

The background of the book cover is a landscape photograph. It shows a dark, silhouetted foreground with a few bare trees on the right. In the middle ground, there are rolling hills or mountains. The sky is filled with dramatic, dark clouds, and a bright, horizontal band of yellow and orange light, representing a sunset or sunrise, stretches across the horizon.

Western Philosophy 2nd Edition By Cottingham:

Western Philosophy John G. Cottingham, 2021-07-02 The new edition of this celebrated anthology surveys the Western philosophical tradition from its origins in ancient Greece to the work of today's leading philosophers. *Western Philosophy: An Anthology* provides an authoritative guided tour through the great tradition of Western philosophical thought. The seminal writings of the great philosophers along with more recent readings of contemporary interest are explored in 144 substantial and carefully chosen extracts, each preceded by a lucid introduction guiding readers through the history of a diverse range of key arguments and explaining how important theories fit into the unfolding story of Western philosophical inquiry. Broad in scope, the anthology covers all the main branches of philosophy: theory of knowledge and metaphysics, logic and language, philosophy of mind, the self and freedom, religion and science, moral philosophy, political theory, aesthetics, and the meaning of life. All in self-contained parts which can be worked on by students and instructors independently. The third edition of the *Anthology* contains newly incorporated classic texts from thinkers such as Aquinas, Machiavelli, Descartes, William James, and Wittgenstein. Each of the 144 individual extracts is now followed by sample questions focusing on the key philosophical problems raised by the excerpt and accompanied by detailed further reading suggestions that include up-to-date links to online resources. Also new to this edition is an introductory essay written by John Cottingham which offers advice to students on how to read and write about a philosophical text. Part of the Blackwell Philosophy Anthologies series, *Western Philosophy: An Anthology, Third Edition* remains an indispensable collection of classic source materials and expert insights for both beginning and advanced university students in a wide range of philosophy courses. *Western Philosophy* John G.

Overcoming Toxic Emotions Raymond Olusesan Aina,2022-07-06 Overcoming Toxic Emotions is a compelling theme to enrich the restorative justice literature on the complex tasks of relational repair in a transitional society With its emphasis on the centrality of rebuilding trust and renewing the mode of being together this book is an innovative addition to the literature on justice in transitional societies It offers an original assessment of the Nigerian experience of restorative justice in peacebuilding This genuinely theological work opens new perspectives for a more adequate understanding of the Christian contribution to peacebuilding and the secular debate on restorative justice Yet the author expresses himself as an African theologian paying attention to the specific context of the problems about transitional justice and integrating spontaneously the wisdom of his dual cultures Yoruba and Christianity With its attentiveness to victim perspectives the book engages the

traditional notion of divine omnipotence and vulnerability The book rejects the notion of the fetish omnipotent God It opts instead for an image of God as vulnerable yet powerful in love compelling inspiring and rallying us *René Girard and the Western Philosophical Tradition, volume 1* Andreas Wilmes, George A. Dunn, 2024-07-01 This edited volume situates Ren Girard in relation to the Western philosophical tradition Each chapter engages the French anthropologist in dialogue with a key figure from the history of Western philosophy from Plato to Kierkegaard The pivotal question of Ren Girard and the Western Philosophical Tradition revolves around Girard s assertion Since the attempt to understand religion on the basis of philosophy has failed we ought to try the reverse method and read philosophy in the light of religion Major philosophers influenced Girard and contributed valuable insights into questions of desire religion violence and the sacred At the same time he felt that Western philosophy often if not always neglected the founding violence that lies at the origin of culture This is the first collective scholarly effort at situating Ren Girard in relation to the Western philosophical tradition Volume 1 features chapters on Plato Augustine of Hippo Niccol Machiavelli Thomas Hobbes Blaise Pascal Baruch Spinoza Jean Jacques Rousseau Adam Smith Immanuel Kant Georg Wilhelm Friedrich Hegel Friedrich Wilhelm Joseph Schelling Alexis de Tocqueville S ren Kierkegaard and Ren Girard Religion and the Enlightenment James M. Byrne, 1997-01-01 This volume offers an overview of the Enlightenment s revolution of Western theology It explains the era s ideas within the framework of religion politics and society and shows how they impacted that society **The God's Honest Truth** Laird S. Ballard, 2013-06-12 If you have ever wanted to believe in God in the face of so much that would say He doesn t exist this is the book for you On the scientific level The God s Honest Truth is just that a book of truth discussing what scientific proof is as opposed to what is mere science fiction regarding universal beginnings It deals with issues of six day creationism offers evidence for a worldwide flood and denounces evolution for what it is On a theological level it is a primer for contemporary biblical thinking teaching believers what the Bible says on the important issues of life It discusses why evil exists in the face of an all loving God and whether the fate of sinful man will be perpetual torture in the fires of hell Lastly it walks readers through such historical subjects as Christian participation in warfare slavery and speaks to the more current issues of abortion and gay rights Based strictly on biblical doctrines when rendering decisions it is meant as a guide through the ever changing customs and conceived morality of life on planet Earth **Ethical Theory** Russ Shafer-Landau, 2007-07-30 In presenting this reader on ethical theory Shafer Landau philosophy U of Wisconsin has made sure to cover the standard topics of the day consequentialism deontology contractarianism and virtue ethics but has also sought to include areas that are less common in sections on moral standing moral responsibility moral knowledge and works that question the very possibility of systematic ethics He also includes a section that discusses ethics and religion and another that examines prima facie duties and particularism Rather than include critics views following the various theoretical presentations he has instead decided to include more works of allied thinkers in order to provide readers with a more nuanced view of the particular view in question
