and in the future

**The New Politics of the Textbook** Heather Hickman, Brad J. Porfilio, 2012-10-13 In an age of unprecedented corporate and political control over life inside of educational institutions this book provides a needed intervention to investigate how the economic and political elite use traditional artifacts in K 16 schools to perpetuate their interests at the expense of minoritized social groups The contributors provide a comprehensive examination of how textbooks the most dominant cultural force in which corporations and political leaders impact the schooling curricula shape students thoughts and behavior perpetuate power in dominant groups and trivialize social groups who are oppressed on the structural axes of race class gender sexuality and dis ability Several contributors also generate critical insight in how power shapes the production of textbooks and evaluate whether textbooks still perpetuate dominant Western narratives that normalize and privilege patriotism militarism consumerism White supremacy heterosexism rugged individualism technology and a positivistic conception of the world Finally the book highlights several textbooks that challenge readers to rethink their stereotypical views of the Other to reflect upon the constitutive forces causing oppression in schools and in the wider society and to reflect upon how to challenge corporate and political dominance over knowledge production *Modern Times* Mica Nava, Alan O'Shea, 2013-04-15 Confronting the contemporary poststructuralist debate from the perspective of cultural of cultural historiography this book presents an historical study of race and ethnicity Specifically it provides an account both theoretical and applied of the combination of sexual racial and ethnic underpinning and shaping the experiences of English men and women in various colonies in the nineteenth century Although accessible for the student the book will be received seriously by both theorists and historians Schulbuch und religiöse Vielfalt Zrinka Stimac, Riem Spielhaus, 2018 Wie wird Religion in Bildung und Schulb chern pr sentiirt Religionsbezogene Analysen in Geschichts Ethik und Religionsschulb chern unterschiedlicher L nder ergeben hinsichtlich der Konstruktion religiö ser Vielfalt ein disparates Bild Deutlich wird allerdings

dass alle Schulf cher im Hinblick auf religi se und weltanschauliche Vielfalt vor hnlichen Herausforderungen stehen Eine Reihe von Beitr gen zeigt dass Religionen in Bildungsmedien bisher nicht in ihren Wandlungen in den Blick genommen werden und die Grenzziehung zwischen Religion und Nicht Religion unterbestimmt bleibt Klar wird auch dass die Debatte um den angemessenen Bildungszugang zu Religion in demokratischen Gesellschaften wieder an Dynamik gewonnen hat

*The 'Other' Students* Dina C. Maramba,Rick Bonus,2012-12-01 Though the Filipino American population has increased numerically in many areas of the United States especially since the influx of professional immigrants in the wake of the 1965 Immigration Act their impact on schools and related educational institutions has rarely been documented and examined The Other Students Filipino Americans Education and Power is the first book of its kind to focus specifically on Filipino Americans in education Through a collection of historical and contemporary perspectives we fill a profound gap in the scholarship as we analyze the emerging presence of Filipino Americans both as subjects and objects of study in education research and practice We highlight the argument that one cannot adequately and appropriately understand the complex histories cultures and contemporary conditions faced by Filipino Americans in education unless one grapples with the specificities of their colonial pasts and presents their unique migration and immigration patterns their differing racialization and processes of identity formations the connections between diaspora and community belonging and the various perspectives offered by ethnic group centered analysis to multicultural projects The historical methodological and theoretical approaches in this anthology will be of interest to scholars researchers and students in disciplines which include Education Ethnic Studies Asian American and Pacific Islander Studies Anthropology Sociology Political Science Urban Studies Public Policy and Public Health The Academy ,1875 **Exploring World History through Geography** Julie Crea Dunbar,2022-09-29 Not your run of the mill world history tome this book takes readers on a fascinating journey through time to examine world history through the closely related discipline of geography From the early civilizations of ancient Mesopotamia to our present day globalized society readers will learn how humans interacted and still interact with the environment around them as well as the environment s role in not only shaping the society s world view but enabling the building of socially stratified and successful civilizations Additionally the book examines how civilizations interacted with others from developing cross boundary trade to initiating wars of expansion Finally readers will also understand the impact of the study and application of geography such as the creation and use of maps and the study of cultures and Earth s processes Readers will come away with a new understanding of the relevance of geography to not only human history but contemporary events as well as their day to day lives By presenting this history from a slightly different geographic point of view this book will inspire fresh curiosity in the world both past and present Social Issues in Contemporary Native America Hilary N. Weaver,2016-04-01 Hilary Weaver has drawn together leading Native American social workers researchers and academics to provide current information on a variety of social issues related to Native American children

families and reservations both in the USA and in Canada Divided into four major sections each containing an introduction this book places the historical foundations of Native American social work in context in order to fully provide the reader with a comprehensive survey on various aspects of working with Native American families community health and wellness and community revitalization and decolonization This groundbreaking volume should be read by both educators and students in social work and other helping professions in the USA and Canada as well as all human service professionals working with Native Americans *An Ed-Tech Tragedy?* UNESCO, West, Mark, 2023-09-08

**Globalized Sport Management in Diverse Cultural Contexts** James J. Zhang, Brenda G. Pitts, 2019-04-05 Cross cultural management is an important facet of the globalized sport industry Sport managers must be skilled at working with individuals from diverse cultures and aware of the key issues affecting sport on a global level This book brings together cutting edge research from leading sport scholars from around the world to illuminate some of those important issues and to demonstrate what cross cultural management looks like in a sporting context Presenting case studies from countries as diverse as the US Brazil Poland and Venezuela and across a range of sports from football to basketball the book presents new empirical material derived from a range of inquiry protocols including both qualitative and quantitative methods It offers critical analyses of cross cultural and managerial issues in key areas such as group cohesiveness group communications and misperception and misinterpretation Making an important contribution to our understanding of both theory and practice in sport management this book is fascinating reading for any student researcher or practitioner with an interest in global and international sport

**A Museum Studies Approach to Heritage** Sheila Watson, Amy Jane Barnes, Katy Bunning, 2018-10-08 Heritage's revival as a respected academic subject has in part resulted from an increased awareness and understanding of indigenous rights and non Western philosophies and practices and a growing respect for the intangible Heritage has thus far focused on management tourism and the traditionally heritage minded disciplines such as archaeology geography and social and cultural theory Widening the scope of international heritage studies A Museum Studies Approach to Heritage explores heritage through new areas of knowledge including emotion and affect the politics of dissent migration and intercultural and participatory dimensions of heritage Drawing on a range of disciplines and the best from established sources the book includes writing not typically recognised as heritage but which nevertheless makes a valuable contribution to the debate about what heritage is what it can do and how it works and for whom Including heritage perspectives from beyond the professional sphere the book serves as a reminder that heritage is not just an academic concern but a deeply felt and keenly valued public and private practice This blending of traditional topics and emerging trends established theory and concepts from other disciplines offers readers international views of the past and future of this growing field A Museum Studies Approach to Heritage offers a wider more current and more inclusive overview of issues and practices in heritage and its intersection with museums As such the book will be essential reading for postgraduate students of heritage and museum studies It will also be of great interest to

academics practitioners and anyone else who is interested in how we conceptualise and use the past      **The War Against the Past** Frank Furedi, 2024-08-20 A war is being waged against the Past Whether it s toppling statues decolonising the curriculum or erasing terms from our vocabulary a cultural crusade is underway designed to render the past toxic It is condemned as enemy territory and has become the target of venomous hate What is at stake in provoking such a strong sense of societal shame towards Western history In this book Frank Furedi mounts a fierce defence of the past and calls for a fight back against the delegitimization of its ideals and accomplishments Casting the past as a story of shame has become a taken for granted outlook permeating the educational and cultural life of western society from the top down Its advocates may see it as a cultural imperative but a society that loses touch with its past will face a permanent crisis of identity Squandering the wisdom provided by our historical inheritance means betraying humanity s positive achievements Challenging this great betrayal Furedi argues is one of the most important battles of our time      **Educational Times** ,1901

**Echoing Events** Tina van der Vlies, 2022-12-12 Echoing Events questions the perpetuation actualization and canonization of national narratives in English and Dutch history textbooks wide reaching media that tendentially inspire a sense of meaning memory and thus also identity The longitudinal study begins in the 1920s when the League of Nations launched several initiatives to reduce strong nationalistic visions in textbooks and ends in the new millennium with the revival of national narratives in both countries The analysis shows how and why textbook authors have narrated different histories which vary in terms of context epoch and place as echoing events by using recurring plots and the same combinations of historical analogies This innovative and original study thus investigates from a new angle the resistance of national narratives to change      Education, Ethnicity and Equity in the Multilingual Asian Context Jan GUBE, Fang GAO, 2019-02-08 The book addresses issues related to the education of ethnic minority individuals in the multilingual Asian region It features recent research and practices of scholars aiming to rethink educational policy and practice surrounding the education of ethnic minority students with a variety of language scenarios in Hong Kong and other Asian contexts It documents how ethnicity and inequality are played out at policy school and individual levels and how these affect the education of ethnic minorities in their host societies Using a range of methods from surveys to interviews and document analysis this book describes the links between language identity and educational inequality related to ethnic minorities in Asian contexts      **The Saturday Review of Politics, Literature, Science and Art** ,1875      **The Spectator** ,1869 A weekly review of politics literature theology and art      The Jewish Audio-visual Review ,1959      *Learn Something New Every Day* Kee Malesky, 2012-08-31 Learn something new with 366 fascinating facts from NPR librarian Kee Malesky What was the greatest thing before sliced bread 1 What color did carrots used to be 2 Why do many American spellings differ from their British counterparts 3 What does it mean to have one s eyes lined with ham 4 If you know the answers to these questions then you re John Hodgman If you had to look for them below you need this book 5 Kee Malesky author of All Facts

Considered returns with a year's worth of facts on the arts, history, language, natural history, religion, and science to build up your brain. From "What is the only sea without coastlines?" to "How did the tradition of April Fool's Day begin?" this book is the best way to know more stuff than that other guy. 6 Learn Something New Every Day is the ideal gift for anyone with an inquisitive mind and an appreciation of the wonders of the world around us. But don't give it to them. You don't want them to know more than you do. 1 Bagged bread 2 Purple 3 Blame or thank Noah Webster 4 That's the Italian expression for can't see the wood for the trees 5 You'd enjoy it too, Mr. Hodgman 6 Discovering more than one fact per day can cause increased confidence. We've probably already put you at risk with the four above. Learn safely.
