**Hostage at the Table** George Kohlrieser,2011-01-06 George Kohlrieser an international leadership professor consultant and veteran hostage negotiator explains that it is only by openly facing conflict that we can truly progress through the most difficult business challenges In this provocative book he reveals how the proven techniques and psychological insights used in hostage negotiation can be applied successfully to any personal or business relationship Step by step he outlines the seven key factors that anyone can use to remove the blocks that stand in the way of resolving tough problems and shows how business leaders in particular can develop and access the skills they need to create trust and a positive mind set in their companies

*A Little Nostalgia for Freedom* Bonham,2013-02-01 A voyage through places and ideas A Little Nostalgia for Freedom explores the desire to on the one hand put down roots to conform and fit in and on the other yearn for a freer more adventurous life The consequence of surrendering our freedom to the mortgage and the career is that we might end up living not quite the life we expected to live haunted by a sense of possibility just at the edge of our experience As he takes us on a wry and idiosyncratic journey through London Morocco Hong Kong and the Sahara encountering thought provoking and odd characters along the road Steve searches for ways that we can reconnect with our lost sense of freedom by adopting a more audacious way of being and in doing so open up new possibilities in our lives The result challenging and witty insights into the roots of our restlessness and five rules of the road for a more adventurous and possibly more fulfilling life A Little Nostalgia for Freedom is a playful and provoking exploration of psychological freedom that will appeal to anyone who wants to change their life Steve blends travel psychology and the philosophy of identity into a slightly surreal mischievous and challenging exploration of who we are and who we might be The catalyst for this search is the character of Knulp from Knulp by Herman Hesse who provides encouragement and advice along the way **American Book Publishing Record** ,2005
