaining both in the U S and around the world Sharpley Whiting questions the impacts of hip hop s increasing alliance with the sex industry the rise of groupie culture in the hip hop world the impact of hip hop s compulsory heterosexual culture on young black women and the permeation of the hip hop ethos into young black women s conceptions of love and romance The author knows her subject from the inside Coming of age in the midst of hip hop s evolution in the late 1980s she mixed her graduate studies with work as a runway and print model in the 1990s Her book features interviews with exotic dancers black hip hop groupies and hip hop generation members Jacklyn Diva Bush rapper Trina and filmmaker Aishah Simmons along with the voices of many everyday young women Pimps Up Ho s Down turns down the volume and amplifies the substance of discussions about hip hop culture and to provide a space for young black women to be heard 2007 Popular Culture Association American Culture Association Emily Toth Award

Beyond Christian Hip Hop Erika D. Gault, Travis Harris, 2019-11-18 Christians and Christianity have been central to Hip Hop since its inception This book explores the intersection of Christians and Hip Hop and the multiple outcomes of this intersection It lays out the ways in which Christians and Hip Hop overlap and diverge The intersection of Christians and Hip Hop brings together African diasporic cultures lives memories and worldviews Moving beyond the focus on rappers and so called Christian Hip Hop each chapter explores three major themes of the book identifying Hip Hop irreconcilable Christianity and boundaries There is a self identified Christian Hip Hop CHH community that has received some scholarly attention At the same time scholars have analyzed Christianity and Hip Hop without focusing on the self identified community This book brings these various conversations together and show through these three themes the complexities of the intersection of Christians and Hip Hop Hip Hop is more than rap music it is an African diasporic phenomenon These three themes elucidate the many characteristics of the intersection between Christians and Hip Hop and our reasoning for going beyond Christian Hip Hop This collection is a multi faceted view of how religious belief plays a role in Hip Hoppas lives and community It will therefore be of great interest to scholars of Religion and Hip Hop Hip Hop African Diasporas Religion and the Arts Religion and Race and Black Theology as well as Religious Studies more generally

Hip-Hop Revolution Jeffrey O. G. Ogbar, 2007-11-19 In the world of hip hop keeping it real has always been a primary goal and realness takes on special meaning as rappers mold their images for street cred and increasingly measure authenticity by ghetto centric notions of Who s badder In this groundbreaking book Jeffrey O G Ogbar celebrates hip hop and confronts the cult of authenticity that defines its essential character that dictates how performers walk talk and express themselves artistically and also influences the consumer market *Hip Hop Revolution* is a balanced cultural history that looks past negative stereotypes of hip hop as a monolith of hedonistic unthinking noise to reveal its evolving positive role within American society A writer who s personally encountered many of hip hop s icons Ogbar traces hip hop s rise as a cultural juggernaut focusing on how it negotiates its own sense of identity He especially explores the lyrical world of rap as artists struggle to define what realness means in an art where class race and gender are central to expressions of authenticity and how this realness is articulated in a society dominated by gendered and racialized stereotypes Ogbar also explores problematic black images including minstrelsy hip hop s social milieu and the artists own historical and political awareness Ranging across the rap spectrum from the conscious hip hop of Mos Def to the gangsta rap of 50 Cent to the underground sounds of Jurassic 5 and the Roots he tracks the ongoing quest for a unique and credible voice to show how complex contested and malleable these codes of authenticity are Most important Ogbar persuasively challenges widely held notions that hip hop is socially dangerous to black youths in particular by addressing the ways in which rappers critically view the popularity of crime focused lyrics the antisocial messages of their peers and the volatile politics of the word nigga *Hip Hop Revolution* deftly balances an insider s love of the culture with a scholar s detached critique exploring popular myths about

black educational attainment civic engagement crime and sexuality By cutting to the bone of a lifestyle that many outsiders find threatening Ogbur makes hip hop realer than it s ever been before *Where the Hood At?* Michael C. Lens,2024-11-13

Substantial gaps exist between Black Americans and other racial and ethnic groups in the U S most glaringly Whites across virtually all quality of life indicators Despite strong evidence that neighborhood residence affects life outcomes we lack a comprehensive picture of Black neighborhood conditions and how they have changed over time In *Where the Hood At* urban planning and public policy scholar Michael C Lens examines the characteristics and trajectories of Black neighborhoods across the U S over the fifty years since the Fair Housing Act Hip hop music was born out of Black neighborhoods in the 1970s and has evolved alongside them In *Where the Hood At* Lens uses rap s growth and influence across the country to frame discussions about the development and conditions of Black neighborhoods Lens finds that social and economic improvement in Black neighborhoods since the 1970s has been slow However how well Black neighborhoods are doing varies substantially by region Overall Black neighborhoods in the South are doing well and growing quickly Washington D C and Atlanta in particular stand out as centers of Black affluence Black neighborhoods in the Midwest and the Rust Belt on the other hand are particularly disadvantaged The welfare of Black neighborhoods is related not only to factors within neighborhoods such as the unemployment rate but also to characteristics of the larger metropolitan area such as overall income inequality Lens finds that while gentrification is increasingly prevalent it is growing slowly and is not as pressing an issue as public discourse would make it seem Instead concentrated disadvantage is by far the most common and pressing problem in Black neighborhoods Lens argues that Black neighborhoods represent urban America s greatest policy failures and that recent housing policies have only had mild success He provides several suggestions for policies with the goal of uplifting Black neighborhoods One radical proposal is enacting policies and programs such as tax breaks for entrepreneurs or other small business owners that would encourage Black Americans to move back to the South Black Americans migrating South would have a better chance at moving to an advantaged Black neighborhood as improving neighborhood location is higher when moving across regions It would also help Black Americans expand their political and economic power He also suggests a regional focus for economic development policies particularly in the Midwest where Black neighborhoods are struggling the most One way to boost economic development would be to move federal agencies to the area He also calls for building more affordable housing in Black suburbs Black poverty is lower in suburbs than in central cities so increasing housing in Black suburbs would allow Black households to relocate to more advantaged neighborhoods which research has shown leads to improved life outcomes *Where the Hood At* is a remarkable and comprehensive account of Black neighborhoods that helps us to better understand the places and conditions that allow them flourish or impedes their advancement *The Routledge Dictionary of Modern American Slang and Unconventional English* Tom Dalzell,2018-05-11

Shades of the Moon Eric James, 2008-06-28 The move from the City to the Suburbs was a huge change even though I was young when it happened People in the suburbs were a lot different than the city and we as kids thought it was paradise Boy were we wrong Most people in this town are fake corrupted selfish and overall ASSHOLES in my opinion A lot of politics I wont get into but you might see some of it From the time I turned seventeen to about twenty two Ive gone threw some pretty interesting experiences My life entailed robbing stealing fighting drugs just had a few over nighters in a holding cell My family is very close and we chill together all the time Id do anything for them some not for me but thats just the way they are I guess they call me the crazy one but honestly every family needs someone like me From my tales to tell overall I wouldnt take any of it back I love my life and how I lived it I feel my past was lived to the fullest and my crew thugged it out for years I know that most of the trouble I got into was because of the choices I made and even then I knew that it was the wrong path to take but I just didnt care While these adventures where happening I knew my life would be change for the better once I finished school and landed a good set job Though it seemed like it took forever I finally did finish school and became full time at the position Id been working at for a few years That is when my life started I enjoyed being young and dumb as they say but now its time to grow up and become a man Ive gone through plenty of friends over the years some lost due to changes schools or choosing different cliques in school others lost on bad terms sometimes I knew why and others I didnt understand I lost a couple very close best friends and also gained new ones Life is a struggle I struggled through it but was able to surpass I got through the tough times enjoyed the memorable times and here are my stories to tell This book will deliver my resume of an uncontrolled substance that almost ruined my life The rage and power I absorbed through fisting a persons face brought happiness to me Every true street fighter will tell you theyve gotten their ass kicked at least once in their life and probably didnt like it I on the other hand loved it The more I got hit the more aggressive I became trying to destroy anything in my path It became so much of an addiction that I looked for it all the time and even threw down with my own brother I

loved to fight and was pretty good at it but it almost got me killed a few times My stories here are all true but some names may have been altered for confidentiality purposes In no way am I trying to disrespect anyone past or present because its a story about my life but a lot of others are involved as well Overall I have been in over fifty legit street fights mostly in a five year range and these are the main tales Other than fighting and the mischief Im actually a really nice person and a great athlete My whole life has been based around sports and my entire family is athletes including the girls Though I pursued a sports career I still found myself living the Hip Hop lifestyle which made me the person I am today I speak mostly of the bad experiences rather than the good because everyone has their good moments and the awful times are the juiciest I give a lot of credit to my parents for putting up with me all these years and I know what theyve done for me and I really do appreciate it They are the best parents any kid can ever ask for and to put them through what I did was a horrible thing to do so Im truly sorry Like the saying goes what doesnt kill you only makes you stronger I guess Im *The Matrix & The Forbidden Knowledge* Malik Bade,2023-10-01
