

Media Flight Plan Exercises Answers

Major note: our book compares *India, India's People* plus various countries and continents as they are. It's interestingly good but doesn't appeal and is not as typical for Indian history. The concluding film, *India's People*, is good, somewhat accurate, as well as a bit better with some of India's culture and history. However, note:

As this website design project unfolded, however, it often seemed as though most of the feedback coming in was from people who were not even interested in the project. This is why, from the beginning, we have been focusing on the people who are most interested in the project.
