Dr John Coleman The Committee Of 3:

Reports from Committees Great Britain. Parliament. House of Commons, 1879 THE REAL QUESTS FOR NEW WORLD ORDER Dipo Toby Alakija, While some historical accounts are distorted so many parts were written long before they eventually become history This is because a clique sees the need to destroy the old order and pave the way for the New World Order The quest to dominate the world and fuse all nations together as one entity is an age long battle which becomes more profound and pronounced in the modern days with the use of chemical biological psychological spiritual and other weapons With presentations of documentary circumstantial and pictorial evidences most of which are made available by ancient and modern researchers and writers this book shed light on what actually characterized global events like the French revolution world wars civil wars virus pandemic like COVID 19 and other catastrophes that plague humanity These research works address the question that was raised in the book titled Pawn In The Game by William Guy Carr who asked why the Human Race can't live in peace and enjoy the bounties and blessing God provides for our use and benefit in such abundance This book also serves as a warning that when the New World Order emerges human beings will be shackled with Computer Network and turned into semi robots that are controlled by a Clique of Globalists *Die Zerstörung der Weltordnung* Cornelius F. Petersen, 2021-09-06 In der vorliegenden Auflage geht es um die Zerstörung der Weltordnung wie es der Titel schon ausdrückt Aber was ist damit gemeint Wenn man den christlichen Kreationismus zugrunde legt wurde die Welt in der Schöpfung als absolute harmonische Ordnung durch das Wort Gottes ins Leben gerufen Es ist nicht klar wie lange die Welt in dieser absoluten Harmonie existierte Die Bibel führt erst wieder fort mit Verführung des Menschen durch Satan und zeigt damit den sich entwickelten Charakterzug des Menschen sich trotz einer enormen Fülle von Gottes Reichtum für das einzige Verbot zu interessieren und sich durch Ungehorsam Sünde von der ursprünglichen harmonischen Weltordnung zu entfernen Diese erste Sünde Ursünde war der Beginn einer sich immer mehr steigenden Quantität aber auch Qualität der folgenden Sünden die die Weltordnung nach und nach immer stärker aus dem Gleichgewicht brachte In den dem Kreationismus zugrunde liegenden etwa 6000 Jahren seit der Schöpfungsgeschichte hat man sich immer wieder neue chaotisierende Dinge ausgedacht und diese meist mit Fortschritt und oder Abkehrung von angeblich altmodischen konservativen Werten begründet Somit wurde die Anzahl der chaotischen durcheinandergebrachten und fast bis zur Unkenntlichkeit vermischten Tatsachen immer undurchschaubarer und der Mensch immer mehr verwirrt weil sich heute keiner mehr in der Grundordnung auskennt Den Grund dafür sehe ich in der Auseinanderdividierung dieser Grundordnung Es gibt und gab zwar immer Tendenzen den Menschen und die Welt als holistische Einheit zu betrachten aber meist wurde das als Esoterik oder Kreationistenwahn angetan Dabei sollte es dem klardenkenden Menschen logisch erscheinen dass die Grundordnung doch irgendwo noch zu finden sein sollte Aber das scheint wohl ein langer Weg zu sein weil man von dem Durchblick des derzeitigen Chaos zurück zu dem Ursprung finden muss und die im Christentum nachvollziehbaren 6000 Jahre sind eine lange Zeit Somit will das Buch

eine Hilfe sein das heutige Chaos zu entschlei sseln und den einzigen Weg zur ck vorstellen *The Quests For New World Order* Dipo Toby Alakija ,2001 While some historical accounts are distorted so many parts were written long before they eventually become history This is because a clique sees the need to destroy the old order and pave the way for the New World Order The quest to dominate the world and fuse all nations together as one entity is an age long battle which becomes more profound and pronounced in the modern days with the use of chemical biological psychological spiritual and other weapons With presentations of documentary circumstantial and other evidences most of which are made available by ancient and modern researchers and writers this book attempts to shed light on what actually characterized global events like the French revolution world wars civil wars virus pandemic and other catastrophes that plague humanity These research works address the question that was raised in the book titled Pawn In The Game by William Guy Carr who asked why the Human Race can t live in peace and enjoy the bounties and blessing God provides for our use and benefit in such abundance This book also serves as a warning that when the New World Order emerges humans will become semi robots that are shackled into Computer Network through the use of Artificial Intelligence IA as opposed to Natural Intelligence The Secret American Dream: The Creation of a New World Order with the Power to Abolish War, Poverty, and Disease Nicholas Hagger Author,2013-01-01 Until the present time there have been seven stages of United States expansionism from the Federal unification of the original states to the New World Order planned by US led commercial elites before and after 1989 Extrapolating both from the author s distinctive reading of history and the evidence of President Obama s own speeches and actions The Secret American Dream proposes that the US now faces a new eighth phase of expansion In this the traditional American Dream of peace social order and prosperity would be extended to all humankind This ambitious plan little known and understood outside President Obama s inner circle would involve the creation of a benevolent World State initiated but not dominated by the United States The Secret American Dream suggests that the first step in establishing the World State a supranational authority with legal powers to abolish war and nuclear weapons would be a visit by the US President to the UN General Assembly requesting a World Constitutional Convention Under the President s proposals the existing UN General Assembly would become an elected 850 seat lower house alongside a new World Senate and an executive called the World Commission A senatorial World Openness Committee would control the world s commercial elites and harness their positive skills and energies Founded on altruistic and philanthropic principles the World State would bring global peace disarmament and the opportunity of prosperity to every individual on Earth The abolition of war and nuclear stockpiles would remove the threat of nuclear war and the possibility of ex Soviet nuclear weapons falling into terrorist hands It would also create a peace dividend of nearly US 1 5 trillion per year which could be spent on eliminating world poverty disease and famine on guaranteeing financial instability and a minimum income for all and on solving energy and environmental problems Initiatives by President Obama in a range of areas such as his recent nuclear disarmament deal with Russia show that he is already
