Ballinger,2015-08-24 Are you prepared to leave your home and flee to safety at a moment s notice should a natural or man made disaster happen where you live Most people realize that it is only a matter of time before a disaster happens to them It

is imperative to take action now and build your own Bug Out Bag with mission critical items that might be needed to insure your family's survival. This book will help you prioritize what survival gear is most important to buy first. It is intended to be the most comprehensive Bug Out Bag list available of the most important survival gear that will sustain you and your family indefinitely if a natural or man-made disaster should happen that forces you to abandon your home for any reason. You will learn life-saving tips and advice on how to become more self-reliant beyond the traditional 72-hour Bug Out Bag in case humanitarian aid does not arrive in time as proven by FEMA during Hurricane Katrina and Hurricane Sandy. No matter what the scenario, everybody should be preparing for the possibility of hard times. The better prepared you are for a disaster, the faster you will be able to recover from one. We live in crazy times. There is nothing wrong with planning in advance to insure your family's safety and survival. Part of having peace of mind comes from knowing that you have prepared for the real and possible disasters that can and do happen to ordinary people all around the world.

Living Wild Bear Grylls, 2012-10-31 The complete guide to living in the wild from the ultimate survival expert. In this essential guide to living wild, Bear Grylls reveals the secrets of his years of fieldcraft experience. This is the information you really need to know about living in the field from the man who has passed 21 SAS selection, climbed Everest, and survived in some of the most inhospitable regions on Earth. In his inimitable style, Bear has thrown out everything that's boring about scouting and fieldcraft and concentrated only on what's exciting, inspirational, and a little bit edgy. It's all here from mastering the art of making the perfect campfire and constructing the best camp to navigating safely through all terrains in all weathers with or without a map. The only other thing you'll need is this book. Bear Grylls served for three years with the British Special Forces 21 SAS. He is a world record-breaking adventurer, a bestselling author, and one of the world's most sought-after motivational speakers. Bear's prime-time adventure TV series reaches over a billion viewers worldwide in over 150 countries. He was recently awarded an honorary commission as a Lieutenant Commander in the Royal Navy for his endeavours with both adventure and charity. He is married to Shara and they have three sons: Jesse, Marmaduke, and Huckleberry.
