these studies now finds them again of fresh value to me I hope they prove to be so for you as well

**The Rich and the Pure** Daniel Caner, 2021-09-07 A portrait of history's first complex Christian society as seen through the lens of Christian philanthropy and gift giving As the Roman Empire broke down in western Europe its prosperity moved decisively eastward to what is now known as the Byzantine Empire Here was born history's first truly affluent multifaceted Christian society One of the ideals used to unite the diverse millions of people living in this vast realm was the Christianized ideal of philanthropia In this sweeping cultural and social history Daniel Caner shows how philanthropy required living up to Jesus's injunction to Give to all who ask of you by offering mercy and or material aid to every human being regardless of their origin or status Caner shows how Christian philanthropy became articulated through distinct religious ideals of giving that helped define proper social relations among the rich the poor and the pure Christian holy people resulting in new and enduring social expectations In tracking the evolution of Christian giving over three centuries he brings to the fore the concerns of the peoples of Early Byzantium from the countryside to the lower levels of urban society to the imperial elites as well as the hierarchical relationships that arose among them The Rich and the Pure offers nothing less than a portrait of the whole of early Byzantine society

**Witness of the Saints** Milton Walsh, 2012-10-16 The writings of the Fathers of the Church have

never been more widely available yet obtaining an exhaustive and user friendly volume of patristics can still be a daunting task Without realizing it many priests seminarians members of religious communities and even laity already own a patristic library their Liturgy of the Hours In the four volumes of the Liturgy of the Hours the official daily prayer of the Catholic Church there are nearly 600 selections from the writings of Fathers and saints Seeing the potential of this vast collection as a theological resource Milton Walsh has organized these selections by topics according to the four pillars of the Catechism of the Catholic Church This topical concordance allows the reader to compare what the various authors have written on the same themes while a chronological timeline of the readings shows their relationship to each other in time Walsh has also provided background on the liturgical celebrations of the Church as well as historical information on each author In addition there is a chapter on how patristic readings can assist in understanding the Bible This fresh and original presentation of material that is literally at the fingertips of anyone praying the Liturgy of the Hours can be a tremendous aid to both religious devotion and theological study

**Orthodox Tradition and Human Sexuality** Thomas Arentzen, Ashley M. Purpura, Aristotle Papanikolaou, 2022-11-15 Sex is a difficult issue for contemporary Christians but the past decade has witnessed a newfound openness regarding the topic among Eastern Orthodox Christians Both the theological trajectory and the historical circumstances of the Orthodox Church differ radically from those of other Christian denominations that have already developed robust and creative reflections on sexuality and sexual diversity Within its unique history theology and tradition Orthodox Christianity holds rich resources for engaging challenging questions of sexuality in new and responsive ways What is at stake in questions of sexuality in the Orthodox tradition What sources and theological convictions can uniquely shape Orthodox understandings of sexuality This volume aims to create an agora for discussing sex and not least the sexualities that are often thought of as untraditional in Orthodox contexts Through fifteen distinct chapters written by leading scholars and theologians this book offers a developed treatment of sexuality in the Orthodox Christian world by approaching the subject from scriptural patristic theological historical and sociological perspectives Chapters devoted to practical and pastoral insights as well as reflections on specific cultural contexts engage the human realities of

Hamalis, Valerie A. Karras, 2017-12-15 Many regions of the world whose histories include war and violent conflict have or once had strong ties to Orthodox Christianity Yet policy makers religious leaders and scholars often neglect Orthodoxy's resources when they reflect on the challenges of war Through essays written by prominent Orthodox scholars in the fields of biblical studies church history Byzantine studies theology patristics political science ethics and biology Orthodox Christian Perspectives on War presents and examines the Orthodox tradition's nuanced and unique insights on the meaning and challenges of war with an eye toward their contemporary relevance This volume is structured in three parts Confronting the Present Day Reality Reengaging Orthodoxy's Tradition and Constructive Directions in Orthodox Theology and Ethics Each exemplifies the value of interdisciplinary reflection on war and the potential for the Eastern Orthodox tradition to enhance ecumenical and interfaith discussions surrounding war in both domestic and international contexts The contributors do not advance a single account of the meaning of war or a comprehensive and normative stance purporting to be the Orthodox Christian teaching on war Instead this collection presents the breadth and depth of Orthodox Christian thought in a way that engages Orthodox and non Orthodox readers alike In addition to offering fresh resources for all people of good will to understand prevent and respond faithfully to war this book will appeal to Christian theologians who specialize in ethics to libraries of academic institutions and to scholars of war peace studies international relations and Orthodox thought Contributors Peter C Bouteneff George Demacopoulos John Fotopoulos Brandon Gallaher Perry T Hamalis Valerie A Karras Alexandros K Kyrou Aristotle Papanikolaou Elizabeth H Prodromou Nicolae Roddy James C Skedros Andrew Walsh and Gayle E Woloschak **The Conscience** Robert M.
