Wit Meyer Strategy Synthesis:

Strategy Synthesis Ron Meyer, Bob de Wit, 2010-08-04 De Wit Meyer's distinctive multi-perspective approach has helped thousands of students and professionals around the world develop into critical and creative strategic thinkers. By carefully guiding readers through a variety of perspectives, De Wit Meyer show how more than ever effective strategy requires the ability to consider strategic issues in many different ways. To encourage creative strategic thinking, De Wit and Meyer contrast the most important approaches and outline the major issues and differences of opinion. Managers are challenged to combine the strengths of these approaches into their own strategy synthesis. **Strategy Synthesis** Bob de Wit, 2005 This is a streamlined version of de Wit and Meyer's successful text *Strategy Process Content Context*.
