Bell, Jr., James S. Bell, Stan Campbell, 2002 For Christians who want to understand more about their faith this is a useful introduction that is also a helpful Christian doctrine for newcomers **Providential Beginnings** J. Rosalie Hooge, 2003-12 **The 10 Things You Should Know About the Creation vs. Evolution Debate** Ron Rhodes, **The Secrets of Suffering** T.A. Nalian, 2020-04-28 The moment we find ourselves in adversity we tend to quickly react in two ways Lord would you deliver me and deliver now And Why is this happening to me Often deliverance will not come immediately and the epic question why is truly the big reason for this book In your lifetime suffering will be inescapable This is why it's so important we learn to navigate our way through the thick dark forest of suffering If we do not learn this ourselves and neglect to teach those coming after us we will forego many blessings and experiences with God and expose our children students and parishioners to the same The uniqueness of this book is positioned in the fact that its author has experienced suffering beginning at the age of three to the writing of this work Therefore the substance of this book rests not in hypothesis but rather in real time experience If you are suffering this book can help you for the simple reason that the author will compel you to put yourself in the presence of His Majesty the Lord Jesus He is the one who has suffered the most The one who suffered the most can help you the most Why Because He is the Almighty Eternal God He loves you with an everlasting unconditional love The Lord can identify with your every hurt He will show you in your suffering that He is close intimate and He cares Everyone knows someone who is struggling and suffering This book would be the perfect gift and resource equipping them to persevere while at the same time experiencing the glorious blessings of God in the process **Bible Translation in Suriname** Franklin Steven Jabini, 2015-07-31 The Republic of Suriname has a long and rich heritage of Bible translation spanning more than 250 years yet very little has been published on its history In this book Dr Franklin Jabini a Surinamer as well as a translator himself provides the reader with a detailed survey of the history of Bible translation across the many language groups of Suriname Illustrating the difficult and complicated process of Bible translation the book furnishes brief biographies of translators both national and foreign as well as the denominations and parachurch organizations involved This book is not just a historical account but provides important insight into the efforts of reaching all tribes tongues and nations with God's word **Overcoming Cynicism**, Megan Mustain, 2011-01-13 **Jesus Christ as Ancestor** Reuben Turbi Luka, 2019-08-31 In this critical study Dr Turbi Luka uses historical theological methodology to engage in detail with Christologies of key African theologians and conventional theological sources for Christology including the church fathers Tertullian and Athanasius as well as modern theologians Turbi argues that existing African Christologies specifically ancestor Christologies are inadequate in expressing the person of Christ as Messiah and saviour the fulfilment of Old Testament prophecies Providing a new approach Turbi proposes an African Linguistic Affinity Christology that explicitly portrays Jesus as Christ in a contextually relevant way for Africans in

everyday life This crucial study highlights the need for biblically rooted Christology and for sound theological understanding and naming of Jesus at every level This book also warns the church in Africa and elsewhere to avoid repeating the dangerous christological heresies of the ancient church by remaining faithful to a biblical interpretation and orthodox theology of Christ

Teaching Visuals from Willmington's Guide to the Bible Harold L. Willmington, 1981-01-01 **Finding Christ in the Old Testament: Searching Out How the Early Church Supported the Doctrines of Christ from only the Old Testament** William Waddell, PhD., ThD., 2014-10-13 So the modern believer may be encouraged to search out Jesus not only in the New Testament but also in the Old The early church even though they had only the Old Testament did not lack in Scriptural backing when they preached and taught about Jesus The modern church should be as well armed having both the Old and New Testament at its disposal Authentic Managerial Leadership Robert A. Terry, 2011-09-21 Paul was writing to this fledgling church giving them encouragement and hope in a world that seemed hopeless for their continued existence In spite of their negative circumstances this young church was being a model to all believers throughout their world Here is help and hope for your world A Model for All Believers has the perspectives of a history book the insights of a commentary the style of a devotional the flow of a novel the readability of a magazine and the content of the Word of God It is the best of many literary worlds Author Kenneth Terry writes masterfully in a style that makes a 1st Century book come alive with 21st Century relevance Presiding Bishop Ronald D Carpenter International Pentecostal Holiness Church Oklahoma City OK Kenneth Terrys book A MODEL FOR ALL BELIEVERS a study of First Thessalonians is a practical study of the epistle for pastors teachers and believers The combination of Dr Terrys commitment
