Beyond Opinion Living The Faith We Defend Ravi Zacharias:

Beyond Opinion Ravi Zacharias, 2010-01-10 A definitive master work from the world's leading Christian apologist. Respected apologist Ravi Zacharias was once sharing his faith with a Hindu when the man asked, "If the Christian faith is truly supernatural, why is it not more evident in the lives of so many Christians I know?" The question hit hard, and this book is an answer. Its purpose is to equip Christians everywhere to simultaneously defend the faith and be transformed by it into people of compassion. In addition to writing several chapters himself, Ravi Zacharias brings together many of today's leading apologists and Christian teachers, including Alister McGrath and John Lennox, to address topics present in the very future of worldwide Christianity: from the process of spiritual transformation to the challenges posed by militant atheism and a resurgent Islam. Destined to become a classic, *Beyond Opinion* is a touchstone that will affect Christians around the world.

Beyond Opinion: Living the Faith We Defend Ravi Zacharias, 2010. Addresses issues such as the validity of the Bible, the hypocrisy of its followers, and the need to make a new statement on faith, allowing Christians everywhere to simultaneously defend the faith and be transformed by it into people of compassion.

Exploration Gott Stefan Vatter, 2020-07-13. Europa und die Welt befinden sich in einer Revolution. Wandel. Pandemien. Klimawandel. Flüchtlingskrise und Digitalisierung zwingen uns dazu, grundsätzlich umzudenken. Wie werden wir das Miteinander auf unserem Planeten gestalten? Was haben die Brennpunkte unseres Lebens und die Zukunftsfragen der Menschheit mit der Frage nach Gott zu tun? Der Theologe und Unternehmenscoach Stefan Vatter greift diese Fragen auf, indem er den Spuren bekannter Entdecker aus Naturwissenschaft, Politik, Philosophie, Kunst, Medien und Theologie folgt. Dabei lässt er atheistische Physiker wie Stephen Hawking und Religionskritiker wie Friedrich Nietzsche ebenso zu Wort kommen wie den überzeugten Christen C. S. Lewis. *Exploration Gott* nimmt Sie mit auf eine Reise zu den Brennpunkten unserer Zeit. Ein Buch, das Sie überraschen wird.

Hope's Reason: a Journal of Apologetics Vol. 2 No. 1 Stephen Bedard, 2011-09-28. In an increasingly skeptical world, there is now more of a need than ever for quality apologetic resources defending the Christian faith. The purpose of this journal is to bridge the gap between the academy and the church, equipping pastors and interested laypeople to present the Christian faith to an unbelieving world.

Centurion Living Justin Thompson, 2012-11. Did you ever ask, "What is the meaning of life?" Find out what Scripture has to say about the answer to this question as you develop a strategic life plan that is centered on God's purpose and vision for your life. Learn to see your entire life and all the everyday things that you do as divine assignments given to you by God Himself. You may change your perspective on life and gain a whole new passion for living. To begin this process, we must understand our origin: Where do we come from? Why are we here? What is the meaning of life? What or who defines our purpose? These are the most fundamental questions for a business to answer before creating a business plan, and they are the most fundamental foundational knowledge that an individual must acquire and define before any meaningful plan for life can be developed. The intent of this book is to be a guide to a stronger understanding of God's

purpose for you and to apply this understanding to the defining of values and a vision for your life In later chapters you will see how applying the foundation of purpose values and vision through ALL of the missions in your life with a clear strategy that maintains focus on your original purpose will help reveal God s purpose for your life When asked to define their purpose in life people often state that they were meant to be an engineer or accountant or doctor or clergymen or parent or whatever Someone may be called to one of these specific missions but a mission in life is different from life s purpose A mission is a life role or assignment Purpose is a fundamental meaning or reason for being *A Letter from Christ* Kerry D.

McRoberts,2012-02-15 Our nation is politically ideologically and socially polarized to the point of breaking confusion dominates every layer of our culture The church in America is a letter from Christ 2 Cor 3 3 written to our politically cynical socially insecure and spiritually skeptical culture Before the Gospel may become clear in our post everything culture we must make truth real in our hearts The purpose of this book is to 1 redefine dualistic frames in the minds of contemporary Christians that separate the saved from the advent of God s healing reign on Earth 2 relate Christian compassion to a post secular America and 3 propose a redefinition of the Christian controlling narrative Such a revised narrative will light the way for our restless hearts so that we as a nation may return from exile to restoration and rejoice in the sovereign reign of God in Christ

Alexis,2010 Today many in Hollywood and the media have declared open warfare on the family education and Christianity in general Intellectuals have labeled religion particularly Christianity as mere wish fulfillment or a virus of the mind something to be eradicated at all

costs In Christianity's Dangerous Idea Jonas Alexis picks up where he left off in his previous books and continues to examine the ideological fallacies that have been fabricated in order to attack Christianity and the people who promote those fallacies This latest book is a tour de force of rigorous logic and testable evidence for the Christian worldview from history science experience common sense and final destiny More importantly Alexis subjects the rivals of Christianity to the same rigorous testing Christianity's Dangerous Idea clearly demonstrates the destructive nature of popular atheistic and anti Christian philosophies spread throughout Western culture by such famous people as Friedrich Nietzsche Sigmund Freud Carl Jung David Cronenberg Steven Spielberg Alan Moore William S Burroughs Philip K Dick Bruce Lee Ayn Rand Bart D Ehrman Richard Dawkins and many more In a scholarly yet readable fashion Alexis shows that what the ancient Greeks often referred to as the cult of Dionysus has become mainstream in our modern age **Books That Change lives** CLC

Luke-Acts Improv: Biblical Narratives That Get You Into the Act Jamie Greene,2010-12 **Jesus on Trial** David Limbaugh,2014-11-17 In Jesus on Trial New York Times bestselling author David Limbaugh applies his lifetime of legal experience to a unique new undertaking making a case for the gospels as hard evidence of the life and work of Jesus Christ Limbaugh a practicing attorney and former professor of law approaches the canonical gospels with the same level of scrutiny he would apply to any legal document and asks all the necessary questions about the story of Jesus told through Matthew Mark Luke and John His analysis of the texts becomes profoundly personal as he reflects on his own spiritual and intellectual odyssey from determined skeptic to devout Christian Ultimately Limbaugh concludes that the words Christians have treasured for centuries stand up to his exhaustive enquiry including his examination of historical and religious evidence beyond the gospels and thereby affirms Christian faith spirituality and tradition **Into His Presence** Timothy L.

Matthew B. Wincowski,2014-09-16 Finding a coherent set of answers to life's age old questions can be an onerous undertaking Yet the questions abound in our culture and a rational collection of answers is seemingly ungraspable

Commoners have been led to believe that beliefs are irreversibly inconsequential Youngsters are boldly instructed to merely seek success Teachers unblushingly preach to students that there is no such thing as truth With uncountable opinions and beliefs put forth who ought we to trust Should we give credence to the preachy words of secularists who do not even have the backbone to adhere to a logically consistent worldview Are we to trust the pop psychologists who unmindfully and unabashedly bypass life's essential questions Would it be shrewd of us to subscribe to the pluralists who lack the decency to study incommensurable worldviews yet absurdly accept contrasting worldviews as equally valid Whom shall we trust In a culture where common sense has commonly vanished amongst commoners we would do well to welcome common sense into our lives Thinking episodically has become the modern routine and yet such a routine suffocates us in the ruins of our own lack of thinking for thinking episodically is really no way of thinking at all Perhaps just perhaps the answers to life's most pressing questions are within our reach but first we must be willing to embrace common sense

Relational Christianity

Wesley M. Pinkham, 2022-06-21 This work begins with a transformative idea human existence is fundamentally relational Relational Christianity explores how the nature of the Trinity must define the Church and the Christian spiritual life Utilizing Scripture Christian spiritual tradition and philosophy Pinkham and Gruenberg paint the picture of a Trinitarian Jesus centered Christianity led by the Father and explored in interpersonal oneness In this view God's intimate unifying love is the theological river that runs through the landscape of biblical revelation and through God's movement in history This work of Trinitarian practical theology suggests that the relation between Father Son and Spirit should shape and guide all Christian interactions with God with others and with self In the paradigm of relational Christianity the formation of genuine personhood and identity are based upon relational connections first with the Trinity and second with God's family The shape of the new covenant community must reflect the Father's nature Church culture must prioritize relationship in the same way the Trinity does

Questioning the Bible Jonathan Morrow, 2014-07-15 The Bible is the most influential book in human history But what are we supposed to do with it in the 21st century And even more importantly can it still be trusted as the Word of God Confusion and doubt about the Bible are becoming as common inside the church as they are outside Questions come from all sides Is the Bible anti intellectual Has the biblical text been corrupted over the centuries Who really chose the books of the Bible and why Which interpretation of the Bible is correct Are the gospels full of contradictions There are an unprecedented number of sophisticated attacks on the origin credibility and reliability of the Bible today Secularism has tried to undercut even the possibility of spiritual or moral knowledge Skepticism toward institutional religion is at an all time high Yet the Bible claims that truth is knowable and God is actively involved in our world What are we to do Pray for wisdom Think clearly Pick up your Bible Read through the 11 major challenges presented in these pages And be ready

Authentic Engagement Dieumeme Noël, 2023-03-15 Though called to partner in God's holy work of transformation the church has often responded with resignation rather than hope in the face of a broken hurting and violent world In Authentic

Engagement Dieumeme and Mirlenda No lliste remind us that the church was never meant to content itself with faith in the hereafter However to fulfill its God given role in society it must know what and whose it is and situate itself accordingly The authors explore questions of ecclesiology and establish the theological foundations for social engagement as they examine what it means to be a people defined by relationship with the triune God Arguing that the church has a mandate to see the world transformed they suggest a model of engagement that would empower believers to act as agents of transformation in all realms of society while remaining deeply rooted in their calling as ambassadors of a heavenly kingdom This book brings hope and conviction in equal measures as it reawakens the church to a consciousness of its identity its calling and its
