Durga Kosha:

Durgā-kosha Saligrama Krishna Ramachandra Rao,1997 Compilation of hymns to Durg Hindu deity from various sacred works includes text in Sanskrit *Śiva-kosha* Saligrama Krishna Ramachandra Rao,1998 , **General Studies & CSAT** YCT Expert Team , 2023 UPPCS Pre General Studies CSAT Solved Papers *In the Valley of the Kauravas* William S. Sax,2024-01-02 The isolated valleys of Rawain in the Western Himalaya are ruled by local gods who control the weather provide justice and regularly travel through their territories to mark their borders and to ward off incursions by rival gods These identified with Karna and Duryodhana from the great Indian epic Mahabharata are regarded as divine kings whom local persons serve as priests ministers patrons soldiers and servants Each divine king has an oracle who is regularly summoned enters into a trance and speaks with the god s voice appointing and dismissing officers confiscating property levying fines and ratifying the decisions of councils of elders The gods hear civil and sometimes criminal cases and through their oracles enforce their judgments through fines and penalties or by compelling disputants to reach a compromise In the Valley of the Kauravas seeks to describe how this system functions by closely examining the myths legends rituals and folklore associated with it and above all by providing a detailed ethnographic description of its day to day workings It contextualizes this system by comparing it with divine kingship throughout history in both South and Southeast Asia and seeks to embed this historical and ethnographic analysis in a theoretical discussion of the nature goals and limits of anthropological knowledge of multiple worlds The chapters of the book are organized in terms of the seven limbs of the classical Indian kingdom as described by the political philosopher Kautilya king land and people minister army treasury ally and enemy *Indian Political Thought* Mr. Rohit Manglik,2023-08-21 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels *Chanakya in Blue Denims* Mahendra Garodiya,2025-04-04 The premise of the present book on family business is that according to Chanakya Most challenges to the kingdom come from inside the kingdom then outside Therefore one must fortify the kingdom from within The king must take care of proper education of self supporters and successor for a long rule over the kingdom Our mission through this book is to empower family businesses by building sustainable business models for them thereby helping them attract authentic team members customers and investors Today s education system moulds students from KG to PG into job seekers instead of job creators Even children of family business owners who can create jobs are themselves seeking jobs Being able to provide them with food clothing shelter and self respect at the same time employment Hence the greatest loss to society is this potential job creator family businessman being converted into a job seeker **General Studies & CSAT Solved Papers** YCT Expert Team , 2023 24 UPPCS Pre General Studies CSAT Solved Papers **Modern Indian Political Thought** Bidyut

Chakrabarty, Rajendra K. Pandey, 2023-09-29 This book is an unconventional articulation of the political thinking in India in a refreshingly creative manner in more than one way Empirically the book becomes innovative by providing an analytically more grasping contextual interpretation of Indian political thought that evolved during the nationalist struggle against colonialism Insightfully it attempts to unearth the hitherto unexplored yet vital subaltern strands of political thinking in India as manifested through the mode of numerous significant socio economic movements operating side by side and sometimes as part of the mainstream nationalist movement This book articulates the main currents of Indian political thought by locating the text and themes of the thinkers within the socio economic and politico cultural contexts in which such ideas were conceptualised and articulated The book also tries to analytically grasp the influences of the various British constitutional devices that appeared as the responses of the colonial government to redress the genuine socio economic grievances of the various sections of Indian society The book breaks new ground in not only articulating the main currents of Indian political thought in an analytically more sound approach of context driven discussion but also provokes new research in the field by charting a new course in grasping and articulating the political thought in India This volume will be useful to the students researchers and faculty working in the fields of political science political sociology political economy and post colonial contemporary Indian politics in particular It will also be an invaluable and interesting reading for those interested in South Asian studies Sanatan Depth Munindra Misra, 2025-07-11 Not only where the Vedas roam Is Atman found or called its home Hindu is he who sees the soul In all that moves in every whole Not born to caste nor claimed by land But known by heart and open hand Where sacred rivers may not flow The flame of truth can still bestow No one is less no one above The law of dharma springs from love Where kindness walks and ego dies There shines the Lord in human guise So call him Hindu not by blood But one who rises past the mud Who bows to life in every face And sees in all the same One grace **Indian**

Political System Bidyut Chakrabarty, Rajendra K. Pandey, 2023-09-15 This volume examines the distinct structural characteristics of Indian politics and unearths significant sociopolitical and economic processes which are critical to the political articulation of governance in the country It reflects on the foundational values of Indian polity the emergence of the nation post colonialism the structural fluidity of federalism in India and the changing nature of the planning process in the country The book also studies the electoral processes social movements party system local and state governance Apart from analyzing corruption and public grievance systems the volume also probes into significant issues in Indian politics This book will be useful to the students researchers and faculty working in the field of political science public administration political sociology political economy and post colonial contemporary Indian politics in particular It will also be an invaluable and interesting reading for those interested in South Asian studies *The Sacred Sounds of Sri Vidya* Vinita

Rashinkar, 2022-10-06 Sri Vidya begins where the current understanding of quantum physics ends say modern day scholars about this little known highly esoteric spiritual tradition that has been kept under wraps by its practitioners Sri Vidya

practice is a three fold one encompassing mantra sacred sound yantra sacred geometry and tantra a technique or framework for worship Learning about the mantras used in the Sri Vidya tradition is fascinating as much as it is frustrating because information about its various aspects is exceptionally hard to find This book endeavours to explore the main mantras used in the Sri Vidya tradition and understand them as the unfolding of Shakti the inherent power which lies at the core of our being and holds the key to our worldly and spiritual success Our minds and beliefs can be our strongest allies or our worst enemies The book delves into concepts such as the importance of building the right narrative about life and the need for ritual in modern day lifestyle Samskara vritti and vasana are described along with a detailed study of tantra and Sri Vidya before a discussion on mantras in general and then focusing on the mantras used in the Sri Vidya tradition The subjects covered seek to establish the context of mantra sadhana in Sri Vidya is to be approached combining elements of knowledge devotion and ritual We live in a time of deep insecurity stuck in the midst of a feeling of scarcity stress and self limiting beliefs This book offers everyone an opportunity to learn and experience the benefits of mantra sadhana of Sri Vidya and enjoy a life of abundance in all aspects of life good health meaningful relationships success at work peace and bliss in the spiritual path The author has kept in mind the sensibilities of the modern spiritual seeker and their needs and interests presenting the information in a non dogmatic and practical manner This is the fourth book by the author in the Spirituality series The first book was about the Sri Chakra Yantra the second was about Chakras and the third was Tantra Mantra and Yantra of Sri Vidya
