Goll, 2007-04-28 Over two hundred and fifty years ago this verse was burned into the hearts of Moravian refugees in the tiny community of Herrnhut in eastern Germany Their commitment to restore the Watch of the Lord through 24 hours of unbroken prayer and intercession continued for more than 100 years God is calling His warriors once again to mount the Watch of the Lord When God s people send up the incense of prayer and worship God will send down supernatural power anointing and acts of intervention Author James W Goll combined with the writings of E M Bounds paints an inspiring picture of prophetic clarity and prayerful urgency that sound God s clarion call to His Church Now is the time to mount the walls with prayer and praise and restore The Lost Art of Intercession [The Lost Art of Intercession](#) James W. Just Asking Stuart McAlpine, 2018-08-28 We need to state the obvious prayer is about asking If we deny dilute or diminish that the bones of our prayer lives will suffer from spiritual osteoporosis Prayerlessness is a failure to ask and keep on asking Isn't it obvious what asking is about Perhaps but that is precisely why it is taken for granted and not even mentioned in most books about prayer and if it is it is treated as if it were a lesser and lower form of prayer equated with the immature requests of a child Nothing could be further from the biblical truth Asking is not simple prayer Prayer is simply asking The assumption is that asking will be transcended by more mature forms so prayer is presented in an ever increasing number of levels which seem to make the climb to the throne ever more arduous and unattainable Just Asking is just about asking The majority of books about prayer discuss any number of kinds of prayers in general Asking is all that this book talks about specifically It invites you into a comprehensive biblical study of asking and then encourages you to just do it After all it was Jesus who said Ask and you will receive and then repeated the invitation no less than six times in his last conversation with his disciples Aren't last words important Why can we ask with confidence What makes for effective asking Read this book and let's just ask together
