interior of our heart and soul we can arrive at a place in which we once again merge and connect with the divine This mystical quest Rumi contends is the birthright of us all Anything less than a complete dissolving into the world of divine union will not provide the satisfaction and peace that we all seek The simple yet profound spiritual truths and visions contained in The Rubais of Rumi lead the way to the path of reconnection to the direct energies of God *The Essential Rumi* Jalal al-Din Rumi,1995 *The Ruba'iyat of Jalal Al-Din Rumi* Jalāl al-Dīn Muhammad Ibn Muhammad (Rumi.),1949

RUMI - 53 Secrets from the Tavern of Love, 2014 Rumi s poetry has been published in various English editions since the 19th century And there has been no shortage of translators Today through the translations of Coleman Barks he is the best selling poet in the English language The market for his poems is insatiable He has a loyal following of English readers and serious devotees Still in English Rumi s poems have often been rendered into a literal and academic prose that is awkward and wooden or into a New Age idiom that bears little relationship to the author s original text or his context Professors Amin Banani and Anthony A Lee come to the rescue with a masterful translation that bridges the academic demand for fidelity to the original Persian text with a sensitive poetic translation that speaks to 21st century readers The book has three sections 1 a general introduction to Rumi s poetry 2 translations of 53 short poems and 3 a groundbreaking essay by Banani on the position of Rumi in Islamic poetry and in world literature The poems are presented as lessons on love The reader is encouraged to treat them as koans to inspire spiritual contemplation
