by Book News Inc Portland OR *Introduction to Hospitality Management* Dennis R. Reynolds, Imran Rahman, Clayton W. Barrows, 2021-06-02 The hospitality industry's rapid evolution provides career seekers with tremendous opportunity and unique challenges. Changes in the global economy, rising interest in ecotourism, the influence of internet commerce and myriad other trends contribute to the dynamic nature of this exciting field. *Introduction to Hospitality Management* presents a thorough overview of historical perspectives, current trends and real world practices. Coverage of bar and restaurant management, hotel and lodging operations, travel and tourism and much more gives students a comprehensive survey of this rewarding field. Focusing on practicality, this text presents real world examples of traditional methods alongside insightful discussions surrounding changes in consumer demands and key issues affecting the industry. The industry's multifaceted nature lends itself to broad exploration and this text provides clear guidance through topics related to foodservice operation, convention management, meeting planning, casino and gaming management, leadership and staffing, financial and business models and promotion and marketing. Emphasis on career planning and job placement strategies give students a head start in charting their future in hospitality.

Hospitality and Tourism Education in China Jigang Bao, Songshan (Sam) Huang, 2021-12-30 This book is the first to systematically introduce China's tourism education system and the various tourism education practices in China to the international audience and stakeholders. China has the world's largest tourism education system which consists of over 1 000 higher learning institutions with tourism related programs and over half a million of tertiary level students studying in these programs. Despite the industry scale, internationally little is known about this tourism education system and how it operates. Knowledge and better understanding of China's tourism education system are important as tourism becomes one of the critical forces transforming economy, society and environment. The book offers an historical evaluation of China tourism education development and elaborates on the current industry status and practices in different subject fields of China's tourism education including tourism management, hospitality management, events and festival management in higher education, tourism vocational education, tour guides training and certification, master of tourism administration, MTA education as a unique education model in China, PhD education in tourism, tourism curriculum research and international collaboration in tourism education in China. The book provides relevant knowledge to international tourism education providers, industry practitioners, human resource managers, government officials and tourism academics, researchers and students.

Tourism SMEs, Service Quality, and Destination Competitiveness E. Jones and C. Haven, 2005 This book focuses in on the dominant role of SMEs, small and medium sized enterprises in the tourism and hospitality industry. It explores their impact on consumer perceptions of a destination, drawing on examples of small hotels, guesthouses, cafes and restaurants. It also highlights the challenges faced by SMEs to promote destination business growth with discussion of competitiveness, quality and standards. With its entity relationship model of a destination, this edited collection of international papers fully explores the dynamics SMEs. Case studies from around the world also puts SMEs
