**Coursebook 08/09 Marketing Communications** Chris Fill, Graham Hughes, 2012-05-31 Butterworth Heinemann's CIM Coursebooks have been designed to match the syllabus and learning outcomes of our new qualifications and should be useful aids in helping students understand the complexities of marketing. The discussion and practical application of theories and concepts with relevant examples and case studies should help readers make immediate use of their knowledge and skills gained from the qualifications. Professor Keith Fletcher, Director of Education, The Chartered Institute of Marketing, Here in Dubai, we have used the Butterworth Heinemann Coursebooks in their various forms since the very beginning and have found them most useful as a source of recommended reading material as well as examination preparation. Alun Epps, CIM Centre Coordinator, Dubai University College, United Arab Emirates. Butterworth Heinemann's official CIM Coursebooks are the definitive companions to the CIM professional marketing qualifications. The only study materials to be endorsed by The Chartered Institute of Marketing. CIM all content is carefully structured to match the syllabus and is written in collaboration with the CIM faculty. Now in full colour and a new student friendly format, key information is easy to locate on each page. Each chapter is packed full of case studies, study tips and activities to test your learning and understanding as you go along. The coursebooks are the only study guide reviewed and approved by CIM. The Chartered Institute of Marketing. Each book is crammed with a range of learning objectives, cases, questions, activities, definitions, study tips and summaries to support and test your understanding of the theory. Past examination papers and examiners' reports are available online to enable you to practise what has been learned and help prepare for the exam and pass first time. Extensive online materials support students and tutors at every stage. Based on an understanding of student and tutor needs gained in extensive research, brand new online materials have been designed specifically for CIM students and created exclusively for Butterworth Heinemann. Check out exam dates on the Online Calendar, see syllabus links for each course and access extra mini case studies to cement your understanding. In starting a new enterprise, one must be able to both plan and realize their initial goal. This book provides the budding entrepreneur with the essentials needed to draw up and execute a successful business plan. The implementation of the many methods presented in this title have been exercised for years both in practice and in real world management consulting situations. By laying out a straightforward blueprint for the reader, this title's pragmatic emphasis and autodidactic approach allows for easy absorption of the necessary skills and tools required for the planning and development of a new business venture. Each section of the book closes with a set of key questions, thusly providing a roadmap for building a successful business from the planning stage to successful marketing to finding investors. It is with this book's method that the reader is able to weigh the real risks associated with business.
