Mental Liberation In The Age Of Thought Control Deprogramming Satanic Ritual Abuse Mk Ultra Monarch Illuminati Mind Control:

Mental Liberation in the Age of Thought Control Kerth Barker, 2014-12-23 The Mechanical Universe Imagine a world where a majority of the people on the planet have been hypnotized Imagine that virtually all the important world leaders have been hypnotized In their hypnotized state they still do have a degree of functionality They are not totally out of touch with reality but their perception of the world is slightly amiss They can still walk and talk They still enjoy human relationships They breathe eat and drink But their distorted perception causes them to act in ways that are destructive Their distorted perception causes them to feel less joy in life They are harming themselves other people and the environment because of their distorted perception And the basis of this distorted perception is that on a subconscious level of mind they have been programmed to believe themselves to be in a mechanical universe Subconsciously they believe that they are surrounded by a giant machine Subconsciously they believe that they are a machine within a machine And these subconscious distortions are always there On a conscious level of mind they are not aware of how they have been hypnotized They have no conscious awareness of the fact that they are in a persistent hypnotic state This is the nature of subconscious programming the hypnotized person is simply not aware of the programming This book is about deprogramming this mechanical universe This book is unique you won't find any other book on deprogramming that is quite like this one I describe a system of mind control that was developed by other persons These persons were former MK Ultra researchers who had become disillusioned with the CIA and the MK Ultra research program So they began to covertly help those persons who were the victims of Satanic Ritual Abuse and MK Ultra I'm the only person who is willing to publicly describe their system of therapy I don't give advice on how to perform therapy I only share information In some cases the information comes from therapists who have treated MK Ultra and Monarch mind control In this book I tell stories and share unique insights I'm a survivor of Satanic Ritual Abuse and some MK Ultra techniques I want to give hope to other survivors who are trying to recover And I want to give some new viewpoints for therapy to those who are trying to help recovering survivors This book was written as a sequel of sorts to my two previous books Angelic Defenders and Demonic Abusers Memoirs of a Satanic Ritual Abuse Survivor and Cannibalism Blood Drinking High Adept Satanism The Ritual Abuse Secrets of the Illuminati Archangel X, 1998-10-30 The Illuminati is EVERYWHERE Imagine a world controlled and manipulated by an occult secret society made up of the world's most powerful political and financial families This is No Imaginary World It's A Reality Satanic Ritual abuse is an extreme sadistic form of abuse against children and non-consenting adults It is a methodical systematic sexual physical emotional and spiritual abuse which often includes mind control torture and highly illegal and immoral activities such as murder child pornography blackmail and prostitution SRA happens every day around the country yet the vast majority of it goes unreported due to the involvement of powerful political societal financial families who control the media and the flow of

For the first time a book attempts to explore the complex issues of traumatic ritual abuse and the mind control that results from it It is an attempt to delve into the heavy issue of elitist pedocriminality also called pedo satanism How does the brain of a child react to such horrors How is it possible to mentally program a human being What are the roots of such practices By going back to the ancient religions passing through ancestral shamanism while cross checking the numerous testimonies of victims and therapists but also of repentants we discover little by little that these psycho spiritual practices which consist in creating deep states of modified consciousness through traumas are a Pandora s box allowing to perpetuate a mental slavery but also to access other dimensions It is an occult and subterranean world but which paradoxically speaks to us of enlightenment while clearly displaying itself in the spotlight of the great world theater notably in show business Just like a split and amnesic memory this book reconstitutes a kind of MK puzzle MK for Mind Kontrol whose different pieces link at the same time the so called mystery religions anthropology psychotraumatology transgenerational Satanism governmental programs of the MK Ultra type demonology sexual magic secret societies but also the entertainment industry whose codes and symbols make an MK subculture more and more explicit and revealing Once all these pieces are put together in a coherent way part of the arcane of this world starts to become accessible an essential key to understanding the pedo satanic system and more globally what we call today the New World Order The bases of mental control apply as much to the individual as to the masses it is the primary tool of domination of the Religion without a name the eye of the storm This book attempts to piece together the MK puzzle as best as possible and should help you to understand one of the most obscure aspects of our world and perhaps also enlighten you on our current situation both material and spiritual
