## BLOOD LINES

Research has shown an extraordinarily high level of involvement on the part of certain families or clans--blood lines, in other words--in a great many interdimensional activities and related operations along the lines of Philadelphia/Montauk; members of which apparently possess specific psychic and genetic characteristics which facilitate certain of these endeavors. Many of these blood lines are German (Teutonic) and/or Celtic.

The primary psychic used in the "heyday" of the Montauk activities up until 1983 was Duncan Cameron, directly related to the truly horrible Ewen Cameron who conducted the well-known experimental mind control research (mostly drug-based with some EM/RF aspects also) at Montreal's Allan Memorial Institute (mostly in the 1960s and early 1970s.). Duncan's father was deeply involved with clandestine (and not so clandestine) government agencies which funneled hordes of Nazi officials and scientists into this country; much of this well before the end of WW2.

The Kennedy clan is historically related to the Cameron clan and Joseph Kennedy, in his office as US ambassador to Great Britain, was unabashed in support of Hitler even after WW2 began--in direct conflict with the position and wishes of his president Franklin Roosevelt.

Masterminds of Philadelphia/Montauk and related operations are thoroughly tied to the Nazi/Aryan agenda and even for lower level, non-esoteric, noncritical activities and experiments will often utilize subjects with "Aryan" genetic characteristics and blood lines; these people are often of German or Celtic descent. The reason these groups have been "selected" (let's not say "chosen") for such a thoroughly unenviable distinction in connection with such activities is due to what project operators believe are strong psychic, intuitive and mystical/ magical abilities inherent in people of these races.

To whatever extent this may be true, those of Celtic/German descent are most unfortunately being exploited in service of a truly hellish and
