Re: Welcome to THE CLIENT ATTRACTION SYSTEM!!!

Dear **CLIENT**,

It was great to talk about your business situation. Your goals are very clear, double and I'm delighted that we'll be working together toward reaching them!

In the meantime, please prepare a few things to make our time on the calls more effective. It will help you get great results, immediately.

Please fill out the following materials by typing your answers in the actual documents and return them to me at least a day prior to our first call. Feel free to take your time with it. (Keep copies for yourself.)

- Coaching Agreement
- Client Information
- Credit Card Processing Information Sheet

The attached **Weekly Progress Form** is not necessary for the first call, however, please fill it out weekly for subsequent calls and send prior to each coaching session. Sadly, clients who don't fill out the form weekly tend to get off track and see fewer results. I'm letting you know this because I want the best for you!

Clients who fill out the **Post-Call Recap Form** (attached at end of this document) after each weekly call also see better results from our work. I ask that you fill it out also, including after the first call.

Should you have any questions or need clarifications, just call me. I'm looking forward to working with you, **CLIENT**!

Warmly,

A handwritten signature in black ink that reads "Fabienne".

Corporation tax in Northern Ireland

Great Britain: Parliament: House of Commons: Northern Ireland Affairs Committee, 2011-06-09 The committee supports the principle of devolving to the Northern Ireland Executive the decision over whether or not to amend the rate of corporation tax and believes this would assist the indigenous private sector to expand innovate and employ more staff The report uses 12.5% as a benchmark for the lower rate of corporation tax but suggests that on the basis that the decision is devolved to the Northern Ireland executive it may in due course choose a lower rate To maximise the benefits of a lower rate though continued progress needs to be made on other economic development policy mechanisms including planning education and incentives for research and development and exporting Low corporation tax is not a panacea for all Northern Ireland's economic ills warns the committee and there are considerable implementation issues direct comparisons with the Republic of Ireland and its experience with 12.5% are difficult because the UK and Irish tax systems are different and the UK Government would have to satisfy the criteria laid down in the Azores judgment for the tax reduction to satisfy EU rules on state aids The committee was surprised to discover HM Treasury do not know how much corporation tax is raised in
